OBJECTIVE : (i) To create awareness among young students about preservation of Ozone Layer.

(ii) To bring awareness towards the health hazards and ecological imbalance caused by depletion of the ozone layer.

JOSEPH'S GREEN GROUP faculty and student coordinators celebrated International Ozone Day on 16th September, 2017 in the main campus with the theme 'Caring for life under the sun' to create awareness among young students about "Preservation of Ozone Layer and its effect on Environment" and also bring awareness towards the health hazards and ecological imbalance caused by depletion of the ozone layer present in the atmosphere by conducting , models exhibition and power point presentation . The students gave a presentation through charts and models, highlighting the main factors responsible for this destruction caused in the atmosphere and its detrimental results on all living beings. The students came up with innovative, informative & colorful models and posters depicting "Ozone a natural umbrella". JGG student coordinators then went around with the students of SLATE school Hyderabad, were the audience for the event and they saw all the Models exhibits exhibited by the students after that they assembled in the seminar hall , where JGG student coordinators presented to the Slate school students about the ozone layer, including how it protects people from radiation by using power point and showed videos about the ozone layer.

EVENT : ACTIVE FARM SCHOOL VISIT

PARTICIPANTS: 101 Students

VENUE : Kowkuntla Village, Ranga Reddy District, Chevella, Telangana 501503

OBJECTIVE : (i) To educate the students on farming activities.

(ii) To give a real-time experience of farming activities to the students.

JOSEPH'S GREEN GROUP of St. Joseph's Degree & PG college organized a field trip to active farm school on 5th December, 2017, for B.Com, BBA & B.Sc. students of all streams, strength 101, and JGG faculty coordinators accompanied were Mrs Sangeeta Thakur, Mrs Aarti, Mr Krishna and Ms, Suchetra. Students visited an active farm school to understand practically about farming activities in the field, which was one of the main purposes of the visit. Students were very curious to learn and observe. The students were introduced to the farmers. The businesses run by the farmers were of cotton, carrot, mango, etc. In the course of discussion with the farmers, they also understood the problems faced by them during crop production period. The students were briefed about the farm and its various activities like plantation, harvesting, paddy cultivation, Jaggery Making, Jam Making and methods of those activities. At the end, students expressed their satisfaction with the field trip visit, hospitality of active farm school staff and the experience in the farm activities.

DATE :22nd DECEMBER 2017

EVENT :INTERNATIONAL PLANTATION DAY

PARTICIPANTS: 250 Students

VENUE :St. Joseph's Degree &PGCollege Main campus

Objective: To emphasize on conserving and protecting the environmental wealth.

Joseph's Green group (JGG) of St. Joseph's Degree & PG college had organized the event of tree plantation to mark INTERNATIONAL PLANTATION DAY on 22nd December 2017, under the theme, 'Today's Trees, Tomorrow's Future'. in the college campus, with great enthusiasm in which students participated in large number. . Meaningful messages were put up all around on the importance of trees. For this, students displayed charts depicting clean and green environment. The initiative was aimed to create awareness among students that Nature has endowed us with great gifts and it is our utmost duty to conserve it and also promoting the value of forests and trees, while providing an opportunity for everyone to contribute to beautifying the surroundings by planting trees. The Tree Plantation programme began with students gathering in the ground. In the spirit of the day, they had brought small little saplings to be planted in college ground and with the welcoming of Prof . P.LVishweshwer Rao Director St.Joseph's Degree PG College and Rev.Fr. M. Arogyam Vice-Principal St.Joseph's Degree PG College. On this occasion, Prof . P.L Vishweshwer Rao Director, addressed the students and emphasized on conserving and protecting the environment wealth, urging students to save the environment by each one planting one sapling to prevent further desertification of the earth.
