PLATFORM : Google Meet

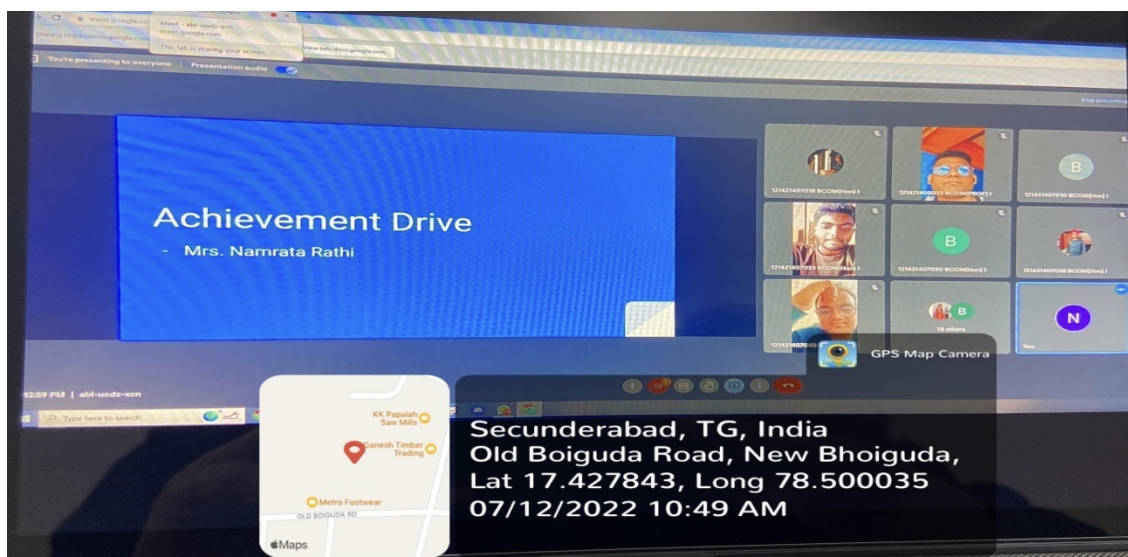

NAME AND DESIGNATION OF SPEAKER: Mrs. Namarta Rathi , Assistant Professor ,
Department of Commerce .

