- The Department resumed its Math Club activity which features a comprehensive set of interactive arithmetic, logic & brain twisting Problems which involve some novel way of thinking or looking at the problem from an unexpected viewpoint. Students who take various standardized tests such as SAT, GRE, GMAT, CAT and other MBA and MCA tests in which Math is one important skill tested will find these very helpful. **Set-I** questions are given and the students responded positively. The solutions for the Set-I are displayed along with the second set of questions in the notice board as well as uploaded in the college website.
- The Department took initiation in monitoring the student attendance and the all the students who are having less than 50% are called along with the parents and parents are given feedback on their ward's attendance percentage and parent and student undertakings are taken and filed.
- The Parent teacher meeting for the first year parents was conducted on 31st August by the proactive initiation of the department and the parent feedback is taken and is filed in the department. An Analysis on the parent feedback is in progress using the SPSS software.
- Due to unavoidable reasons the guest lecture on Abstract Algebra got postponed to the month of September.
- Due to technical problems the quiz program got postponed to the month of Sep.
- Students seminars are in progress
