1 No . of volunteers/members registered if available

No. Student Volunteers : 150

2 Vision of JGG:

The Environment Club called **"JOSEPH'S GREEN GROUP"** was established on 12th ,December 2013. With the aim of **LITTLE STEPS TO SAVE BIG WORLD**. The Environment Club "Joseph's Green Group" at St. Joseph's Degree & PG College was started at the behest of our Principal, Rev. Fr. Vincent Arokiadas by coordinators . The increasing human foot print on Earth poses great environmental challenges that continue to grow over time. An unprecedented effort is required to alleviate the adverse effects that human activities have on the ecosystem, effects that in turn alter how we interact with the Earth and with each other. Inclusion of all approaches to problem -solving will be necessary to effect a meaningful change. Joseph's Green Group addresses this global need as an unparalleled hub of environmental issues, innovation, and education. Its unique strength is the zeal with which this group has emerged to reduce the carbon footprints of Josephites

JGG : vision is to create awareness among young students and public about various environment related problems and conservation of the nature and natural resources in the surrounding area and how to live Eco-friendly.

Objective of JGG

- ❖ To Encourage students to keep environment clean.
- ❖ To sensitize the students to minimize the use of polluting product.
- ❖ To Educate students to create awareness amongst public.
- ❖ To motivate students to work in an environment friendly manner which includes , paper bag , , save electricity.
- ❖ To make students understand the importance of environment and its problem areas
- ❖ To take necessary steps to protect the environment

The 1st Prize was bagged by **Mohammed Mustajeb, Vaibhav Jain and Mukesh Choudhary**

of **BBA IT (II)** and also, **Sana, Zohair and Akshintha** of **BBA (I)**.

The 2nd Prize in NBLC was awarded to **Vamshi Yadav, C Rahul and DJ Rahul** of **BBA IT(II)**

2 Best practices

- ❖ Energy Conservation: Implementing energy saving techniques is ensured that the lights and fans are switched off by floor peons and staff after completion of the last lecture of the day. Classrooms are made with sufficient cross ventilation and light so that the use of electricity can be minimized.
- ❖ Plantation Various trees are planted and maintained to keep the campus green.
- ❖ Flower pots were set up in the corridors to beautify the campus and also to promote “GO GREEN”
- ❖ E-Waste management Non-working computers, monitors and printers are discarded and scrapped on a systematic basis.
- ❖ On regular basis Free Vehicle Pollution check up for students and faculty was done.
- ❖ The environmental science subject included in the Curriculum for students to provide basic knowledge about the environment and its allied problems. Keeping campus clean and green.
- ❖ Making the awareness about environment related issues and their possible solutions amongst students by organizing Guest Lecture

- ❖ Motivating the students for their active participation in environment awareness and conservation
- ❖ Awareness about environment issues through Poster competitions, Quiz, Plays and Movies
- ❖ Action based activities like tree plantation, cleanliness drives both within and outside the college campus.
- ❖ Conservation of water by minimizing the use of water.

3 Future plans

- ❖ Establish collaborative arrangements with NGOs for implementing environmental projects within the college campus.
- ❖ Organise regularly seminars, film shows, workshops, awareness drives within and around the college relating to environmental issues and concerns
- ❖ Organise an Environment Festival, to sensitize the students towards their role in tackling global environmental challenges at grass root level. events that included photography, video-making, logo-designing, poetry writing and collage making.
- ❖ Set up a stall of eco-friendly products.
- ❖ Organise Campaigns/Rally in different schools and colleges
 - Anti -Fire Crackers
 - Play Holi with safe colors campaign.
 - Say No to Plastic bags
 - Zero Garbage concept in schools
 - Water Conservation and Energy Conservation
 - Zero Garbage concept in schools
 - Water Conservation and Energy Conservation

7 Paragraph on how after autonomy there is a change in the activities conducted.

The entire campus remains clean as it is till all the students leave the college . Each and every student started realizing the importance of maintaining cleanliness. . Gardens are maintained with utmost care. Beautification of corridor is done with flower pots. All the classroom cleanliness showed a lot of improvement compared to earlier situations. Large sized dustbins are provided in various places in ground and corridor to help the students to dispose the waste effectively and campus adopted concrete energy saving strategies and also created awareness among students and staff about its critical significance

JGG : JOSEPH GREEN GROUP'S DATAIL REPORTS

JOSEPH'S GREEN GROUP

ACADEMIC YEAR 2012-13

DATE : 11th, October 2012 .

