About the Activity:

Department of Computer Science Conducted the 5th Informatique Exhibit with new innovative ideas for all the UG-Ist year students, About 28 teams registered for the event and exhibited different devices related to Hardware, Software applications and Networking concepts.

The Exhibit started with Inaugural session chaired by Principal Rev.Fr.VincentArokiadas, Dean - Mrs. Esther Ratna, HoD Mrs. Kiran Jyothi at 09:30AM in Joseph's hall. Students from different courses of 1st year visited the Exhibition and collected feedback from few of the students of each class for the "best team presentation".

We made the 5th Informatique Exhibit to be "Better, Newer and Faster" with the better participants, newer concepts and faster technology. School students of 9th and 10th standard of Geenthanjali High School,Hymayatnagar has visited the Informatique Exhibit and encouraged the Event.

Teams were judged by,

1. Mrs.Teresa, Head, Department of Computer Science, Loyola academy
2. Mr.Suraj prakash , Head, Department of Computer Science, Aurora College

Three teams won in the event. Additionally, one of the teams got the best feedback from the students and won a Consolation prize. The program ended by the valedictory session.
