Departmental Events

Event:1: **Orientation Programme for I Year Students-(Under Autonomous)**

Date:28.06.2011

Objective: The aims of the induction program were to minimize the difficulties in joining an institution and to introduce students to skills and attitudes that helped in terms of bonding to the institution and encouraging retention and academic performance.

The First Year faculty & Class in charge continue to meet, discussing various aspects of the first year course. A by-product of this team spirit is a willingness to be more open to students' general needs.

Event:2: **Workshop**

Title: **Nayee Disha**

Date: **16.07.2011**

Resource Person/Organization: **JETKING**

Venue: **Sundaraya Kalabhavan**

Objective: This program is a showcase of knowledge and career in Hardware & Networking for students.

Jetking India's No.1 company in the field of Hardware & Networking organized an event called Nayee Disha .Students of III B.sc(25 No.) along with Mr. MLN Rao, faculty in Electronics has attended this programme.

Event:3: **Science Club:** **Cross Word –Puzzle**

Topic: Computer Basics

Date:30.08.2011

Event Organizers: Faculty, Dept. of Physics & Electronics

Target Group: B.Sc I/II/III Yr –An Inter class Competition

Objective: To describe learning outcomes in general terms.

The goal is to fill the white squares with letters, forming words or phrases, by solving clues which lead to the answers. At the end of the event 3 successful teams were selected, about 13 groups participated in this event .

Students in action at the Venue of Crossword -Puzzle

Science day Celebration 2012
Theme: Clean Energy Options and Nuclear Safety
Date: 27th-28th Feb ,2012.
Aim: To nurture Scientific temper among the students

S.No	Contest	Date & Time
1.	Slogan Writing Contest	27th ,Feb 2012
2.	Sci-toon Contest (Cartoon Drawing)	28th,Feb 2012

Science Day-Invitation

Participants during Solgan & Cartoon Drawing Events

1. Event: General Quiz
Date: 13/7/2011
Organization: Cognizant
Group: III B.Sc (MPCs)
Prize: III Prize

2. Student Participation
Event: Attended "**International Conference on Nanoscience and Nanotechnology (ICONSAT-2012)**"
Attended Group: IYear/II Sem <u>Students (5No.s) and one faculty member</u>.
Faculty Representative: Mr.Sravan Kumar
Date: Jan 21,2012
Program Title: Nano for the Young
 The international Advanced Research Center for Powder Metallurgy and New Materials (ARCI),India's leading institute in the field of Non materials Synthesis,processing & application development, is organized *the international conference on Nanoscience and Nanotechnology in Hyderabad* during January 20-23,2012.The above conference ,sponsored by the Government of India's Department of Science and technology under its Nano mission initiative.

3. Student Participation
Event: Attended- **1st Annual one day Symposium**.
Venue: Center for Computational natural Science and Bioinformatics-IIIT-H-Hyderabad.
Attended Group: IIIYear Students (3No.s) .
Date: Feb 26th, 2012
Program Title: "Current Trends in Computational Natural Sciences (CT –CNS 2012)"

The symposium is mainly student –centric; main goals of symposium are for students
1. To Get acquitted with active research.
2. Meet active, prominent researchers; learn and participate in their excitement of science research .
3. Gain motivation and excitement about opportunities provided by research in computational natural science.

Extension Activity Report 11-12

Event: Visit to Cherish Foundation-orphanage

Date: Dec 9th,2011

Objective: To instill in students a sense of sharing with the people in the society, beside their regular academic programme.

With the spirit of Christmas around in the month of December, students of II Bsc Electronics/Physics (30 No) visited an orphanage near uppal, Hyderabad. They were delighted to contribute items like Note books, Stationary items, Clothes etc. There students

are conducted various activities like drawing competition, dance competition and talent show, to build relationship and to inculcate values of love and sharing.

Event:Talent Hunt

B.Sc Placement Programs(Year 2011-12)

Date	Topic	Resource Person
9/8/11 & 16/8/11	Mock GD	Mr.Anthony
30/8/11 & 6/9/11	Mock interview	Mr.Anthony
25/10/11	JAM Session ,Communication Skills	Mr.Joseph Anthony

Placement: BPO-An Awareness Programmme

Date:27/7/11

Resource person/Organisation: TCS

Objective: To Create awareness amongst the students about BPO & also to eliminate the misconception of BPO.

Senior Consultant with 12 Years experienced, explained about the roles of the candidate once they get selected into the company. They also shared with III B.sc students about online test portal created by TCS which will help students in taking online test papers. This eliminates the fear of test patterns amongst the students.