EVENT : Biodiversity Day

VENUE : St. Joseph's Degree and P.G College

Biodiversity Day was celebrated at St. Joseph's Degree and P.G College on 11th, October 2012 in order to generate awareness among the youth. Principal Rev .Fr. Dr. V.K .Swamy envisioned a green and a peaceful St.Joseph's for green and peaceful earth.

Rev Fr.Gowa Shouri addressed the students on the need to conserve the natural resources. Megha II B.A gave small tips to conserve biodiversity and Dileep I B.A spoke on International Girl Child Day . Dr. Deepak Gardner HOD English spoke about conservation of natural resources and apprised the students that 11 October 2012 has been declared by UN as the International Girl Child Day. A Song on Biodiversity was composed and set to music by the College Choir Anno Domini headed by Michael of B.Com III Year. It was beautifully rendered by the choir. Various competitions like Rangoli, Posters, writing Articles ,and Poems on biodiversity were conducted for the students. “

Language is the road map of a culture. It tells you where its people
Come from and where they are going. ”

ACADEMIC YEAR 2013-14

DATE : 12th, December , 2012 .

EVENT : Inaugurations of The Environment Club

VENUE : St. Joseph's Degree and P.G College

The Environment Club called “JOSEPH'S GREEN GROUP” was established on 12th,December 2013. It's Objective: LITTLE STEPS TO SAVE BIG WORLD. The Environment Club “Joseph's Green Group”at St. Joseph's Degree & PG College was started at the behest of our Principal, Rev. Father Vincent Arokiadas by Dr. Deepika Rupert Gardner, Coordinator JGG, Ms. Sherlin Smile, Ms. Bhuvana Immaculate, Ms. Esther Ratna and Student Coordinators -Mohit Chawda BBA III, B. Harika BA II, DKV Aiswarya B.Com I P. The increasing human foot print on Earth poses great environmental challenges that continue to grow over time. An unprecedented effort is required to

alleviate the adverse effects that human activities have on the ecosystem, effects that in turn alter how we interact with the Earth and with each other. Inclusion of all approaches to problem - solving will be necessary to effect a meaningful change.

Joseph's Green Group addresses this global need as an unparalleled hub of environmental issues, innovation, and education. Its unique strength is the zeal with which this group has emerged to reduce the carbon footprints of Josephites

ACADEMIC YEAR 2013-14

DATE : 19th, December , 2013 .

EVENT : Workshop on 'Best Out of Waste'

VENUE : St. Joseph's Degree and P.G College

ACADEMIC YEAR 2014-15

DATE : 28th , NOVEMBER 2014

EVENT : SWACCH BHARAT CAMPAIGN"

VENUE : St. Joseph's Degree and P.G College

The Department of Business Management initiated the program at the behest of the Principal, Rev. Fr. Vincent Arokiadas on the 29th of November, 2014 under the banner of **Joseph's Green Group**, the **Environmental Club**.

In line with the 'Swacch Bharat Mission' started on 2nd October 2014 ,by our honorable Prime Minister, Narendra Modi, the Department has put a step forward in implementing the mission with a vision of a cleaner India.

Students from BBA, who had enrolled their names, were chosen to take part of the activity. The students wore green outfits they were given tags of '**Swacch Bharat**' and other slogans to create awareness regarding the activity. The students assembled in the main campus ground were the **Rev. Fr. Vincent Arokiadas, Principal** formally gave a green signal to begin the program. He addressed the gathering and said that students must make it a habit to spread the concept of cleanliness within oneself and he hoped that this activity will promote the development of the society as a whole. He stressed that this was not a one day activity but students must make it a habit to clean and check that their classrooms and campus remained clean at all times. The team was then provided with rubber gloves, organic masks and waste bins. The area in front of the college and **SherGate, Basheerbagh** was swept and cleaned with zeal and an urge to fulfill the

mission. The waste was collected and dumped in the GHMC yard waste. The program ended on a good note as the Principal congratulated the team for their hard work.

The objective of this programme was

- To create awareness in students cleaning should not be the responsibility of the *karamcharis* or workers alone. All citizens are equally responsible for keeping clean.
- To spread among the students the concept of “*Cleanliness is next to Godliness*”.

