### JOSEPH'S GREEN GROUP (JGG) REPORT 2015 - 16

DATE : 8<sup>th</sup> March 2016

EVENT : GUEST LECTURE ON "Environmental Awareness"

PARTICIPANTS: 70 Students

VENUE : Seminar Hall, Extended Campus, St. Joseph's Degree and P.G College

RESOURCE PERSON : Dr. K. Purushotham Reddy, M.A., M.Phil., PhD  
Renowned Environmentalist of India and South Asia & Justice Kuldeep Sing National Awardee for  
Championing for Environmental cause.

#### Objectives

- 1 To raise awareness and understanding of environmental issues among young students
- 2 To instill a sense of responsibility for the environment and personal commitment to protect and preserve the environment
- 3 To educate and cultivate an appreciation and interest in the environment

Joseph's Green Group (JGG) of St. Joseph's Degree & PG College in association with Council for Green Revolution Hyderabad (CGR) organized a guest lecture on the topic "Environmental Awareness" on 8<sup>th</sup> March 2016. Rev. Fr. Vincent Arokiadas, Principal, St. Joseph's Degree & PG College welcomed the guest speaker and highlighted the objectives of Joseph's Green Group and underlined the importance of saving the environment. He advised students to plant saplings at their homes and public places to make the environment green. He urged the students to maintain the campus clean and to create a pollution free environment to maintain the quality of life.

C. Umamaheswar Reddy, Environmental Specialist, Council For Green Revolution, Hyderabad, introduced the guest speaker. Dr. K. Purushotham Reddy discussed the factors influencing environmental degradation. He gave an elaborative overview of the factors leading to climate change, global warming and other such environmental issues and emphasized on the current issues related to the environment like causes of pollution, effect of environmental pollution on human health and life and possible solutions for these problems. He briefed

about the role of World Commission on Environment and Development (WCED). He highlighted on importance and effects of Ozone layer. It's only when the students understand the importance of environment at a young age they will be more responsible towards the environment when they grow up," said the speaker.

At the end of lecture, few minutes were spent on Question and Answer session. The vote of thanks was proposed by Mr. Bhaskar, Assistant Professor, Department of Commerce. The lecture has proven to be very inspiring and informative for the students.
