## Department of Mathematics & Statistics

### National Mathematics Day & National Statistics Day

On the eve of National Mathematics Day i.e. 22<sup>nd</sup> December of every year, activities like Crossword Puzzles, A-Z Mathematicians, A-Z Mathematical concepts, results and named theorems, Floor Crossing Completion, A-Z Mathematics Anthyakshari, Logical and Lateral Thinking, Poster & Presentations were organized for BSc Students

The Department of Mathematics & Statistics celebrated National Statistics Day on 29<sup>th</sup> June of every year. **National Statistics Day** is celebrated to mark the birth anniversary of Prof. Prasanta Chandra Mahalanobis, a renowned & eminent statistician.

The Department conducted various activities to the BSc II & III year MSCs students as a part of celebration. The students participated with great enthusiasm. The students prepared Posters which reflected the contributions of Prof. Prasanta Chandra Mahalanobis, Prof. R. A Fisher, George Galton, Karl Pearson and other eminent Statisticians

The students were divided into 5 teams, each team comprised of 8 students. Activities like **Written Test** in which students were given 25 questions; they were expected to give maximum number of answers in 20 minutes of time limit. Other activities such as **Floor Crossing** in which students were asked to utter statistician's names or various concepts of statistics which was conducted like **Anthyakshari**. Activities like **Quiz** were a part of the event. Puzzles which portrait Statistics words & concepts of Statistics were the questions in it.
