EXPERIENTIAL LEARNING:

- **VISIT TO NATIONAL POLICE ACADEMY**

B.Com First, Second and Final Year students 40 in number visited National Police Academy on 27th and 28th September 2016. The main objective of the visit is to motivate students to go for All India Services as NPA is one of the training institution to train the IPS officers.

The students were briefed about the vision and mission of the Police Academy. Later power point presentation was given showing all the ranks and statuses of the police force, and also explained the procedure to get entry into the academy. They were taken to the model police station and bank where the trainees are given a crime scene and how they have to investigate on it. Then the students walked through all the guest houses of different states like Rajasthan Bhavan, MP bhavan , ITBP cottage.

At the forensic science building , the students were taught - how to investigate a crime scene. The students were taken to see the places where the trainees are trained to be IPS officers, gymnasium, badminton ground, tennis court, and swimming pool, Dhyana Kendra for yoga and meditation, rock climbing, urban shooting range. The students were greeted by trainees. The trainee officers motivated the students for taking up IPS training. They shared their experiences on the campus and how they were really focused.

The students thank the Principal Rev.Fr .Vincent Arokiadas for providing a wonderful opportunity to them for visiting the academy.

INDUSTRIAL VISIT TO COCO COLA COMPANY

The students of B.com final year computers were taken on an Industrial Visit along with two faculty Mrs.Geethanjali and Mr.Krishna from Dept. Of Commerce to "Coca Cola factory". Which is also referred as Ameenpur Coca Cola plant located at Miyapur.

Coca-Cola (often referred to simply as Coke) is a carbonated soft drink produced by The Coca-Cola Company of Atlanta, Georgia. Originally intended as a patent medicine, it was invented in the late 19th century by John Pemberton.

60 Students gathered in the college at 8.30 AM and started at 9.30 AM from the college premises after a Prayer by Fr.Vincent Arokia Das in a Bus which was arranged. The faculty Mrs.Geethanjali and Mr.Krishna from Dept. Of Commerce who provided their assistance for

the students in order to understand each and everything better. The visit provided experience which helped the students to understand operations costing and process management costing.

The staff of Coca Cola were co-operative and explained the students the steps for manufacturing Coca Cola. Coca Cola deals with many other beverages products such as Fanta, Minute maid, Maaza, Thumbs Up it has classified into

1. Carbonated Beverages (Coca Cola,Sprite,Thumbs Up, Fanta etc.)
2. Fruit Based Beverages (Maza , Minute Maid)

Both of these categories has to undergo basically 4 steps which are:

- Water Treatment
- Syrup/Formula Making
- Bottle Blowing / Bottle Washing
- Labelling

Overall it was a very good experience over there which helped us to learn a lot of new things..

The students thank Dept. Of Commerce and Principal Fr.VincentArokiadas for giving such a wonderful opportunity.

Motivational Talk by Mrs.Aasha Nair on 27th September 2016.

The presentation began with the display of few eminent personalities of Hyderabad and Mrs.Nair encouraged the students to emerge as one of them. She shared interesting aspects of her visit to Pullela Gopichand academy.

Later, students were given a brief description regarding the path for achieving the ACCA degree with three E's, i.e. , Exams, Experience and Ethics. They were also given a clear understanding of the 14 exams and what they deal with. After that, they were made aware of the flexibility of ACCA, i.e. it conducts 4 times a year and no need to write a paper again once we pass the exam. Mrs.Nair also advised them to give the exams on computer as it will make them easily employable.

BCom IF&A wholeheartedly thank Mrs. Aasha Nair for sharing her knowledge regarding the exams and making the students aware of the membership criteria and importance of this degree through out the world. It was a motivation for the students.
