### Digital Awareness Drive

Importance & Creation of Digi Locker- Marching Towards NEP-2020

Date	:	29 <sup>th</sup> July, 2022
Venue	:	Respective Classes
Target Group	:	All UG & PG Students
Organized by	:	Department of Computer Science

#### Report:

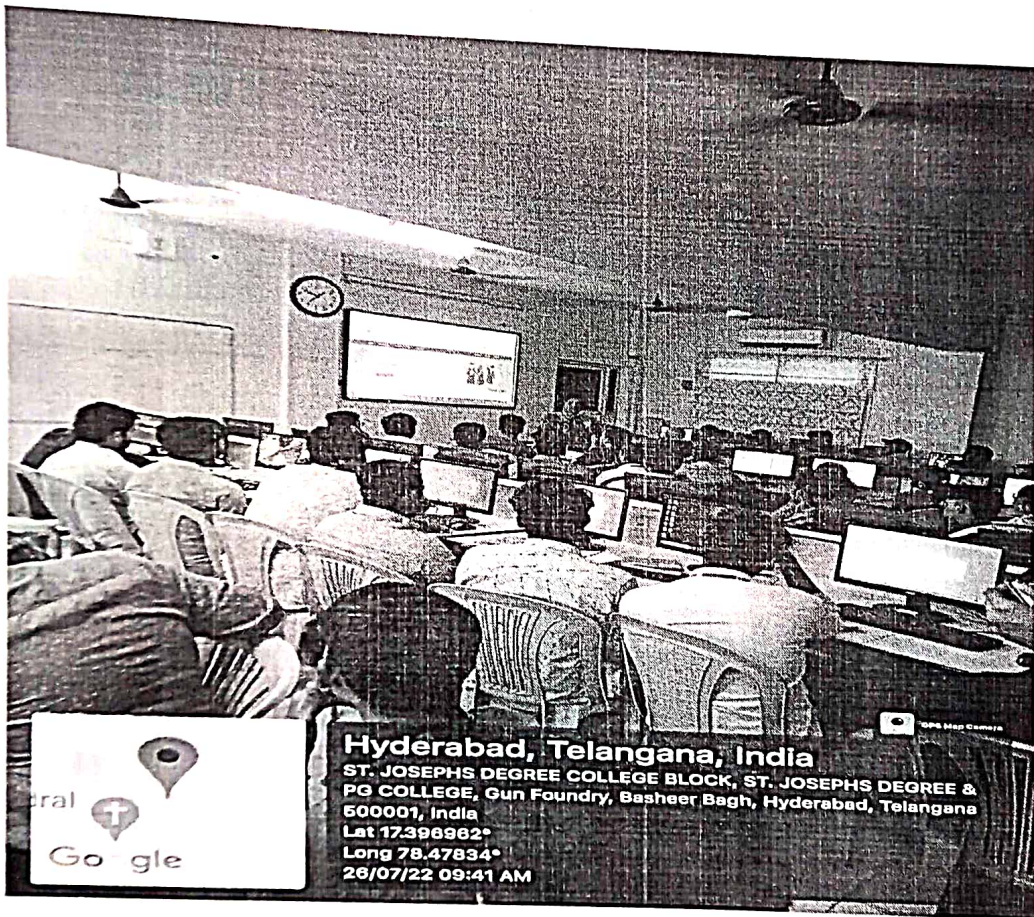

The Department of Computer Science hosted a Digital Awareness Drive on July 27<sup>th</sup> & 28<sup>th</sup> 2022, in each of their separate classrooms, focusing on the significance of creating a digital locker. The government's project DigiLocker, a crucial effort under Digital India, was introduced to all UG & PG students of all streams. This initiative aims to turn India into a knowledge-based society and economy.

Mrs. Swathi C and Mr. Sai Rama Krishna M guided B. Sc students in setting up their Digi locker accounts, as did Mr. Srikanth S and Mr. Venugopal with B. Com students and Mr. Sundeep K for BBA students. Mrs. M Kiran Jyothi, Head of the Department of Computer Science, is in charge of the Team.

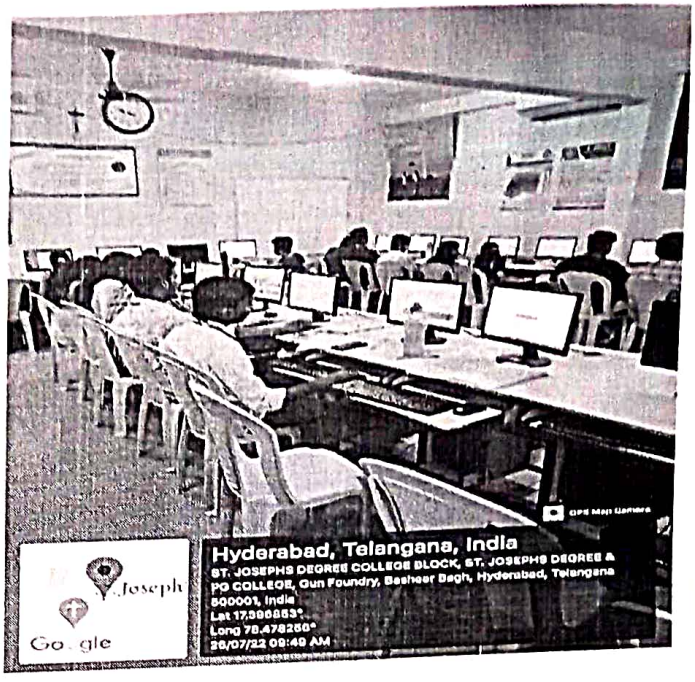

#### Outcome

- Immediate availability of academic awards upon upload by Academic Institution

- Online, permanent record of academic awards
- No risk of losing, spoiling, damaging the academic awards
- Anytime, anywhere and convenient access to academic awards
- Authentic Documents, Legally at Par with Originals
- Digital Document Exchange with the consent of the student.
- Faster service Delivery- Government Benefits, Employment, Financial Inclusion, Educational admission, Health.

