Report

The Awareness session conducted on **02nd December 2021** to commemorate Computer Literacy Day and the session is about “**Cyber Security**” in collaboration with Cyberabad and Hyderabad City Police under **Society for Cyberabad Security Council (SCSC) – DilseY Program** for all UG Students.

The Session began with the hosts introducing the Principal, Resource Persons and inviting them up on to the Dais. The Resource persons were felicitated by Fr. Dr. D. Sunder Reddy, Principal, St. Joseph's Degree & PG College and by Mrs. M. Kiran Jyothi, Head, Department of Computer Science which was followed by a Welcome Address by the Principal.

Principal addressed gathering with note on importance of Cyber Security. Instructed all the students to be careful and aware about the Cyber crimes and how people fall into traps of cyber crimes by sharing his own and known experiences about Cyber Crimes. Principal appreciated Department, Head and Faculty Coordinators for organizing the Session.

The Session started off with Mr. Bhanu Murthy, Sr. Manager - Cyber Security CoE introducing **Society for Cyberabad Security Council (SCSC) - DilseY Program** with a presentation and video, who handed over the dais to **Mr. KVM Prasad, ACP - Cyber Crimes, Hyderabad**. Mr. KVM Prasad spoke about the various types of cyber crimes with the help of few case studies. He ended his speech with a few tips and advices for the youth today.

Mr. Santosh Kaveti, Jt. Secretary – Hyderabad City Security Council emphasized students on how each one of us is a potential victim of cyber crimes and precautions need to be followed to not fall in such traps.

Mr. Bahnu Murthy, Sr. Manager - Cyber Security CoE coming from a place with lots of experience in Cyber Security spoke about basics of digital wellbeing and gave students some tips from his end. His session was highly informative and helpful since it as interactive and as well he gave some live examples.

The session was followed by an interactive question answer session. The students showed their Interest and curiosity on the subject as well as enquired about Crypto Currency, Bitcoin, Block Chain Management and much more.

Mrs. M. Kiran Jyothi, Head, Department of Computer Science shared her insights about Cyber Security and ended the session by proposing the formal vote of thanks.

Outcome:

- Students gained a profound knowledge on Cyber Crimes and Security.

Mr. KVM Prasad, ACP - Cyber Crimes, Hyderabad delivering his speech

Mr. Santosh Kaveti, Jt. Secretary - HCSC Cyber Forum delivering his speech

Mr. Bahnu Murthy, Sr. Manager - Cyber Security CoE delivering his speech
