**Title:** Online Trading of Securities

**Objective:** Practical exposure to students on Online Trading of Securities

**Outcome:** Students were enriched with practical Knowledge of Online trading and its prerequisites

**Report:** Mr. Vinayak imparted practical knowledge to students on online trading of securities. He initially checked with the students, their knowledge on the topic. Later he created an awareness on stock exchange and its working, prerequisites for trading. Booking an order for securities, Role of NSE and its functions, role of market participants and finally session was concluded with Q&A session which encouraged students to come up with their doubts and get clarity on various aspects related to Trading. Feedback on the session was overwhelming from the students.

Subject: Token of Appreciation for your presence as a Guest Faculty

Dear Sir,

Thank you for accepting our invitation and sparing your valuable time and sharing your knowledge and expertise with our students on the topic "Online Trading of Securities" on 1st October From 11.45 am to 1 pm.

It was a great delight to host you as Guest Faculty for a guest lecture to B.com Honors and Professional students conducted by Department of Commerce. Your experience and expertise was remarkable. It was a splendid presentation which exposed the students to the field of trading in securities. All the students were benefitted with your presentation. We will be looking forward to have more of your presence in the future events.

We hope this cooperation will continue in future too.

With warm regards

**Rev. Fr. Dr. D. Sunder Reddy**

### Feedback on guest lecture

On a scale of 1 to 5 majority of the respondents i.e 80% has rated the event at 5/5 and the remaining 20% has rated the event at 4/5. So the event was successful based on the reviews given.

The majority of 70% has rated the resource person at 5/5 and 20% has rated the event at 4/5 and the remaining 10 % has rated at 3/5. Considering the reviews the lecture was impactful. According to the reviews the majority of the attendees have enjoyed the way the session was conducted. It was a practical approach and an insight to the attendees. They have learned about NSE.

The attendees now have the knowledge to invest in stocks and know how to trade. Knowing what NSE is and taking calculated risks is the most recorded response in the session.

Majority of the attendees have found the session to be perfect and error free. But there were also people who found a little glitches in the session and the video quality can improve.

The majority of 95 % have responded with a YES and are interested. The rest 5% have responded with a NO. So the overall percentage of people liking the session is very high. Hence , can be concluded that the lecture conducted was a successful one.
