1. ABOUT COLLEGE

History of HAES and St. Joseph's College

Archdiocese of Hyderabad has been serving the people in the field of Education, Social Development and Health apart from its Religious activities since 1850. The Archdiocese established a separate Educational Society in 1983 under the banner of HAES which has 24 institutions including St. Joseph's Degree and PG College and St. Joseph's PG College, an equal opportunity provider, celebrating 18th year of its existence. Hence, it is right time that the college benchmarks the education system to realize the vision and mission of the college- "Providing a distinct environment of excellence in education with humane values and social commitment in offering quality education".

His Grace Late Most Rev. Dr. S. Arulappa, Archbishop of Hyderabad blessed the building and Prof. Rama Kistaiah, former Vice-chancellor of Osmania University inaugurated the college on 10 July 1997. Late Most Rev. M. Joji, Archbishop of Hyderabad during his tenure from 2000-2011 was a real inspiration to the institution in seeking permanent affiliation, NAAC accreditation and finally entering into Autonomy status. His dream was that St. Joseph's College should always be number one. After his demise, the college gets orientation and guidance from Most Rev. Dr.Thumma Bala, Archbishop of Hyderabad, who is well known for his vision and simplicity. Rev.Fr.Dr.V.K.Swamy was the founder Principal and at present Rev.Fr.Vincent Arokiadas continues to lead the institution to greater heights.

- St. Joseph's Degree & PG College established in the year 1997, is one of India's leading educational institutions in the state providing quality education to students.
- Today we have over 2000 students pursuing 12 programs at UG level and 6 programs at PG level and have obtained permanent affiliation of the Osmania University in 2007. Most Rev.Dr.Thumma Bala, Archbishop of Hyderabad is the Chairperson of the college.
- The College is currently marching ahead under the exemplary leadership of Rev.Fr.Vincent Arokiadas, renowned educationist with more than 15 years of experience, and the college is making huge strides towards reaching high standards in quality education and achieving the grant of PG Autonomy status in 2013 is a clear indicator of his quest for excellence.

- The college is accredited by NAAC with 'A' Grade with a CGPA of 3.51 in 2008 and re-accredited by NAAC with 'A' Grade with a CGPA of 3.49 in 2014
- It is the First Autonomous Co-education Institution in India to be Graded with 3.49 CGPA in the First cycle by NAAC.
- It is the first unaided and youngest college to get Autonomous status in 2011 under the OU jurisdiction and was granted 2(f) and 12 (B) by UGC.
- We offer a well - structured curriculum, delivered by well qualified and dedicated teachers, who instill not just the knowledge but the right attitude and skills in the students to become global citizens.

2. ABOUT DEPARTMENT

Every Journey invariably starts with a single step and the Journey to scale great heights needs unflinching grit and relentless efforts. With the same determination we had embarked on a Journey in 1997 by setting up Commerce Department with 2 courses B.Com (General) and B.Com (Computers). B.Com (Honors) was introduced in the year 2003 and B. Com (Professional) Integrated CA and CS in the year 2012. Our department is proud to declare that B.Com (IT) Course will be introduced from the academic year 2015-16. The Commerce department is the largest Department of the College with annual average student strength of 1115 (UG).

The College attained Autonomous status in March 2011 and this set the department ablaze, constantly striving to offer relevant and updated courses with Practical dimension to provide the dynamic business environment with equipped Personnel.

The department has adequate well qualified, competent faculty who are dedicated to the academic and overall development of the student community. The teaching highlights of the faculty of our department are Learner- centric, ICT enabled, Project based, continuous assessment and comprehensive and realistic evaluation.

Our aim is to form young Men and Women of Competence, Commitment Conscience and Compassion. We cultivate in students an uncompromising commitment towards enhancing the

quality of life both at the organizational and societal level and also fostering passionate pursuit for academic and intellectual excellence.

Our department regularly conducts Orientation/Induction Programme ,Workshops, Faculty development Programmes, Seminars, Guest lectures, Industrial /Field visits, Inter Collegiate Meets/Events, Club/Cell activities, Certificate Courses, Bridge Courses, Community Services, Alumni Meet and Employability Sessions as part of Placements Activities.

Our students have brought laurels to the college by participating/winning in various Academic, Cultural, Sports and other competitions at University and National Levels.

The most important asset of any civic society is its skilled manpower. Today, education is not just dissemination of knowledge, but equipping the students with appropriate skills and ability to take up new challenges for contributing to the society as well as fulfilling their career dreams. Our college has a well equipped Placement cell and every year many recruiters visit our campus to provide employment opportunities to our students. It is a matter of great pride that we find a Josephite in every office or firm holding a good position be it in banks or MNC's.

Vision

To train the students to meet the Challenges of Contemporary Business Environment

Mission

- To build a conceptual foundation in the areas of commerce.
- To equip the students with accounting and entrepreneurial skills.

14. ORIENTATION PROGRAMME FOR FRESHERS

It is a long standing tradition at St.Joseph's to organize Orientation Program for the fresh batch of students to orient them towards a healthy acclimatization of the campus culture and academics.

Orientation Programme for B.Com First Year Students was conducted on 28th June 2014. The day commenced with a Prayer Song by the college Choir 'Anna Domini' invoking God's blessings. Principal Rev.Fr.Vincent Arokiadas welcomed the fresher's to the Joseph's family and spelt out the desired attributes of Josephites, while giving a broad and comprehensive outlook of the college through his address.

