## **ANNUAL REPORT**

**2014-15**

### **1. INTRODUCTION**

St. Joseph's Degree & PG College, in its pursuit of preparing younger generations into knowledgeable citizens has been serving the society in the field of Education for the past 17 years.

Today St. Joseph's is one of the most sought colleges in the twin cities being a place for academic excellence and achievement. The campus was very active with main events which reserved the college to initiate, plan and implement were NAAC re-accreditation inspection, PG Autonomy and first convocation ceremony for UG courses in the subsequent months of August, September and December apart from all the regular curricular, co-curricular and extra-curricular activities.

The college has not only kept pace with the changing world, but has been the pioneering spirit behind many innovations in the field of education thus acquiring a well-deserved reputation not only for academics but also in the arena of sports and co-curricular activities which clearly can be envisaged through its Re-accreditation with 'A' Grade with a CGPA of 3.49 by National Assessment and Accreditation Council.

### **ABOUT ST. JOSEPH'S COLLEGE**

St. Joseph's Degree & PG College, a Catholic Minority Institution, established by HAES (Hyderabad Archdiocese Educational Society) in the year 1997 and situated in the heart of beautiful Hi-tech city of Hyderabad and has emerged as a synonym for "Distinct Environment of Excellence in Education" which is envisioned and endorsed through the exemplary motto of "Knowledge, Love and Service".

The Academic and Extension activities of the college are drawn from the well defined Mission statements which integrate the core values of the college with the modern objectives and goals of higher education, to promote globally competent knowledge citizens who are not only skilled and employable, but are also morally upright and spiritually inspired with "humane values and social commitment".

The college achieved permanent affiliation from Osmania University in 2007. However owing to constant dynamics of globalization, technological revolution, knowledge explosion and fast growing needs of industry, the purpose and scope of higher education has been redefined to include components

of employability, research, innovation and social relevance, whereby ‘academic flexibility’ has come to be an integral part of quality education. Hence St. Joseph’s sought Autonomy in the year 2010 and was conferred the status in March 2011. While we celebrate the Grant of Autonomy by University Grant Commission (UGC) from the year 2011 onwards, it elaborates still a greater vision for the future of St. Joseph’s college, which has remained a mainstay in education. We are proud to state that this is the first of its kind among the classical unaided colleges (self-financed) under the jurisdiction of Osmania University. It was something exciting and rewarding, long awaited by the all stakeholders of the institution after tasting the success of accreditation by National Assessment Accreditation Council (NAAC) in 2008 with CGPA 3.51. The wings of academic freedom under autonomy are further strengthened by the 2(f) issued to St. Joseph’s College by UGC on 25, July 2006 and 12 B issued on 27 June 2011 by UGC. The status of Autonomy was conferred on 9<sup>th</sup> October 2013. The College was Re-Accredited by NAAC with “A” Grade with a CGPA of 3.49 out of 4 on 24<sup>th</sup> September 2014.

The college, now an ‘Autonomous College’ of Osmania University has engaged itself in the process of curriculum enrichment and enhancement. Reaping the benefits of Autonomy the college offers a wide range of academic programmes including a number of certificate courses and inter-disciplinary papers to make education more relevant and job-oriented.

## **VISION, MISSION, CORE VALUES, LOGO, MILESTONES**

At St. Joseph’s College, the academic climate is dedicated to the student community to facilitate KNOWLEDGE that would enkindle them to LOVE and to SERVE the community.

### **VISION**

To create a distinct environment of excellence in education with humane values and social commitment

### **MISSION**

We are committed:

1. To develop knowledge citizens with multidisciplinary global competencies.
2. To integrate in the students the ennobling virtues of truth, fairness, tolerance and co-operation

that leads them to serve the underprivileged.

3. To sensitize in Josephites a sense of appreciation of traditional and cultural inheritance of the nation.
4. To create and maintain an environment of excellence in education with technological advancements, effective pedagogy and methods of evaluation.
5. To provide life skills towards a successful career, home and society.

## CORE VALUES

1. Trust in Divinity
2. Foster Integrity
3. Acquire Competencies
4. Strive for Excellence
5. Serve the Society

## ABOUT LOGO

The Crest of the college consists of Wheel, Triangle, Lamp and a Book.

