Report on Extension Lecture

Name of the Event	: Extension Lecture on Change of Variables in Triple Integrals
Date	: 19 th October 2022
Time	: 9.20 AM to 11.00 AM
Venue	: St. Joseph's Degree & PG College, Room no: 508
Target Group	: B. Sc III year students

The extension lecture was started at 9.20 Am in room no: 508 by welcoming the resource person. Mr. D. Srinivas Reddy, HOD of the department has briefed the profile of the resource person Dr. V. Naganjaneyulu, Associate Professor of Mathematics from Lords Institute of Engineering and Technology, Hyderabad.

The session started with the introduction of integration and its applications in real life. Then followed by line integrals, double integrals, triple integrals. Also explained about the Change of Variables of double and triple integrals with some examples. The resource person also highlighted the mathematics softwares Geogebra, Mathematica, etc., and presented some examples using the softwares. The session was very enlightening and was interactive. The students were also thankful for the insights and inputs. It was ended up with the question and answer session and Mr. M. Sathyanarayana presented the formal vote of thanks.
