JSR Day – 18th February 2017

Students who do community service work learn that they can actually make a difference with what they do. This helps them better understand their own competence, leading to more self-confidence and a can do attitude that can spread to their work and academic pursuits. This helps to build a sense of responsibility in them and a sense of pride when they see what they've done is actually helping others.

The objective of JSR is to develop an increased sense of social responsibility-a global view of society and a heart for "giving back" and helping others. Students and faculty of Commerce Department actively and enthusiastically participated in JSR Activity on **18th February 2017** by visiting Orphanages, School for the blind, Home for street children, Rescue Centers, Home for the aged and destitute, mentally and physically challenged.

Our students and faculty voluntarily came forward and generously donated both in cash and in kind amounting to Rs.2,23,195 which included Groceries, medicines, clothes, soaps, tooth brushes, tooth paste, sanitary items, blankets, foot wear, hair oil, shampoos, biscuits, cakes, snacks, vegetables, fruits, stationery items, kitchen items, first aid kits etc. The inmates excitedly greeted us by shaking hands and our students celebrated their birthday by cutting cake, sponsored and also served food, sang songs, played games, danced and had a great time interacting with them. Students felt very blessed to participate in JSR activity and also thanked Principal, Rev.Fr.Vincent Arokiadas for giving them an opportunity to serve the needy. The following are the details:

On Saturday the students from B.Com(Comp) IC of St Joseph's degree college went to govt primary school. One might feel that money is the major problem for running such schools/orphanages. But there is huge list of problems. There are kids of all ages in that gov.t school. So we the students of I-C have collected some amount of money together (9600/- rs) and distributed things which they need .we have distributed some books, fruits, chocolates &some food and also games like cricket kit, caroms and some toys. We students also got to know about the problems faced by the girls in the school as they do not have proper doors for the washrooms over there and wegot them repaired. We also helped them for their damaged Name board of the school and we segregated ourselves & went to talk individually to everyone. We tried to be cheerful and friendly to the children by waving and smiling at them. They looked happy and excited about our visits. They danced on their favoritesongs and few of our classmates have also given performances.

After the dance the kidswere divided into 2 groups and played Antakshari which was filled with fun. We spent nearly for 5 hours with the children.

Finally, the visit to the govt. School was fun filling experience for us as we are back home with not only memories but also some valuable lessons. May god bless them. We are very thankful to our class inchargeMs.Sugunasheela madam because this would not be possible without her.

Mamta Old Age Home

Joseph's Social Responsibility Day

Class: B.Com(Gen) – II Year

Students participated: 25

The complete life, the perfect pattern, includes old age as well as youth and maturity. The beauty of the morning and the radiance of noon are good, but it would be a very silly person who drew the curtains and turned on the light in order to shut out the tranquillity of the evening. Old age has its pleasures, which, though different, are not less than the pleasures of youth.

As part of social Service students of B.Com II A visited Mamta Old Age Home on 18/2/2016 along with class-in-charge: Mrs.J.N.P.P.Ananthalakshmi. Total 25 students were visited and they did service to the old people and interacted with them, celebrated birthday celebration with the cake cutting. They felt so happy. Girls helped in cooking. Students served sweets and fruits to everyone. They have spend 4 Hrs. In the old age home.

The following are the contributions made by the students:

Sadhana Institute for the mentally challenged

Class:B.Com (Hon) – II Year

Students participated: 19

Every year our college (ST.JOSEPHS DEGREE AND PG COLLEGE) performs an activity called as JSR (JOSEPHS SOCIAL RESPONSIBILITY). The whole college engages themselves in this activity by going to different orphanages or old age homes and spending time with the people there and fulfilling their needs and desires up to an extent.

We the students of 2H (HONORS) along with our class in charge Mrs.SARIKA VERMA planned to go to "Mentally challenged orphanage" on 18 February 2017, named "Sadhana Institute for the mentally challenged" that is located in "IDA Nacharam". The camp was comprised of nearly 19 members and accompanied by our class in-charge i.e. Mrs.Sarika Verma. We boarded a huge bus from our college to the destination and arrived at about 10:30 am in the morning

On our arrival, we saw that orphanage members and as well as the students were overwhelmed when we saw each other. The smile on the face of the children set an example that love, care and affection is enough for people to be happy in life.

The camp was started with a short video by the Director. The video was based upon the disabled students, about their hidden talents, their survival, their happiness, sorrows etc. We in our day to day life expect and cry for many things, which may not be so important, but, they do not care about anything and enjoy life with whatever they have or have been provided. I remember few words what the Director has spoken, he said that, "disabled people don't need any money or money's worth things they are so sensitive and need only love and care", which they are getting from members of orphanage.