The **WHEEL** – It stands for the **Universe as God's gift to mankind** and the wholeness of the wheel invites us to be cosmological in our vision and cosmopolitan in our approach.

The **TRIANGLE** – It depicts the **three phases of Growth**- Knowledge as one's personal and basic foundation & experience: it further extends to **love** and service to the neighborhood and the society.

The **BOOK** – It represents the **fountain of knowledge** from where one quenches one's thirst for wisdom.

The **LAMP** - It represents light – **the presence of GOD** in the world and in each human being - inviting us to live together.

## EDUCATION PROCESS @ ST. JOSEPH'S

### DEPARTMENT OF COMMERCE

It is a long standing tradition at St. Joseph's to organize Orientation Program for the fresh batch of students to orient them towards a healthy acclimatization of the campus culture and academics. Orientation Programme for B.Com First Year Students was conducted on 28th June 2014. The day commenced with a Prayer Song by the college Choir 'Anna Domini' invoking God's blessings. Principal Rev.Fr.Vincent Arokiadas welcomed the freshers to the Joseph's family and spelt out the desired attributes of Josephites, while giving a broad and comprehensive outlook of the college through his address. The students were apprised about the curriculum, examination system under autonomy and various departmental activities. The final year students conducted Ice-Breaking sessions and shared their experiences of participating and succeeding in academic and extension activities.

### DEPARTMENT OF MASS COMMUNICATION & JOURNALISM

The Department of Mass Communication & Journalism organized a Student Orientation Program on 30 June 2014 for the fresh batch of BA (Mass Communication and Journalism) and BA (JPE) at Mass Communication Studio. The Principal, Rev. Fr. Vincent Arokiadas, Director Prof. K. Malla Reddy, Administrator, Mrs.Esther along with the Head of the Department, Fr. Kingston and faculty members welcomed the students. Speaking on the occasion Rev. Fr. Vincent Arokiadas called upon the students

to make an optimum use of the teaching and other facilities provided at the college to mould themselves into perfect professionals. He explained the importance of the role of media in society and asked students to inculcate social responsibility. Fr. Kingston gave an overview of the course, the infrastructure and career options available to them. This was followed by icebreaking sessions.

#### DEPARTMENT OF BUSINESS MANAGEMENT

Department of Business Management conducted an orientation Programme for the BBA I year on 28th June 2014. Principal, Director and HOD, Business Management along with the BBA I year students lit the lamp and inaugurated the session. Director stressed that there is no education without discipline. Principal, Rev. Fr. Vincent Arokiadas, motivated the students to aim for excellence and leave no stone unturned for realizing their full potential. This was followed by the Department Presentation which oriented the students on Campus culture, infrastructure facilities, Examinations, Certificate courses, Placement, Extracurricular , rules & regulations, code of conduct, dressing, discipline ,overview of the BBA syllabus ,the subject taught etc. The Alumni and senior students shared their college experiences and thanked the faculty for their support and encouragement all through. An Ice-breaking activity was conducted for the students to help them mingle. The Entry level expectations were also documented.

#### MCJ ORIENTATION PROGRAMME

Orientation for the first autonomous batch of MCJ students was conducted on August 11,2014. The Principal introduced the students to the Vision, Mission and History of the college including rules and regulations to be followed in the college. The Director, P.L.Visweshwar Rao and Head of the Department gave an overview of course structure, examinations system, infrastructure and career prospectus available. The students got a real flavour of the departmental activities when they were treated to the screening of a film “Life at St.Joseph’s” which was made by students of Mass Communication & Journalism.

#### MBA ORIENTATION PROGRAMME

The Department of Business Management organized a two day orientation program for the First Autonomous Batch of MBA I Year on 13th& 14th Oct 2014. The Principal welcomed the freshers and

motivated the students to use the resources and opportunities for their growth and development. The students were informed about the departmental activities and course structure .MBA II year students shared their campus experiences while MBA I years introduced themselves. On the second day, Prof. P. L. Visweshwar Rao inspired the students with his motivational talk. The placement officer gave an awareness talk to the students about the companies that come for placements and the industry expectations .This was followed by the Ice breaking sessions which helped the young members to get to know each other and create the spirit of team building.