GUEST LECTURE ON “ Environmental Awareness”

RESOURCE PERSON : Dr. K. Purushotham Reddy, M.A., M.Phil., PhD

Renowned Environmentalist of India and South Asia & Justice Kuldeep Sing National Awardee for Championing for Environmental cause

PARTICIPANTS : UG & PG students

VENUE : Seminar Hall, Extended Campus

Time : 10am- 12pm

Objectives

4 To raise awareness and understanding of environmental issues among young students

- 5 To instill a sense of responsibility for the environment and personal commitment to protect and preserve the environment
- 6 To educate and cultivate an appreciation and interest in the environment

Joseph's Go Green (JGG) club of St. Joseph's Degree & PG College in association with Council for Green Revolution Hyderabad (CGR) organized a guest lecture on the topic "Environmental Awareness" on 8th March 2016. **Rev. Fr. Vincent Arokiadas, Principal**, St. Joseph's Degree & PG College welcomed the guest speaker and highlighted the objectives of **Joseph's Go Green club** and underlined the importance of saving the environment. He advised students to plant saplings at their homes and public places to make the environment green. He urged the students to maintain the campus clean and to create a pollution free environment to maintain the quality of life.

C. Umamaheswar Reddy, Environmental Specialist, Council For Green Revolution, Hyderabad introduced the guest speaker. **Dr. K. Purushotham Reddy** discussed the factors influencing environmental degradation. He gave an elaborative overview of the factors leading to climate change, global warming and other such environmental issues and emphasized on the current issues related to the environment like causes of pollution, effect of environmental pollution on human health and life and possible solutions for these problems. He briefed about the role of **World Commission on Environment and Development (WCED)**. He highlighted on importance and effects of **Ozone layer**. "It's only when the students understand the importance of environment at a young age they will be more responsible towards the environment when they grow up," said speaker.

At the end of lecture, few minutes were spent on Question and Answer session. Vote of thanks was proposed by Mr Bhaskar . Assistant Professor Department of Commerce The lecture has proven to be very inspiring and informative for the students.

REPORT ON GUEST LECTURE ON

“ENVIRONMENTAL POLLUTION AWARENESS AND ITS CONTROL ”

Joseph's Green Group (JGG) of St. Joseph's Degree & PG College in association with Road Transport Authority (RTA) ,Hyderabad organized a Guest Lecture on “ ENVIRONMENTAL POLLUTION AWARENESS AND ITS CONTROL “ on 14th, July 2016 ,

Mr. T. Raghunath, JOINT COMMISSIONER , RTA Hyderabad was the resource person.

P.LVishweshwar Rao , Director welcomed the Guest speaker and students and highlighted the impotence of vehicle pollution control also spoke about the privilege of having

Mr. T. Raghunath, JOINT COMMISSIONER for the lecture.