Then, later, there was small music and dance program was organized, by the orphanage members and we were surprised to see so much talent in them. They looked ecstatic and were in a high glee.

Then, we gavethem all the groceries and items of which are needed in our day to day life. Later we spoke to them and clicked few pictures. There happy and beautiful faces assures us that they enjoyed being in our company. Though, not only the orphanage students even we were very happy by being with them and being a reason for their smile.The day went on and soon the time has arrived for us to leave.

Everyone had great time and this camp was a success.

We, the students of B.com 3P, of St. Joseph's Degree & PG College, King Koti, Hyderabad; went to LSN Foundation in Secundrabad on 18th of February, as part of the Joseph's Social Responsibility.

It is an all-boys orphanage with an in-built school. We had visited them before this and they had given us a list of requirements needed by them. On 18th, all of us had contributed around ₹10,600 and had supplied them with the requirements and some refreshments in the form of puffs and cakes. We had donated stationary and sports items required by them.

We started with having a talk with all the children and it was fun, to know them all. Then the children performed a skit in front of us which was followed by a dance where some of our students also joined. After which, the children sang songs, post which the refreshments were served to all. Cricket was played after that and photos were clicked too. Overall, we spent around 4-5 hours with all the children. The incharge of the foundation and the students were quite happy and requested us to visit again. It was a wonderful and memorable experience with the students of that foundation.

I would like to thank Mrs. Radha ma'am, the class in-charge, because it was her guidance that we could do this and also feel very good after the program.

Objective/Purpose of the Visit

- To create awareness among students about neighbourhood.
- To sensitize students towards social Responsibility

As a part of JSR the students of BBA I Year II Semester B section along with the faculty in charge visited Don Bosco Navajeevan orphanage on **18th February ,2017** at 9.30 .00 am ..All of us were deeply touched when we received a warm welcome from all the Sisters of the orphanage. There were 45 innocent children, of age 6years to 14 years who were jumping with joy as we interacted with them.The time spent with those special children made us feel overwhelmed. The way the children mingled with us, played games and enjoyed music was an enriching experience for life. We donated ceiling fans, note books pencil boxes, , fruit juices, biscuits, chocolates, snacks, etc. The children were very happy.

This was amongst one of those moments that we can never describe. It was memorable, meaningful and a redeeming morning for all present. The eyes and the smiles of children will linger in our heart for all times to come.. We have all the luxuries, yet we always crave for more and more. When we saw this child in Orphanage, we realized how fortunate we really are.Our students made a wonderful dance performance. Their singing and dancing really made everybody feel very joyful.

Our students learnt a good lesson of friendship, sympathy and love with this activity. They tried to show that these orphan children are also just like our small brothers & sisters and they can also be an important and helping part of society in future.

“A life not lived for others is not a life.” – Mother Teresa

As part of JSR Activity, on 18th February 2017 the students of BBA II(A) of St. Joseph's Degree & PG College visited Residential School for Hearing Impaired at Malakpet along with their

class in-charge, Ms. Smriti Nagaria. We reached the venue at 10:00am. As we entered, we were very delighted to see the happiness on faces of the children. They children were very excited and happy to see us too. Before meeting them, Mr. Mohammed Babjohn briefed us about their organization who is partially deaf too. He renders his daily genuine service to deaf community as sign language interpreter at PHIN. He said that PHIN was initiated by Mrs. V. Janaki in 2007. Although she was born hearing and speech impaired and into one of the most backward families in Telangana, her passion to serve the community from childhood made her a strong woman activist. She has experienced the unlawful violations of the rights of the hearing impaired.

He also told about the kids, teaching and non-teaching staff in the school. Later, he explained us the basics of the sign language which would help us communicate with those lovely children. Then, we went to the classes one by one and interacted with them. They shook hands with us, wished and blessed us with a big smile on their faces. We, on the other hand, were really blessed and grateful that God gave us a perfect body, mind and soul. Looking at their faces and smiles all over, the joy that they get from small little things made us rethink about ourselves. In spite of being disabled, they were probably one of the best children of "Joy of Living."

The main purpose of this visit was to experience the life of those who were hearing impaired. It was also to understand their life of some orphan children. Regardless of all these difficulties, they never gave up in life. No matter what, they choose to see every day as a blessing and continue to learn, live, love, share and care together.

After meeting them, to spend more time and interact icegola stalls was set up and activities like sack race, lemon and spoon, and hopping were conducted.

