#### Report on MOMATH-Museum of Mathematics

The Department of Mathematics & Statistics organized MOMATH-Museum of Mathematics on 28<sup>th</sup> Dec 2019 as a part of Math Club Activity. It highlighted the role of mathematics in illuminating the patterns and structures all around us. The students of B.Sc I, II & III years enthusiastically exhibited various mathematical and statistical models.

The exhibition started with the inaugural by the Principal Rev.Fr.Marreddy, Dean of Academics Rev. Fr. Uday Bhasker, Science Coordinator Mrs. Kiran Jyothi and the faculty of Mathematics & Statistics.

After the inaugural the choir team lead us with a prayer song for the successful conduction of the exhibition and followed by lightning of the lamp to enlighten the bright future of the youngsters.

The Principal Rev.Fr.Marreddy addressed the gathering, appreciated the department and encouraged the youngster's for doing wonderful exhibits and he also mentioned that this type of experimental learning will help the students in developing their presentation, communication skills which leads for better placements.

Rev. Fr. Uday Bhasker also appreciated the students for their hard work and also conveyed his wishes for the smooth conduction of exhibition.

The Principal our guests of honor Rev. Fr. Marreddy opened the exhibit and visited the student exhibits with great enthusiasm and Father showed his lot of patience in visiting each and every experiment.

The students of St. Joseph's High school girls were invited to visit the exhibit. All the students were very enthusiastically participated in the exhibit and there are happy to see the practical orientation of the mathematical models nad different concepts of Mathematics.

### **The Feedback:**

The feedback was collected from the guests, faculty & the student invitees of St. Joseph's Girls High school. They were also asked to nominate the best teams for the prizes. The nominations & suggestions were taken into consideration.

### **Vote of Thanks:**

The Vote of Thanks on behalf of the dDpartment of Mathematics & Statistics was proposed by Mrs.J Harika.

### Prizes:

S.No	Prize	Name of the Students with Model Name	Class
1	I	Sofia Sulthana & Y. Sowmya (Mathematics in Rocket Science)	B. Sc. MPCs- I yr
2	II	B. Manoj & M. Sukesh (Working model of Compass)	B. Sc. -MSCs-III Yr
3	III	Sravan Kumar, P. Yuva Ranjani & K. Ruchika (Mathematics in ATM machine)	B. Sc. -MSCs-II Yr