## **TEACHING METHODOLOGIES**

Keeping in view the technological advancements and innovations in education innovative teaching methodologies are adopted by all the Departments for effective teaching of curriculum aiming at learner – centred education to facilitate effective learning. All the Departments adopted a paradigm shift in teaching from purely chalk and talk methods to a judicious mix of lecture method with ICT backed teaching, interactive and participatory approach thus creating a feeling of responsibility in learning to make learning a process of construction of knowledge.

Unit Planners are prepared well in advance with the appropriate teaching methodologies before the commencement of classes in each semester. Differential requirements of student population are analysed and differentiated teaching techniques are adopted to cater their needs

## **ENTRY LEVEL TESTS**

1. The Department of Computer Science conducted an aptitude test in IT skills for 1 hour duration for the first year UG students of B.Com(Computers, General, Honors) and B.Sc (MPCS/MSCS/MECS/NHAEM) on 24th July 2014
2. The Department of English conducted an entry level test ELST – English Language Skills Test to gauge the level of English. The test was conducted on 11th July 2014.
3. An openended questionnaire of 30-50 questions from subjects like Film, Journalism, social media, General Knowledge, contemporary news topics was conducted on 16 June, 2014. The students' scripts were checked, corrected and given marks. Their potential was analyzed and a record is maintained.

## **BRIDGE COURSES**

1. The Department of Computer Science conducted bridge course after the test analysis on 28th, 29th and 30th of July 2014.
2. The Department of Commerce conducted a short intensive Bridge Course in July 2014 for B.Com I Year I Semester Non- Commerce background students in the subjects Financial Accounting, Business Economics and Business Organization.
3. The Department of Mathematics conducted the bridge courses in Basics of Differentiation and Integration & Fundamentals of Statistics in July 2014
4. The Department of Management conducted a short intensive Bridge Course in Accountancy for 23 MBA I year students of non- commerce background students from 27th Oct 2014 to 9th Dec 2014.
5. The Department of English conducted bridge course on Verbal Ability, Grammar, and Writing skills to students who needed to upgrade their English skills after evaluating entry level tests.

## **TUTORIALS AND REMEDIAL CLASSES**

All the Departments Conduct Remedial classes to students who are below the expected level to stress the basics in the subject which can help students to fully understand and to cope up advanced concepts with the rest of the class and Tutorial classes for the slow learners to give them individual care to motivate and help the academically weaker students to realize their weakness and help them to improve on their fronts

- Department of English conducted remedial Classes after the internal examinations for the students who scored low marks.
- Department of Computer Science conducted remedial classes for B.Sc I year I Semester from 18th June 2014 to 21st June 2014 on Arrays, Pointers ,Functions structures and unions for the subject Fundamentals of Computers and C Programming by V.Shailaja
- Department of Business Management conducted remedial classes on Management Science, Supply Chain Management, Business Mathematics, Principles of Management and Financial Accounting by Mrs. R. Anita, Mrs. Danam Tressa, Mr. Mehboob, Mrs. Molly Chaturvedi and Mrs. Sangeetha Thakur.

- Department of Mathematics and Statistics conducted remedial and tutorials from 17-9- 2014 to 19-9- 2014 for III year V sem students on Surface areas, Divergence, Gradient, Curl, Vector identities, Problems on Green's theorem, Problems on Stoke's theorem.
- Department of Mathematics and Statistics conducted remedial and tutorials from 25-03- 2014 to 28-03- 2014 for III year VI sem students on Curve fitting Simpson's rule, Simpson's 3/8 th Rule, Trapezoidal Rule.
- Department of Mathematics and Statistics conducted remedial and tutorials from 01-02- 2015 to 02-02- 2015 for II year IV sem students on Types of errors, Null and alternate hypothesis, small sample test, large sample test, run test.
- Department of Mathematics and Statistics conducted remedial and tutorials from 25-03- 2015 to 28-03- 2015 for I year II sem students on Cauchy Schwartz's inequality, Chebychev's inequality, Binomial distribution, Poisson distribution, Geometric distribution, uniform distribution

