Brief of the Report:

"National Mathematics Day" In India, is celebrated on 'December 22nd of every year on the eve of the birthday of Dr.Srinivasa Ramanujan in recognition of his contribution to the field of Mathematics. As part of celebrations the department conducted the events Math Quiz and A-Z Mathematics Anthyakshari to B. Sc I, II & III year students at 1:45 PM in Joseph's Hall on 21st December 2021. The Debate competition was conducted to B. Sc II & III year students at 2:00 PM in Room no: 508 on 22nd December 2021.
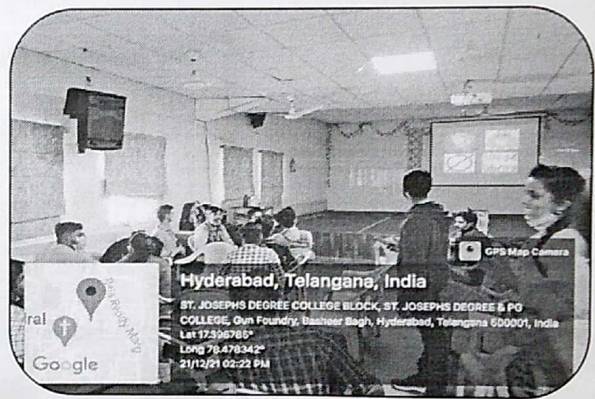

A-Z Mathematics Anthyakshari:

The students of B.Sc I, II & III year are divided into 5 teams where each team has 10 students. Each team is given a mathematics word and with the last letter of the word the team has to say maximum number of words in a minute. The same will be continued for the next teams. This event is conducted to test the students knowledge of mathematics. The students participated with great zeal and enthusiasm.

Math Quiz:

Math Quiz competition was conducted to I, II & III year students of B. Sc where the students are divided into 5 teams and each team has 10 students. The quiz is conducted in three rounds in the form of Wuzzles by displaying the images of the mathematics words and the students have to identify the image and answer. The students participated enthusiastically and show cased their IQ.

Debate Competition:

The Debate competition was conducted to B. Sc II & III year students on the topic "Mathematics should be taught in Mother Tongue". The students were divided into 2 teams as Team-A and Team-B where Team-A is II year and Team-B is III year with 7 participants in each team. Team-A spoke for the topic and Team-B spoke against the topic. The winner of the competition is Team-B as they were defensive and were sticking to their points till the end.
