About Globarena

Globarena Technologies Private Limited (<http://www.globarena.com>) (Globarena) is India's leading skill development and Competency-Assessment Company impacting over a million individuals every year through its products and services.

Globarena offers a wide range of learning-facilitation and assessment solutions to corporate, universities, Colleges and government organizations. Globarena developed Global Employability Test (GET) which is a standardized assessment tool to assess the employability of fresh-graduates. More than 100,000 candidates are assessed using GET every year. Globarena is also the official vendor of NASSCOM (National Association of Software and Services Companies), India's apex trade body for software and services companies to develop, manage and administer the NAC (NASSCOM Assessment of Competence) test across the country. Globarena is authorized agent to conduct BULATS test of "University of Cambridge – ESOL" in India.

Globarena is an ISO 9001:2008 certified organization with a strong focus on customer satisfaction and excellence in competency enhancement and assessment.

Globarena has been doing pioneering work in bridging the gap between the competencies imparted in the educational institutions and the competencies sought by the industry. Extensive research, meticulously designed programs, systematic training approach and multiple delivery modes, make Globarena programs effective.

Currently, Globarena works with over 18 universities, more than 1000 educational institutions, 3 state governments and numerous corporate houses. Globarena has developed more than 1000 hours of rich e-learning content that can be delivered to students through multiple delivery mechanisms.