#### DEPARTMENT OF PHYSICS

- Department of Physics conducted remedial and tutorials from 28-07-2014 to 29-07-2014 for III year V sem students on gauss law in electrostatics, application to cylindrical conductor and sphere, Electric dipole moment and expression.
- Department of Physics conducted remedial and tutorials from 21-08-2014 to 23-08-2014 and from 04-09-2014 to 06-09-2014 for III year V sem students on Electric Potential- Application To Sphere, DEP Relation, Hysteresis, LCR, LR, RC CKTS Derivation And Expression, Poynting Theorem, Em Waves Transverse In Nature, Self Induction, Mutual Induction, Co -Efficient of Coupling.
- Department of Physics conducted remedial and tutorials from 28-07-2014 to 29-07-2014 for II year III sem students on carnot's cycle – efficiency, reversible and irreversible process, entropy-for ideal gas, real gas, specific heat ratio, thermodynamic potentials-maxwell's derivations.
- Department of Physics conducted remedial and tutorials from 21-08-2014 to 23-08-2014 for II year III sem students on production of low temperature methods-adiabatic demagnetisation-derivation, M-B, F-D, B-E statistics, maxwell's distribution law of speed law.
- Department of Physics conducted remedial and tutorials from 04-09-2014 to 06-09-2014 for II year III sem students on transport phenomenon-viscosity, conductivity, diffusion

- Department of Physics conducted remedial and tutorials from 28-07-2014 to 29-07-2014 for I year I sem students on SHO - solution, compound pendulum, fourier series-square, triangle, saw tooth wave, FHO, DHO-solution and general equation.
- Department of Physics conducted remedial and tutorials from 21-08-2014 to 23-08-2014 and from 04-09-2014 to 06-09-2014 for I year I sem students on transverse wave equation, doppler's effect, longitudinal waves in bars –general wave equation and solution, ultrasonic production methods and applications. Velocity of sound determination methods.
- Department of Physics conducted remedial and tutorials from 22-01-2015 to 24-01-2015, from 26-02-2015 to 28-02-2015 and from 19-03-2015 to 21-03-2015 for III year VI sem students on spectral lines –single, DI, TRI atomic molecules. raman effect, compton effect, de broglie dual nature of matter waves, heisenberg uncertainty, schrodinger wave equations-time dependent, and time independent wave equations-potential barrier-potential square well. Sommerfeld relativistic model spectral notations-energy levels.
- Department of Physics conducted remedial and tutorials 22-01-2015 to 24-01-2015, from 26-02-2015 to 28-02-2015 and from 19-03-2015 to 21-03-2015 for II year IV sem students on newton's rings, wedge method, cosine rule, double slit diffraction, fresnel's diffraction, polarisation-double refraction, half shade polarimeter, matrix methods-system matrix.aberrations-types, and elimination methods.
- Department of Physics conducted remedial and tutorials 22-01-2015 to 24-01-2015, from 26-02-2015 to 28-02-2015 and from 19-03-2015 to 21-03-2015 for I year II sem students on sho - solution, compound pendulum, fourier series-square, triangle, saw tooth wave, FHO, DHO-solution and general equation. Transverse wave equation, doppler's effect, longitudinal waves in bars –general wave equation and solution, ultrasonic production methods and applications. Velocity of sound determination methods.

#### DEPARTMENT OF ELECTRONICS

- Department of Electronics conducted remedial and tutorials from 28-07-2014 to 29-07-2014, 21-08-2014 to 23-08-2014 and from 04-09-2014 to 06-09-2014 for III year V sem students on Boolean algebra, Karnaugh mapping, logic gates using discrete components, universal building blocks, flip-flops, counters. Internal ram organization, special function registers, instruction set, assembly language programming of 8051 microcontroller.
- Department of electronics conducted remedial and tutorials from 28-07-2014 to 29-07-2014, 21-08-2014 to 23-08-2014 and from 04-09-2014 to 06-09-2014 for II year III sem students on Rectifiers

(full wave & bridge rectifiers) Filters-Capacitor filter, inductor filter, L-section & Pi section filters. Voltage Regulators- Zener voltage regulator, Transistor series & shunt voltage regulator. RC coupled amplifier, feed back in amplifiers, RC phase shift oscillator, multivibrators.