1st, 2nd and 3rd prizes were also distributed to them for each activity conducted.

They just proved that "Being disabled doesn't mean being disqualified from having access to every aspect of life". They enjoyed every bit of it. Memories refreshed looking at them being so happy and cute with those little ice golas! Later, we served them sumptuous vegetable biryani and distributed ice-creams to all of them. We went through an incredible feeling of joy of giving at that point of time. They enjoyed eating the delicious meal. We also gave them sport utilities, drawing books, watches and other articles which they accepted gracefully

Finally, it all ended in a positive note. We were glad to be a part of the JSR activity. The students thanked the college management for giving BBA II (A) class valuable opportunity to use their abilities and resources to make a real and lasting contribution in their lives. It was indeed a memorable experience for each one of us which will stay in our minds forever.

LESSON LEARNT FROM THE VISIT :

Life is a long journey, in spite of their disabilities they are leading a near normal and happy life which is very much to be appreciated.

Objective/Purpose of the Visit – To understand the needs and emotional support of the Home for the Aged and make the students of the institute to understand the hardships and psychological wants needed by the elders of the society when they become unproductive. The students who visit understand this situation and align themselves towards the betterment of the society by contributing.

Details of the contribution (Cash) –Rs.12750 is the amount of cash collected from students.

Details of the items taken to the Home for the aged: Rice: 100 Kg. Sugar: 10 Kgs, Tea Power: 3 Kgs, Dal: 20 Kgs, Biscuit Packets (Amul/Parle/Krackjack) : 100 Packets, Chocolates: 300 nos.

Games/Activities Conducted: The students conducted various entertaining activities for the elderly citizens and made their day a memorable one. The inmates were given special and surprise gifts for which they are very thankful.

Feedback from the Students about the visit- There was a very positive feedback from the students who have participated enthusiastically in the above programme. The opinion that the elderly citizens should be given due respect because they contributed to the society/country in their prime youth by working at various government and non-government entities be it private firms or own business entities. Some of the students are of the opinion that the inmates should have saved money for retirement so that the life would have been better. Many expressed the view that elderly citizens should be regularly visited by their children and keep the emotional perspective in good. Overall a very satisfying feedback from the students.

6. To sensitize students to the predicaments and problems of aged people
7. To become aware of the joy of serving and being with the aged

ABOUT THE VISIT

50 students of M.B.A I-B, St. Joseph's Degree & PG College along with the class teacher, Mrs. R. Anitav visited Jain Sevashram (Old Age Home), Dadawadi Jain Temple as a part of the Joseph Social Responsibility on 18th February 2017. The students were really enthusiastic in bringing a bright smile on the wrinkled faces of the inmates.

As a part of their responsibility, the students donated approx. an amount of Rs 7000/- in the form of various amenities such as day-to-day food items, cooking oil, fruits, plates and various needful medicinal help in the form of tablets, lotions and vitamin. In addition to the kind donations made, the students performed different activities to cheer the audience. The day at the Sevashram commenced with the blessings of God followed by the prayer (Priyanka Sethi). The students performed various dances (traditional and classical dances) which brought smile on the grand old ladies. The students also conducted Antakshari which was very rejoicing and equally competed by both the generations. Later, the students conducted games such as pass-the-parcel which enabled the old inmates to express their talents and interests in a lovely manner.

The session continued with interactions between the students and their grand inmates including the cherishing of the old memories. It was really a joyous experience for all the students to visit the old age home and interact with its inmates. The most inspiring thing was that in spite of facing so many hardships these aged people have brave hearts and are still trying to find endless ways to be happy to live. Lastly, the students were appreciated by the convener for their contribution to the institution and were extremely grateful for the time and happiness shared by them.

FEEDBACK FROM STUDENTS

“It's all about give and take. So today we gave them something and took some learning from them. It's hard to see their situation but at least thank god they have old age homes. Nevertheless, it was a great day and an emotional bonding with them....” Zubair, the class representative said.

“It was a great day. Well planned and executed program and in turn we got a life learning lesson. It was a memorable day” Amin said.

All students felt that they had a good/memorable experience and felt happy to see smile on the grand old ladies.

“P.G. Students of St. Joseph's Degree & P.G. College visited the ArishtaSnehghar Boys Home, Nala Bazar, Secunderabad”

Subject: Summary Report of the Orphanage cum school visit.

Class: MBA – 1st Year (A)

Date: 18th February, 2017

Duration: 10 A.M. to 2 P.M.

