Target Group : All UG Students

Venue : Ground, Computer Lab – 3rd Floor, Main Campus

Faculty Coordinators: Mrs.Sunitha Muchinthala, Sumayyah Fathima

Student Coordinators: Bijli Bigy –B,Sc(III-MSCs), Shanthanu Banerjee BBA(III-IT), Cherishma Reddy-BSc(II-MSCs), Raghav – B.Sc(II-MSCs), Yathish Chandra-B.Sc(II-MSCs)

Objective: The day is celebrated as the world computer literacy day to create awareness about the efficient use of computers and digital literacy.

Report:

“Computers are omnipresent and Digital Literacy is requisite” keeping this in consideration the Department of Computer Science through Power Bytes – Computer Club celebrated Computer Literacy day **on 2nd December 2021** which was aimed to create awareness and encourage the students about the efficient use of computer science domain in their day-to-day life, and also motivating them to learn new skills in the domain. On the day, Power Bytes club conducted flash mob to highlight the event in college, and also conducted computer word anthakshari - an open interactive session with students in ground. Other two competitions were conducted, 20 students participated in Blind Coding, 11 students participated in Find the bug which was held in Computer Lab, 3rd Floor, Main Campus. Mrs. Sunitha Muchinthala the club coordinator organized the event with the help of student coordinators and it was successful.

Outcome: Motivated and encouraged students in view of digital literacy and they have participated and exhibited their talent in the competitions. They learnt about new technical skills.