- Department of electronics conducted remedial and tutorials from 28-07-2014 to 29-07-2014, 21-08-2014 to 23-08-2014 and from 04-09-2014 to 06-09-2014 for I year I sem students on KCL, KVL, mesh and node analysis, network theorems, Problems solved, Resonance circuits ( Series& Parallel) RC & RL filters
- Department of electronics conducted remedial and tutorials 22-01-2015 to 24-01-2015, from 26-02-2015 to 28-02-2015 and from 19-03-2015 to 21-03-2015 for III year VI sem students on Addressing modes, instruction set, assembly language programs & interfacing devices of 8085 microprocessor. Analog to digital and digital to analog convertors, serial communication, applications of 8051 microcontroller.
- Department of electronics conducted remedial and tutorials 22-01-2015 to 24-01-2015, from 26-02-2015 to 28-02-2015 and from 19-03-2015 to 21-03-2015 for II year IV sem students on Applications of Op-amplifiers, 555 Timer, Modulation & Demodulation.
- Department of electronics conducted remedial and tutorials 22-01-2015 to 24-01-2015, from 26-02-2015 to 28-02-2015 and from 19-03-2015 to 21-03-2015 for I year II sem students on Semiconductor physics Pn junction diode, varicap diode & tunnel diode. Transistor biasing & stabilization h-parameters equivalent circuit Field effect transistor and Silicon controlled rectifier.

## CONVOCATION REPORT

### THE FIRST CONVOCATION CEREMONY – 2015

20 December, 2014 marked a momentous day in the history of St. Joseph's College as the first batch of graduates under Autonomy, walked up the altars of success, spruced up in their traditional convocation robes to be awarded the degrees, which surely are their passports to personal and professional success in the global world of opportunities and challenges. The venue of the event, St. Mary's College of Pharmacy Auditorium, witnessed a convocation ceremony on par excellence as it undoubtedly brought in the professional aura of a university conducted convocation ceremony by observing all the official rituals, including the Convocation March which was led by the Principal and other dignitaries, who were also equally dressed in the convocation robes; thus sanctifying the event. The Principal's annual Report highlighted the glorious achievements of the college, indicating the top progress made by the institution on all fronts, from Sports to academic excellence. This was followed by the highly inspirational convocation message delivered by the Chief Guest of the day, Former Chief Secretary to the Government of AP, Mrs. Mini Mathews IAS, who motivated the students citing instances from her exemplary life of struggle, sacrifice and success. The Guests of Honour included Registrar, Osmania University, Prof. E. Suresh Kumar, Director, Academic Audit Cell, Osmania University, Prof. R. Nageshwar Rao, and Controller of Examinations, Osmania University, Prof. G. Bhikshamiah, who appreciated the college for becoming Autonomous and choosing the path of excellence. The conferration of degrees also included awarding of Gold medals to the academic toppers of various streams.

##### FACULTY ORIENTATION PROGRAMME

As part of the management best practices, the commencement of the new academic year saw Faculty orientation programme on 11<sup>th</sup> June 2014 on 'Professional Effectiveness 'by Corporate Strategist & CEO of Matrix Training & Consulting, Dr. K. Krishna Sagar Rao. The enrichment program equipped the faculty with many techniques to support them in effectively dealing with the dynamics of the rapidly changing education scenario. The motivational session included videos and talk on Transactional analysis to make them

#### **About the activity:**

Junior Chamber International (JCI) is the only worldwide non-political and non-sectarian youth service organization. Its mission is "To Provide Development Opportunity for Young People to Create Positive Change". The organization believes that these changes must result from one taking "collective action to

improve themselves and the world around them" and so does JSS (JOSEPHITE SOCIAL SCHEME) of St. Joseph's Degree and P.G College. Project 365 Nirmaan is an event of JCI held every year since 4 years in 24 special schools for 2000 special students who are intellectually challenged to encourage them.

One of the students of BBA second year, Raunakh Loya, an active coordinator in Project Nirmaan, JCI came up with this amazing idea and under the guidance of Mrs. Rachel Rose, JSS Coordinator (Department of Business Management), St. Joseph's Degree & PG College, and, 35 BBA students along with the faculty coordinators visited Thakur Hari Prasad Institute of Research & Rehabilitation for the Mentally Handicapped (THPI, Dilsukhnagar), Dilsukhnagar.

Rev. Fr. Amal Raj, Vice Principal, St. Joseph's Degree & PG College blessed and prayed for the students at the main campus. Students assisted in colouring competition for the disabled children. There were many other events like Singing, Dance, Tabla, Flute etc. Our college students and staff contributed eatables and a sum of rupees two thousand and seven hundred (Rs. 2,700/-) to THPI. The event concluded with the speeches by Mr. Ajai Agarwal (Chief guest) Marketing head, Central bank of India, AP and Karnataka, JCI Hyderabad synergy zone Vice President Mr. Anil Malpani, President Hemant Sarda, Secretary Harsh Sarda and finally Mrs. Rachel, JSS Coordinator. THPI Assistant Director Mr. Harish Singh showed interest in having collaboration with us.

