**(5) Mahek Nahata:**

*Firstly thanks for the opportunity given to me, honestly speaking it was my first time taking part in a competition, so I was pitch nervous. It was weird because it was online. But It was nice since we were able to do it from our own comfortable places. The theme given to us is something which is happening but it is mostly overlooked by many. It is important for every citizen to be responsible for it. The posters what we have made might have been of some help to others. I hope our posters conveyed the awareness and helps in stopping the violation against women. Once again thanks for the opportunity given to me.*

**(6) S. Johnson:**

*Very Good ,Thank you so much.*
