<b>Resource Persons</b>	:	Mr. Vishesh , Data Engineer, one Two Home Loans , Australia
<b>Faculty Coordinators</b>	:	1. Mrs M.Kiran Jyothi 2. Mrs Swathi

#### Report

Tech Talk by Alumni on Data Science and Information Security was conducted on 20<sup>th</sup> April 2022 for all UG Students. The resource person for the day was Mr. Vishesh, Data Engineer, one Two Home Loans, Australia , our Alumni , who has completed MCA in 2004 .

The Session began by seeking the blessings of Almighty God. M. Kiran Jyothi, Head, Department of Computer Science introduced Mr.Vishesh to the students by presenting his Profile.

Mr. Vishesh started his talk by Sharing his experiences as student in the college stressing on how Library, Computer lab , Projects and Activities helped him to building or shaping his future.

He spoke about the various projects that he worked on and how continuous learning helped him to be the best in his career.

He spoke about the skill set required and opportunities in the field of Data Science. He Also Spoke about Information Security, its importance and Job opportunities in the field .

He suggested that students should take up projects or Join Internship programs from Second Semester onwards so that they will acquire deep knowledge and Programming Skills that helps them in building their Career.

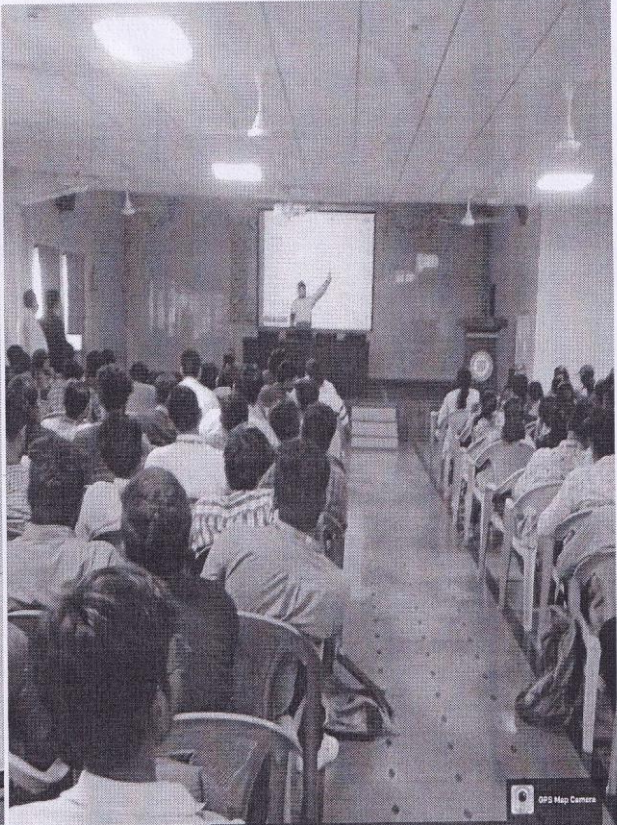

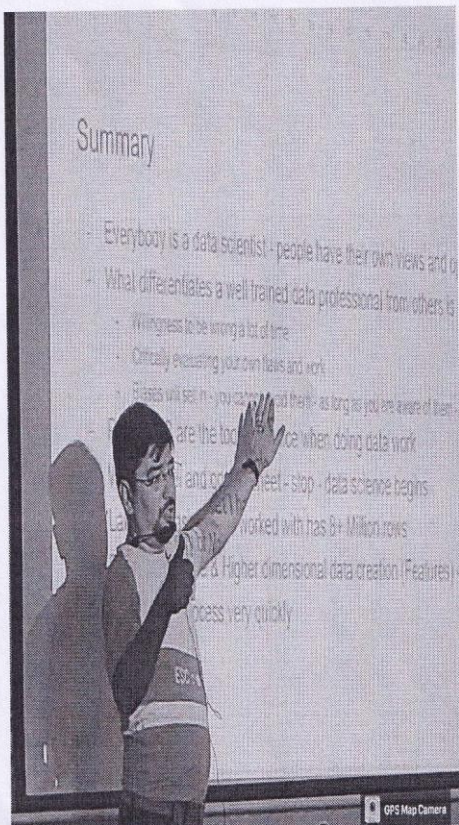

He also spoke about how Challenges and Opportunities knocked his life and how he responded to them.

**Mrs. M. Kiran Jyothi, Head, Department of Computer Science** shared few insights about Data Science and Information Security and ended the session by proposing the formal vote of thanks.

**Outcome:**

- Students understood the importance of spending time in Library, Computer Lab and participation in various Events
- Students received information on skill set required in building their carrier in Data science and Information Security.
- Students were inspired by Mr. Vishesh achievements and how to face life during challenges