### **Visit to The Little Sisters' of the Poor - Home for the Aged**

The students of MBA I yr and BBA I yr (Sec A and B) along with the faculty coordinators **Mrs.A.Danam Tressa Associate Professor and Mrs. NavyaAllenki, Assistant Professor** visited **THE LITTLE SISTER'S OF THE POOR "HOME FOR THE AGED"** on the 12th March, 2015. Around 75 students visited the place. They very enthusiastically purchased some gifts, food items, clothes to donate to the elderly. The day started with the elder person at the reception welcoming all the students and he told a brief history of the Home. By this time the students became a fan of him (Mr.Azam Khan).

The students also donated an amount of Rs 7,840/- towards the Home. The students had a great touching and warmth experience. They learnt that whatever happens in life, one should be positive towards life and also learnt various values and aspects of life. despite having many problems the elderly persons the learnt to live life happily .they see life with different vision and perspective .

## **A LIVE HEART TOUCHING EXPERIENCE OF STUDENTS AND THEIR FEEDBACK**

**An elderly person at the home stated this beautiful statement “There is no person in this world who does not have problems in their life, one should learn to remain happy and positive in life”. They also stated that forget the past and enjoy the present.**

After this visit the students learnt that true children are those who love and care for their parents till their last breath. They love their parents but have really increased their affection to their parents now .They came to understand the value of “LOVE AND CARE”

## **FEEDBACK FROM STUDENTS:**

### **BBA STUDENTS**

1. Pleasant place , neat ,clam people .they were very nice and loving
2. Peaceful, clean, felt very happy and got to know many things after interacting with the most experienced people.

3. Different people of old people, a transparent image of the real world.
4. Got to know people more closely, they happiness, sadness, their problems, received lot of love and experience from them
5. Peace determines that place exactly realization of fine.
6. A very good place, many problems and much sorrow but for people like us. it is where we can learn about values of life and relations the best thing I remember is “we do have problems but never try to create the same to your parents” that is what every one over there told me.
7. Amazing place I really love those elderly people. I wish I would spend more time with them. This visit was emotional as people living there were left alone by their families and were taken care by natures. I really loved the place
8. Its wonderful and unforgettable day good to know them and their sorrows hidden inside them.
9. It was a good experience to know them. I met many elderly people especially a person who was very sad. We could talk to him and make him feel happy.

### **MBA STUDENTS FEEDBACK**

1. It was a day I will neverforget.
2. Its is a great opportunity that college had given to us. it was a great experience visiting old age home, I wish to visitagain
3. It s a great opportunity for us given by our college we are very happy to wishthem
4. It was a good experience whereas something nice and amazing it was to meet the old people and know their experience.
5. Giving service to them and talking to them was the amazingpart.

At the end, the visit was a learning experience and also thought provoking for all the students.

Visiting orphan homes, home for aged, homes for differently-abled made our students to awaken their eternal humanity and sign of responsibilities towards the society which can lead our country to be the best served country among the nations.

As part of the social service activity, students of II B.Sc (MPCs, MECs & MSCs)/ IV Semester visited Aadarana- Orphan Home for Boys located at SBH Bank Colony, Asmangadh, Malakpet on 28th February 2015 as part of Josephs Social Service. They spent all the day with them conducting different competitions like drawing, games, story writing and other activities in the morning session.

Our Josephites sponsored lunch to orphan children in the afternoon. After the lunch they spent time with children finding out their requirements and their views on the activities conducted during that day. Boys of the orphan home responded well and gave a positive feedback that the day was memorable. Evening snacks were provided to the orphanage boys

One B. Tech student of the orphanage is in need of textbooks, wherein our Josephites reacted positively, bought new textbooks and donated on behalf of the college. It made the boy feel emotionally

happy which a need for him is. Joseph's students and faculty contributed rice bag, fruits, books, stationery and snacks.

And various other items brought personally by students. We all reached there by 10 and as soon as we reached there we unloaded the items we brought and took them inside. We were greeted warmly by the incharge there and by all the elderly people there.

