

Knowledge Sharing:

To promote the communication skills, self confidence among the students and to groom the potentials of the students, they are encouraged to share their knowledge. As a part of this activity The Department of Mathematics and Statistics students of second B.Sc (MSCs) shared their knowledge with the students of ALLEN English Medium High School at Ramkoti, Hyderabad. The students taught the subjects of mathematics & statistics for 7th, 8th and 9th standard students on 28th February 2018.