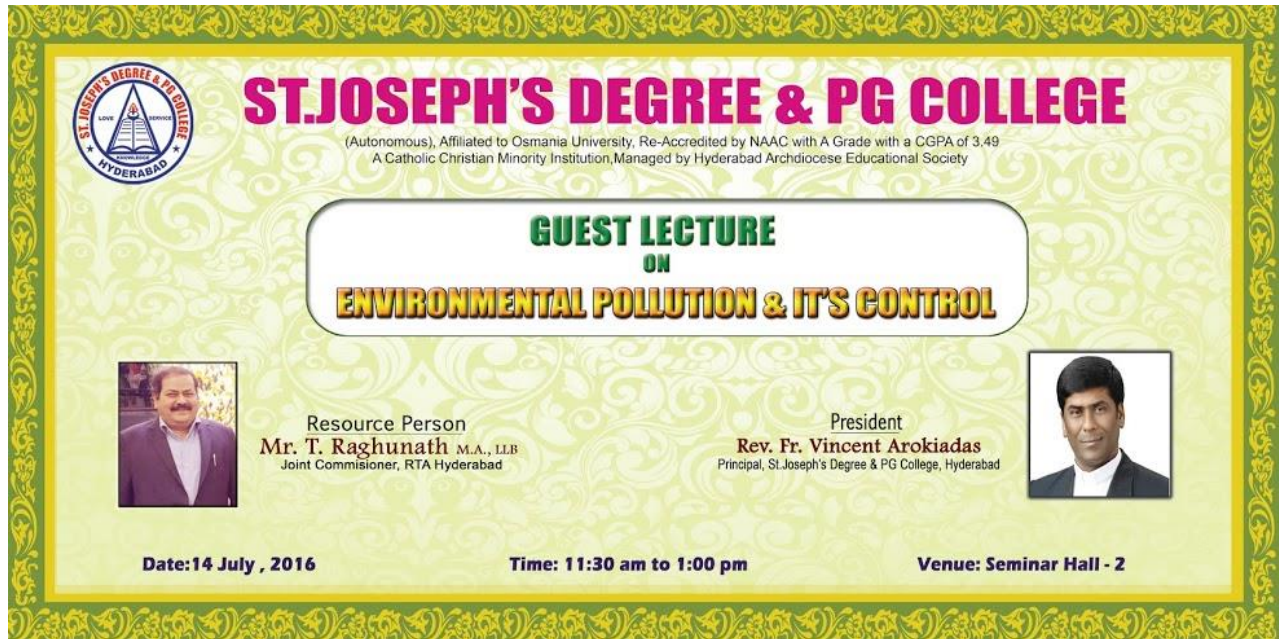

The objective of the lecture was to bring awareness among the students about the importance of vehicle Pollution Control. The Resource person presented the current issues related to the environment like causes of vehicle pollution, effect of environmental pollution on human health and life. He highlighted the importance of environmental conservation and the ways that can be imparted in automobiles to reduce pollution and conserve the surrounding.

He stressed on more plantation of trees to save the environment. He stated that after plantation, proper care is needed otherwise main purpose of plantation gets wasted. *He emphasized on pollution control is a team work and everybody should come forward in this mission.* He also suggested different ways to save the environment. He enlightened on objectives of “*Telanganaku Haritha Haram* “ massive programme which was launched by Chief Minister K. Chandrasekhar Rao. He even spoke about the ban on diesel cars and the odd even scheme used in Delhi to reduce the pollution levels. He focused on the effect of four main components of pollution carbon mono-oxide, hydro carbons, nitrous oxide and carbon di-oxide.

At the end of lecture, few minutes were spent on Question and Answer session. The session was concluded with the presentation of Vote of thanks by **P.LVishweshwar Rao , Director**

Feedback: Students felt that this session was very informative and useful.

JOSEPH'S GREEN GROUP (JGG)

DATE: 14th December 2016

EVENT : NATIONAL ENERGY CONSERVATION DAY on 14th December 2016

Joseph's Green Group (JGG) of St Joseph's Degree & PG college which was initiated in 2012, has been working towards sensitising students and public about the importance of conserving energy and through various events. In line with this commitment, on the occasion of **NATIONAL ENERGY CONSERVATION DAY on 14th December 2016**, Joseph's Green Group (JGG) in collaboration with Prakriti Environment Society (NGO), Telangana organised an awareness rally in Hyderabad to create social awareness around the necessity of energy conservation.

The objective of the rally was to educate and to spread awareness among the people about the importance of energy as well as urgent need for energy conservation.

On this occasion Rev. Fr. Vincent Arokiadas, Principal, St. Joseph's Degree & PG College, addressed the gathering and emphasised the importance of energy conservation in all walks of life and He also suggested to the youth that energy is very valuable and everyone should implement the energy conservation, which would be helpful for the future generation.

Guest Speaker Sri. Hanumanth Kumar Executive Engineer, Telangana New & Renewable Energy Development Corporation Ltd. He said that environmentalism is directly linked with every individual and we have to inculcate the habit of conserving the same and also highlighted that industrialization has adversely affected the environment and this is the high time to change our habit and act accordingly. Speaking on this initiative M. Jayasree President, Prakriti Environment Society NGO Telangana highlighted the faculty and staff members towards the need and importance of Energy conservation she also shared and suggested different ways to conserve energy.

The rally was flagged off by Rev. Fr. Vincent Arokiadas, Principal, St. Joseph's Degree & PG College

in the presence of M. Jayasree President, Prakriti Environment Society NGO Telangana and

Guest Speaker Sri. Hanumanth Kumar Executive Engineer. Telangana New & Renewable Energy Development Corporation Ltd. Over 80 students from MBA I YEAR I SEM ,BBA ,B.COM, BA wearing white T-shirt & Caps and JGG coordinators and Volunteers from Prakriti Environment Society NGO Telangana , participated in the rally to spread the message on energy conservation.