We all took our time to talk to them and share our experiences and views. I was so very clear how interacting with the residents of the Old Age Home was such a life changing experience for the students , as each of them realized the value of what they have and that they should live life in a humble way.

Overall it was a successful visit and a good experience for everyone.

We the students of B.com 2 (prof) went to KASTURBA GANDHI ASHRAM on Saturday (28-02-2015) as a part of JSS activity.

This ashram is a home for women of all age groups who had a bad past. The speciality of this home is that they not only are providing food , shelter etc but also are making them self sufficient , so that they can have a good future once they go out.

The objective of this ashram is that each girl should have earned atleast 50000Rs before they leave the place.

This ashram teaches all the girls' skills like stitching, crafting etc. The articles prepared by them are sold to public and the money is given to them.

This ashram was opened by Kasturba Gandhi in 1957 (W/O Gandhi ji). This ashram takes care of 150 women in total.

We as a class accompanied by our class incharge Mrs.SreeLakshmi, had immense satisfaction after visiting this place.We were almost into tears after seeing the mentally challenged women who were 50 in number.

We spent five hours there i.e from 10 to 2.

We donated provisions and few other items which are useful to those women. Other than this few students distributed biscuits, chocolates, chips to all of them, which brought a big smile to them.

We also brought few handicrafts and other articles made by them.

We as a class not only helped them but got to know each other even better, as a person. Our students with big mouths in the class were muted, after seeing them. And we realized how fortunate we are.

Our class incharge was very supportive and was like our second mother, and we were lucky enough to be accompanied by her.

We had a great time interacting with all of them.

This Report is just a jist of the things,there is lot more which cannot be expressed in words.

These were our contributions:

- |                                   |                      |

#### ABOUT THE GAME.

This is a mix of tambola and a commerce quiz.

Like tambola here also we had jeldi 5, jeldi 12, middle column, first line, second line, Third line, and three full houses.

The twist was that when a participant comes up with any of the above like jeldi 5 etc, he will be given the

Respective points decided. And along with this he was asked a question based on commerce and he he gives the right answer he will be given bonus points. So this is the game about. And at the end of full house the tem who gained most number of points were decided as winners.

## CHAIRMAN'S VISIT

### Objective:

To validate the academic and administrative system records and to offer his valuable guidance and blessings.

### Report:

In a true spirited observation of upholding transparency and good governance practices, our beloved chairman, Archbishop Most Rev. Thumma Bala paid a day-long visit to the college on 20 Feb 2015 to offer his valuable guidance, blessings and proactive governance intervention for the development of the college.

Chairman's official visit to validate the academic/ administrative system of records, went beyond the boundaries of the official formal interactions, as the people's chairman chose to follow his heart rather than the given schedule to have a heart-to-heart talk with students and staff to motivate them at length and patiently empathise with their concerns.

In addition to the visits to the various departments, administrative office, placements cell and other cells for validation of their work, the Bishop also presided over a closed-in meeting with the staff for the redressal of their grievances. The visit ended on a positive note as our Principal and the faculties were accorded high praise for their efficiency and dedication.

## **BEST PRACTICE:**

### **1. Title of the Practice**

To foster Research and Development

### **2. Objectives of the Practice**

The objectives/intended outcomes of this best practice are:

- \* To improve research culture among faculty and student's
- \* To provide staff with latest information regarding the research and development in their domain for professional development
- \* To orient faculty towards research-based teaching
- \* To assist faculty to present and publish research articles

### **Underlying principles or concepts of this practice:**

- \* Be practical, and easy to implement in the college (i.e., are sustainable);
- \* Improve the quality of research articles
- \* Provide a consistent framework for enhancement in research and development

### **3. The Context**

Educators engaged in research are updated with latest information and updated facts instead of all that is mentioned in books. It is essential that faculty engage in research to come out with latest and original information but also when they expect students to be research oriented, they must have familiarity with various aspects to the concept. Also, educators familiar with research-based teaching can help students with the following things:

- \* Teaching research results
- \* Making research known
- \* Showing what it means to be a researcher
- \* Helping to conduct research
- \* Providing research experience

Students when involved in research-based learning are bound to learn more and better than they would without the integration of research. Students start as consumers of knowledge and move toward knowledge producers

#### **4. The Practice**