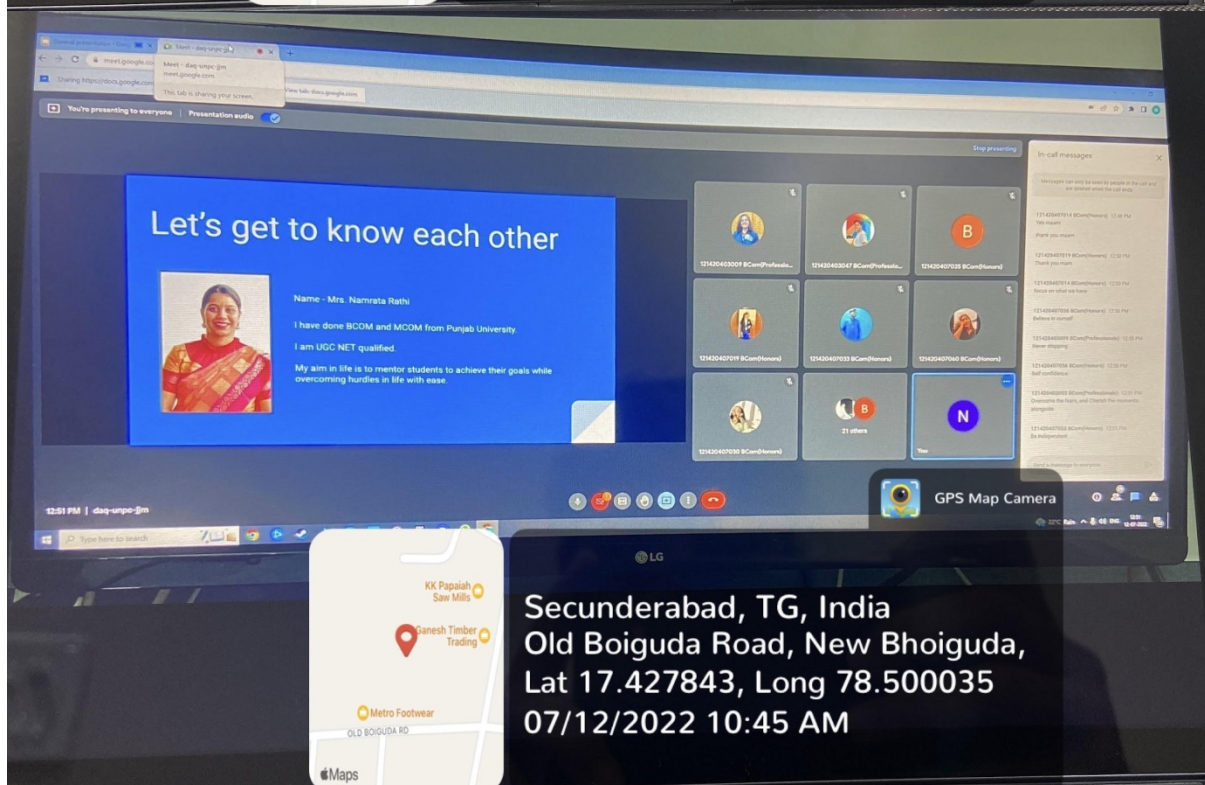

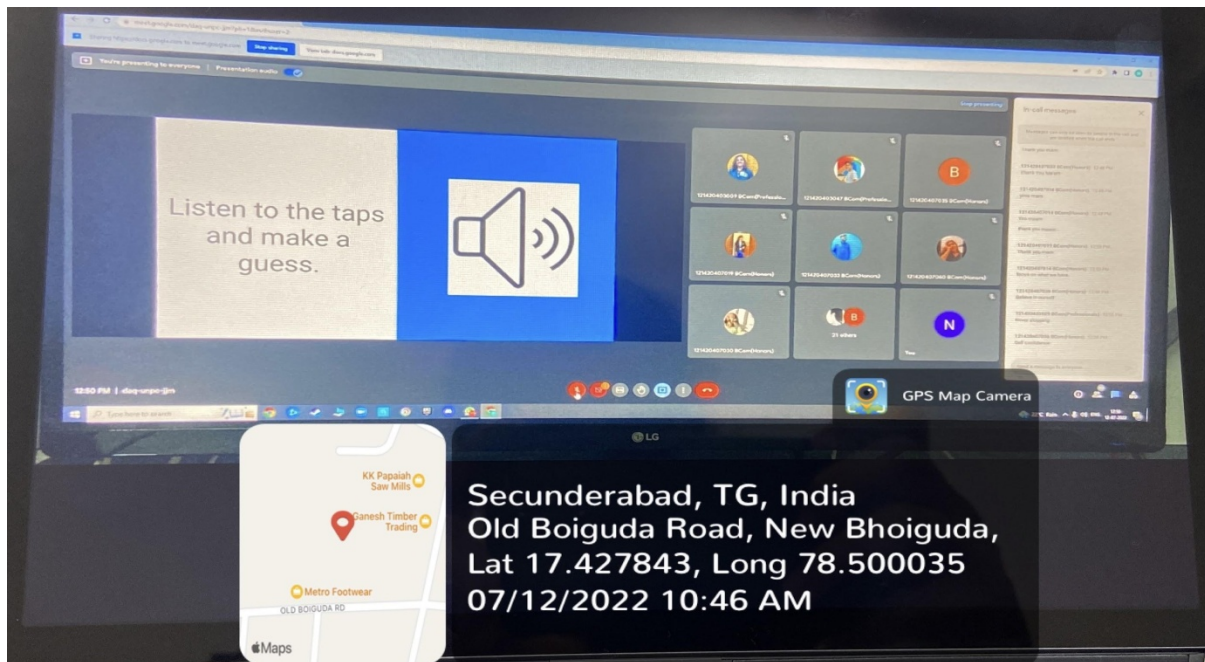

A BRIEF REPORT:

A Motivational Session was conducted in order to induce students to work hard for a better career and future . The session was named **Achievement Drive** . It was an interactive session .

Following activities were conducted :

- Students were asked to pen down the list of their problems in the chat box and then categorise it into two parts as controllable ones and uncontrollable ones . Students were advised to strategically manage the controllable problems and to stop feeling disappointed for uncontrollable ones .
- Students were told a story of three goats , the conclusion of it was to focus on what we have (strengths) rather than what we do not have (weaknesses).
- A success mantra of $3 \times 9 = 27$ & $9 \times 3 = 27$ was given . It explains that if your current base is 3 , then you need to take 9 more steps to reach the target of 27 whereas if your base is strong (9) , then your target is just 3 steps away .
- A Guess the tap activity was conducted to help students understand the importance of clear communication . They understood that they should keep their anxiety and fear aside while asking for a concept clarity .
- Students were told that the difference between ordinary and extra ordinary is extra . They were motivated to put extra effort & time for a better future .

Today's students are tomorrow's corporate leaders. Club activities facilitate students to harvest their inherent talents. As Swami Vivekananda says "Education is the manifestation of perfection already in man". Club activities are driven by students with close coordination of the faculty representative. Every year new office bearers are selected and given charge of the clubs through an investiture ceremony at the beginning of the semester. In addition to club activities the B-School involves the students as active partners in its various activities such as National and International conference, Training the trainers, Knowledge series, seminars and ensures that the students play an active role. Following clubs are currently functioning at the institute.

The purpose of the Business Club is to **provide a forum for boys to discuss key business and economic issues**. The club meets every week and discusses a wide range of finance and business related issues affecting the world.

The main objective of this club is **to orient students to the practical aspects of business management**. It is aimed at enhancing students' understanding of the business management topics introduced in the classroom settings.