The program was conducted separately for each of B.Com streams headed by Mrs. Mary Vinaya Sheela for B.Com General, Mr. Krishna Moorthy for B.Com Computers and Mrs.C.Savithri for B.Com Honors and Professionals with the assistance of other faculty of the department. The students were apprised about the curriculum, examination system under autonomy and various departmental activities.

It holds true that experience speaks better than mere knowledge about something. Hence, the final year students shared their experience and good memories with their super juniors. This also included Ice-Breaking sessions by the final year students which was very interactive and brought

the fresher's on their feet. The fresher's were enlightened and very much motivated to make their stand and fly high to reach heights.

17. BEST PRACTICES/ SWOT ANALYSIS OF THE DEPARTMENT

(i) Best Practices

- **Bridge Courses** are conducted to bridge the gap between the commerce and non commerce students in first year. The objective is to lay foundation on the subject and bring new ideas and thoughts in understanding the subject easily.
- Students are given **Assignments** throughout the academic year to enable them to get thorough knowledge in the subjects.
- **Unit Planners** with references, websites and methodologies are prepared well in advance for every subject.
- **Industrial Visits** are organized to interpret the curriculum practically.
- In the process of continuous evaluation students take up **Seminars** on curriculum subjects and also on the topics of the subjects incorporating the day to day development.
- **Guest Lectures** are conducted by subject experts like chartered accountants and Academicians for better understanding of subjects.
- **Orientation Programme** is conducted for I year students every year so as to make them set their goals and keep them focused in the right direction. Such programmes not only give knowledge to students but also inculcates morals and give a vision and mission to their future.
- Regular curricular and attitude building **Extension Lectures** by eminent personalities are organized
- **Remedial Classes** are taken to enhance the performance of students

- **Tutorial Classes** are taken for giving extra assistance to students
- **Certificate Courses** are aimed to balance the mainstream curriculum with the changing industry needs. Therefore students are required to complete atleast two certificate courses in three years.
- As a part of **Mentoring** class in charges are allotted to every class who take up the responsibility of Academic Counseling and Personal counseling apart from the regular counseling. Each student's track of attendance percentage is maintained.
- **Career Counseling** is conducted for the outgoing batch by experts from various fields.
- **Literary and Cultural Competitions** are conducted where students can exhibit their skill & creativity.
- **Workshops** are organized for the faculty and students.
- **Inter Collegiate Meets/Events** are organized every year where students get a chance to show their talent, leadership skills and team work in organizing the event
- **Awards** are given on college day for academic excellence like centum awards/class topper award/Best outgoing student award.
- **Departmental Library** is established where faculty and economically backward students can take the books for reference
- The former students are invited to the college annually for the **Alumni Meet** to share their expertise and experience.
- To enhance practical knowledge among the students **Commerce Lab** was inaugurated on 18th July 2008 by Prof.Purushottam Rao, Head Department of Commerce, Osmania University. Students are provided practical exposure towards all possible topics in their curriculum through Commerce Lab. It is equipped with books, Journals, Magazines, CD's and practical material which are useful to students.

(ii) JSS Activities

Social Consciousness and Commitment are an integral part of our department's vision. The faculty and students are sensitized on their social responsibilities and citizenship roles through participation in JSS Activity on 28th February 2015 by visiting Home for street children, Rescue Centers, Orphanages, Home for the aged and destitute, mentally and physically challenged.

The objective of the visit was to identify the needs, problems of the community and extend a helping hand and also to inculcate the "Spirit of Service" among the students and remind them about their "Social Responsibility" towards "Humanity".

Our students and faculty voluntarily came forward and generously donated both in cash and in kind amounting to Rs.3 lakhs which included Groceries, medicines, clothes, soaps, shampoos, biscuits, cakes, snacks, vegetables, fruits, stationery items, kitchen items, Ceiling Fan, Tube lights, bulbs etc.

The inmates excitedly greeted us by shaking hands and our students sang songs, played games, danced and had a great time interacting with them. They were happy to see the student's efforts and appreciated the college and the staff for encouraging the students to come forward and reach out to the people in need and emerge as ethical and socially responsible citizens of India. It was a great success.

29. PARENT - TEACHER MEET

Parent Teacher meet was held on 6th September 2014 and again on 7th February 2015 for respective sections of B.Com I, II and III year (General, Computers, Honors and Professionals). Parent teacher Interface 'is a time for listening, sharing and working together'. It is conducted every year to discuss student's progress at college and find solutions to their academic and behavioral problems. Parent-teacher meet supplement the information conveyed by marks secured by students in exams by focusing on student's specific strengths and weaknesses in individual subjects and generalizing the level of inter-curricular skills and competencies. Such meetings are successful when parents and teachers have two- way conversation about how to help the student succeed.

The meeting gave the parents a scope to gauge and discuss their ward's academic progress with individual teachers. It has also given an opportunity for teachers to explain the student's performance and progress to their parents. These meetings helped to focus on the student's strengths and needs both academically and behaviorally.

Parents of around 160 students attended the meet on 6th September 2014 from first, second and third year and Parents of around 150 students attended the meet on 7th February 2015 from first, second and third year. Parents were happy at the quality education given and also for the learning atmosphere provided to their wards. The Interface was a success with parents giving their feed back and suggestions on the curriculum and developmental aspects of the college.