Theme: Joseph Social Responsibility (JSR)

Last Saturday, P.G. Students of St. Joseph's College, Hyderabad had organised a Visit to "AristhaSnehgher Boys Home" which was affiliated with the Government Primary School. The trip comprised of 26 students of MBA 1st year (Section-A) and their class in charge Mrs. Lydia Nutan. The team arrived the place at the scheduled time by orphanage authorities.

Our arrival was greeted by the cute children who welcomed us wholeheartedly with great enthusiasm which made us feel very special. Physical and Intellectual activities were conducted by the josephites to let the children exhibit their hidden talent. Activities were conducted in two sessions i.e., before and after lunch.

Session: 1 [From 10 A.M. to 12 P.M.]

Event started off with the short opening speech by Mrs. Lydia Nutan, class in charge. Next, students introduced themselves to children and bonded with them in a jiff. Students were divided into various groups and conducted following activities.

1. Drawing
2. Cricket
3. Seven strokes
4. Tug of War

Session 2 [1 P.M to 2 P.M]

In the second session, Mrs. Lydia told the children a story about hard work and its positive outcome. Children were also given opportunity to share their future goals with us and among themselves. Later, they perform cultural activity i.e., dancing and singing. Final moment came to bid adieu to children after distributing prizes to winners. All children were given pencil boxes filled with stationery items, smileys and chocolates. 21 long notes and 21 pencil boxes were hand over to orphanage authorities which would help the children in their upcoming annual exams.

Winners:

Tug of War → Ganesh, Raja, N. Sai, Naveen, Vinay, Sameer, Venu and Nagraj.

Drawing → Ramakrishna and Sushma.

As part of Joseph's social Responsibility we, **BA(MCJ) –I & MA- I** visited 'Don Bosco Prem Sadan' girls home in Hayathnagar. The students were excited and enthusiastic on visiting the girls home. The home consists of 35 girls of different age group varying from 7-year-old little girl to a 10th standard girl. All the girls have heartily welcomed the students. The children started interacting with the students and introductions took place. All the students and the children had a pleasant time playing, singing and dancing. The students arranged for lunch and all the people had a nice lunch, biryani. Our students talked to the girls and found out their problems. It was a very great experience. The girls were humble, lovable and sensitive. After knowing each other, the students and the girls exchanged their thoughts and lives. The girls had played musical chairs and the winner was gifted with a chocolate. We also had a formal session where everyone shared their day's experience. Both the students and the girls had a memorable experience and it was expressed by the kids by performing a small Dance. We all dispersed in the evening with a selfie.

A total of **30 students** were present. This home belongs to the Secunderabad Don Bosco Nava Jeevan Society. The students are present at Don Bosco by 09:00 AM. Saikrishna.K, the faculty and in charge of BA MCJ is present and coordinated the visit. The students were excited and enthusiastic on visiting the girl's home. The students organized some games and performed dance and other arts. Even the children performed dance and sang songs. The students and children interacted and were joyful together. The Students have organized lunch for the girls. The girls had played musical chairs and the winner was gifted with a chocolate. We also had a formal session where everyone shared their day's experience. Both the students and the girls had a memorable experience and it was expressed by the kids by performing a small Dance. All the money that was collected was spent for chocolates and groceries and for lunch.

JSR ACTIVITIES BY STUDENTS:2016-17

JSR - BA 2ND (MCJ & JPE) YEAR

VENUE: MOTHER TERESA HOME FOR THE SICK AND DYING DESTITUTES, BHOIGUDA, SEC-BAD.

DATE: 18TH FEB 2017

No. of Students participated: 44

The Joseph's social responsibility service at the Mother Teresa home for the sick and dying destitute, Bhoiguda, Secunderabad, under the guidance of Ms. Aparna and Ms. Aliza. (class In-charges).. The students contributed Rs. 100 /- each. **44 students visited the Home** The total amount collected was Rs. 4300/-

Following items were bought:-

- Toothpaste
- Tooth brushes
- Talcum powder
- Soaps
- Handkerchiefs

The home for the sick and dying is a home where the sisters of the society pick up people from streets and whose families have abandoned them because of their disease / physically challenges and lack of degradation of ethical and moral values.

In the home there were many people whose lifespan is less and are under medication . It was a highly emotional experience to talk to them and share the stories. We were addressed by the sister of the home whose words motivated us. She also shared the problems she faced while adopting people from streets which was very touching. The students understood the importance of social responsibility. The experience made a lasting impression on the students. It'll pave way for them to be more sensitive and help them make better human beings and in turn global citizens.