In preparation for the event, the students worked together enthusiastically to create posters, banners, and placards with paintings depicting various ways to conserve the environment. The rally went through the area around residential complex with the students shouting various slogans and spreading the message on resource conservation and energy efficiency through their posters, placards, and handouts.

We would like to thank the students and team of Prakriti01 Environment Society (NGO) , Telangana for extending their whole-hearted support and making this rally such a grand success.

STUDETNTS PARTICIPATION IN ENERGU CONSERVATION RALLY

REPORT ON

GUEST LECTURE ON

“Awareness about the importance of saving earth “.

TO MARK

WORLD EARTH DAY - APRIL 22nd 2017 ---”CARING MOTHER EARTH “

DATE : 22nd, APRIL 2017

RESOURCE PERSON : **Dr. Harish Gupta**
UGC-Assistant Professor
Department of Applied Geochemistry,
Osmania University, Hyderabad

PARTICIPANTS : MBA I YEAR II SEMESTER students

VENUE : Seminar Hall, Extended Campus

Time : 10am- 11.45 pm

Objectives

- 1 To create awareness about our precious “Mother Earth”.
- 2 To make the next generation more sensitive towards the environment.
- 3 To raise awareness and understanding of environmental issues among young students
- 4 To instill a sense of responsibility for the environment and personal commitment to protect and preserve the earth .

Joseph's Go Green (JGG) Club of St. Joseph's Degree & PG College in association with Council for Green Revolution Hyderabad (CGR) organized a guest lecture on the topic ***“Awareness about the importance of saving earth ” on 22nd, April 2017.*** Earth Day as part of appreciation & affection for Mother Earth besides bringing awareness amongst student about the serious problems that the planet Earth is facing due to various environmental hazards and making generation next environmental conscious from the very beginning.

