A BRIEF REPORT:

The Interactive English Classes are designed to follow the theme of activity based learning. These sessions mainly focused on learning English through interaction. The motto is to help each and every student to speak and discuss in the classroom without a fear of English speaking and also to interact with other students. This is more like a fun and also a stress free learning.

The Concepts covered in the session:

1. Interacting
2. General Speaking
3. Presentation: giving opinions, agreeing and disagreeing
4. Vocabulary

Each day the class is held for one hour. First 20 min the topic was taught and next 20 min a worksheet exercise was conducted and followed by an activity / game during the final 20 min. It really helped students to learn all concepts more effectively and easily.
