Re-Accredited by NAAC with 'A' Grade

King Koti Main Road, Hyderabad-500029.

DATE :26<sup>TH</sup> JUNE 2018

EVENT :SwachhtaPakhwada – in collaboration with THE NATIONAL SMALL INDUSTRIES CORPORATION LTD.

PARTICIPANTS: 35 Students

VENUE :St. Joseph's Degree &PGCollege Extended Campus

OBJECTIVE: To promote greener, safer and healthier environment.

Swachh Bharat Abhiyan (SBA) or Swachh Bharat Mission (SBM) was officially launched on 2 October 2014 at Rajghat, New Delhi by Prime Minister NarendraModi to achieve the dreams of Gandhiji's Clean India. It is India's largest cleanliness drive to date with 3 million government employees, school students, and college students from all parts of India participating in 4,041 statutory cities, towns and associated rural areas.

St. Joseph's college in collaboration with THE NATIONAL SMALL INDUSTRIES CORPORATION LIMITED, organized the activity under the banner SwachhtaPakhwadaabhyian(15.06.2018 -30.6.2018) to promote Greener, Safer and Healthier environment

t and contribute in saving our environment on 26th June 2015. The students and faculty were assembled in front of the college gate, where cleaning tools were given to clean the surroundings of St. Joseph's College. At the end of the activity, NSIC coordinators distributed frooti packets to the participants. The drive concluded with Dr. R. Anita, Dean Academics thanking the students for this good cause and encouraging the students to do their part in contributing to the Healthier Environment, as the youth are the future of a better India.

## **ST. JOSEPH'S DEGREE & PG COLLEGE**

**Autonomous - Affiliated to Osmania University**

**Re-Accredited by NAAC with 'A' Grade**

**King Koti Main Road, Hyderabad-500029.**

**DATE : 11<sup>TH</sup> JULY 2018**

**EVENT : World Pollution Day – Collage Competition**

**PARTICIPANTS: 30 Students**

**VENUE : Vianney Hall , St. Joseph's Degree & PG College , Extended Campus.**

**OBJECTIVE : To contribute in saving our environment**

One of the greatest challenges and rather a byproduct of the post modernization era is pollution. It is the responsibility of every academic institution to create awareness and encourage students to develop socially responsible behaviour. With this objective, JOSEPH's GREEN GROUP of the Department of Business Management took this green initiative and conducted a collage making competition on world pollution day, which is celebrated on 11<sup>th</sup> July every year.

The students were asked to present their views in the form of a collage on the following themes.

- Sustainable business practices
- Individual awareness – future threats
- Corporate social responsibility

Total 13 teams comprising of 30 number of students from BBA and MBA participated in the event. Students presented the themes with a lot of innovation, enthusiasm and excitement. They spoke on many major business giants and their policymaking, government initiatives (special reference to Telangana and Central government), importance of individual participation and responsibility and industry specific corrective measures. A team of judges inspected the models and listened to their presentations. The participants were rated on various criteria like theme, presentation skills and creativity. The winners of the event are

1. Afifa, Neha, Aishwarya and Barika from MBA II year  
Rachitha, Prageepthya from BBA (BA) I year
2. Omar, Vanshika, Asfiya from BBA (IT) III year  
Shreshtha, Cathleen, Simran from BBA (BA) III year

The programme concluded by appreciating all the students for their efforts and active participation followed by closing remarks from HOD Mr. Ganesh, Dean –Academics Dr. R. Anita and other faculty.

**EVENT** :Guest lecture on “Plastic free campus”

**PARTICIPANTS:** 50 Students

**VENUE** : St. Joseph's Degree and P.G College

**OBJECTIVE:** To sensitize the audience about the hazards of plastic and what steps can be taken to have a Plastic free campus.

The young entrepreneur, Shashikant Khaja, shared his personal experiences regarding the damage to the wildlife by plastic and its influence on him. Shashikant has a startup that manufactures cotton bags as an alternative to plastic. The session was indeed interactive and the gathering responded very well as they raised important questions on various aspects including water pollution and plastic waste control. The event ended as the guest was felicitated and Shashikant handed out samples of his cotton bags to the students. The college in its bid to make its campus plastic free has planned to distribute cotton bags to its students and neighborhood. The event turned out to be enlightening for the students and it inspired them to take up the responsibility of preserving the environment for a better future.

### Joseph's Green Group (JGG)

Date: 2<sup>nd</sup> March 2019

To  
The Principal,  
St. Joseph's Degree and PG College

Respected Sir,

Subject: Request for permission to organize a free pollution check for the students and staff-reg.

We, the members of Joseph's Green Group, are in planning to organize a Free Pollution Check at our college on 7<sup>th</sup> March 2019 for the students and staff in the college premises. The objective of this programme is to make sure that the students and staff who are using vehicles have got the pollution check done periodically. We request you to kindly grant us permission for the same.

Thanking you

Yours sincerely  
Joseph's Green Group

  
(Aarati Samala)

Faculty Co-ordinators:

- 1.) Mrs. Aarati Samala (Convenor)
- 1.) Mr. Ashok
- 2.) Mrs. Regina
- 3.) Mr. Krishna
- 4.) Ms. Namratha

  
2/3/19

## **ST. JOSEPH'S DEGREE & PG COLLEGE**

**Autonomous - Affiliated to Osmania University**

**Re-Accredited by NAAC with 'A' Grade**

**King Koti Main Road, Hyderabad-500029.**

**DATE : 7th March 2019**

**EVENT : Free Pollution check**

**NO. OF VEHICLES : 202**

**VENUE : St. Joseph's Degree and P.G College**

**OBJECTIVE:** To get a pollution check done for all the staff and students who commute on their vehicles to college.

This event was organized to promote greener, safer and healthier environment and contribute in saving our environment by maintaining in use vehicles and also to spread awareness about environmental damage and take small steps against it. A total of 202 vehicles including 199 two-wheelers and 3 four wheelers were checked and received a computerised "Pollution Under control Certificate" (PUC).