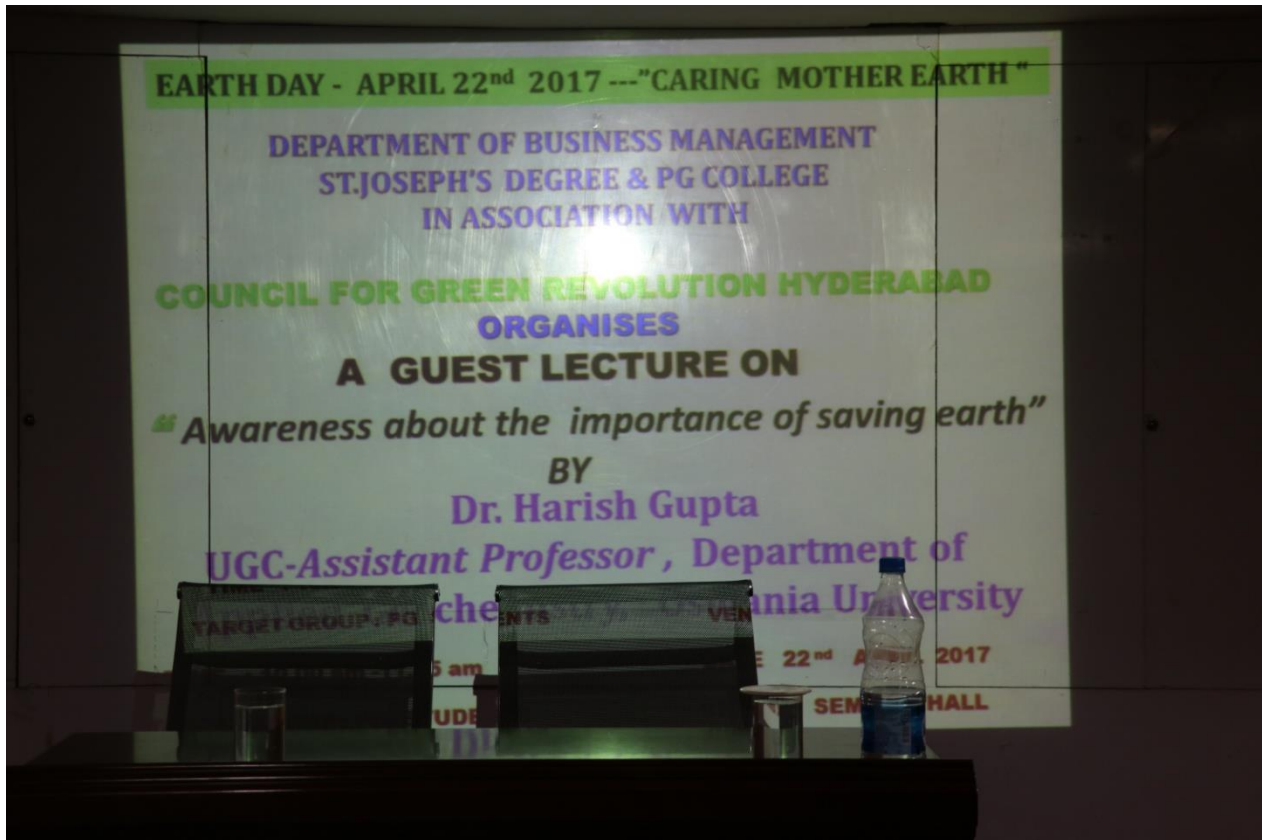

Prof. P.L Vishweshwar Rao Director, St. Joseph's Degree & PG College welcomed the guest speaker and highlighted the objectives of Joseph's Green Group (JGG) and underlined the importance of saving the environment. He urged young students to adopt small steps on regular basis to protect our earth for the future and also advised students to plant saplings at their homes and public places to make the environment green.

Dr. Harish Gupta resource person discussed the factors influencing environmental degradation. He gave an elaborative overview of the factors leading to climate change, global warming and other such environmental issues solutions for these problems. He covered a broad array of topics including the geological processes that shaped the Earth, the climate system and the origin of and current trends in the diversity of life on Earth. A central theme throughout these topics is the assessment of how human activities affect and alter the global environment.

He also spoke on the need of implementing **ENVIRONMENT EDUCATION** for ensuring sustainable development. He also provided interesting insights into the setting up the concept of celebrating Earth Day and the need for youth to come together and act for protecting 'our common environment.'

At the end of lecture, few minutes were spent on Question and Answer session. Vote of thanks was proposed by **Mrs Sangeeta Thakur** Assistant Professor Department of Management Com The lecture has proven to be very inspiring and informative for the students.

Name of the Event: AVANI- The Nature Fest

Held on: 25th January 2017.

Conducted by: St. Francis College for Women, Begumpet, Hyderabad.

ABOUT THE EVENT:

[Type text]

Avani was an Inter Collegiate Fest, conducted on the theme of Nature and Sustainability by the Prakriti Club of St. Francis College for Women, Hyderabad, at their own college campus on 25 January.

The fest witnessed the participation of several colleges from twin cities, in which our students, as a part of the **Joseph's Green Group**, participated in all the events and represented our college.

The fest boasted of events, of both formal and informal kind, viz., the Design For Sustainability, Nature Bucket List Challenge, Eco- Quiz, etc.

Design for Sustainability (DFS) was a formal individual event, which was a type of seminar organised in collaboration with the Center for Sustainable Agriculture (CSA). The seminar was brought with the purpose of educating the participants about the concept of sustainable agriculture and permaculture and impact of urbanization on the ecosystem. **Mohammed Imran** of **BBA IT (II)** participated in the same and came up with an eco-friendly product concept: Toothbrush, made of Medium Density Fibre (MDF), instead of the regular, environment hazardous plastic. Also, the concept toothbrush boasted of replaceable bristle heads, which would significantly reduce the plastic waste produced.

Our college students also participated in Nature Bucket list Challenge, which was a unique version of the informal event: Treasure Hunt. The challenge involved participation of three members as a team and had various activities like "Click a selfie with a plant", pottery time, etc. Interestingly, our college students won all the prizes in Nature Bucket List Challenge too.

The 1st Prize was bagged by **Mohammed Mustajeb, Vaibhav Jain and Mukesh Choudhary** of **BBA IT (II)** and also, **Sana, Zohair and Akshintha** of **BBA (I)**. The 2nd Prize in NBLC was awarded to **Vamshi Yadav, C Rahul and DJ Rahul** of **BBA IT(II)**

Our Josphehites were all smiles as they walked out of the event, winning accolades wherever they participated. About 25+ BBA and BBA (IT) students participated in Avani. The initiative was taken, to encourage students, by **Joseph's Green Group (JGG)**.
