EVENT :SWACCH BHARAT CAMPAIGN

PARTICIPANTS: 100 STUDENTS

VENUE : St. Joseph's Degree and P.G College

In line with the 'Swacch Bharat Mission' started on 2nd October 2014 ,by our honorable Prime Minister, Narendra Modi, JGG has put a step forward in implementing the mission with a vision of a cleaner India.

The objective of this programme was:

- To create awareness in students cleaning should not be the responsibility of the *karamcharis* or workers alone. All citizens are equally responsible for keeping clean.
- To spread among the students the concept of "*Cleanliness is next to Godliness*".

Around 100 students assembled in the main campus ground were the Rev. Fr. Vincent Arokiadas, Principal formally gave a green signal to begin the program. He addressed the gathering and said that students must make it a habit to spread the concept of cleanliness within oneself and he hoped that this activity will promote the development of the society as a whole. The team was then provided with rubber gloves, organic masks and waste bins. The area in front of the college and SherGate, Basheerbagh was swept and cleaned with zeal and an urge to fulfill the mission. The waste was collected and dumped in the GHMC yard waste.