### Orientation Program for B.Sc II Year

**Academic Year: 2022-23**

<b>Date</b>	:	11th July, 2022
<b>Venue</b>	:	Online Mode, Google meet
<b>Target Group</b>	:	B.Sc [MPCs/MECs/MSCs]. -II Year.
<b>Organized by</b>	:	Department of Computer Science
<b>Resource Persons</b>	:	Mrs. M Kiran Jyothi, Mrs. Swathi C.

#### Report:

Department of computer Science organized an orientation program on 11<sup>th</sup> July 2022 for B.Sc. II year students. The orientation began by invoking the blessing of almighty through a prayer song by Mr. John of B.Sc II Year Student. The program continued with welcome message by Mrs. Swathi C, Assistant Professor, Department of Computer Science. Mrs. M. Kiran Jyothi, Head, Department of Computer Science explained about various departmental activities organized for the academic year and motivated students to be a part of power bytes club. She also suggested students to take a leadership role in organizing and conducting club events. Mrs. Swathi C, Program Coordinator oriented the students on course structure for the semester and highlighted the importance of attendance for attempting internal and external Examinations.

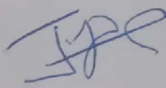

## Outcome of the Event:

By the end of the session,

- The III and IV semester course structures were grasped by the students.
- The students were aware of various “**Power Bytes – The Computer Club**” events planned for the academic year.
- Students were able to understand the importance of their attendance percentage when taking internal and external exams.

### Orientation Program on Computer Science Electives

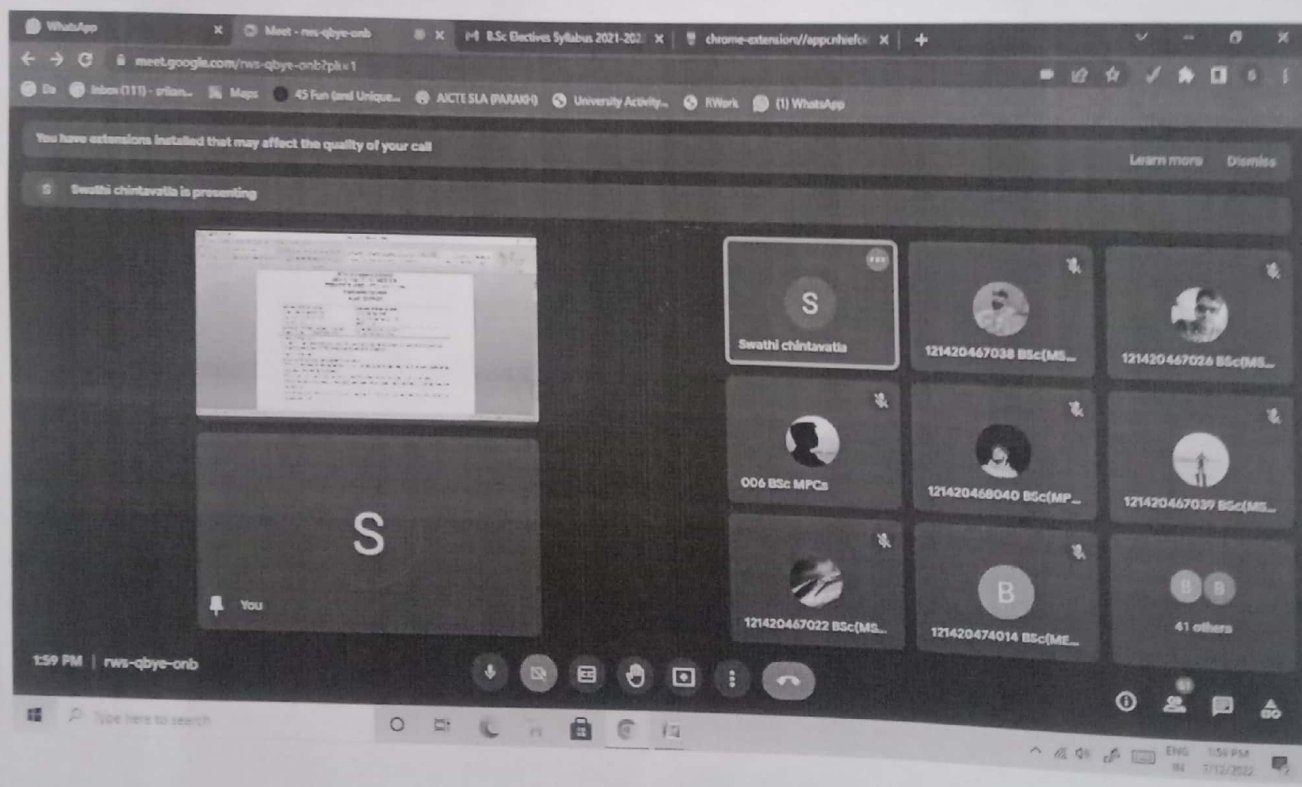

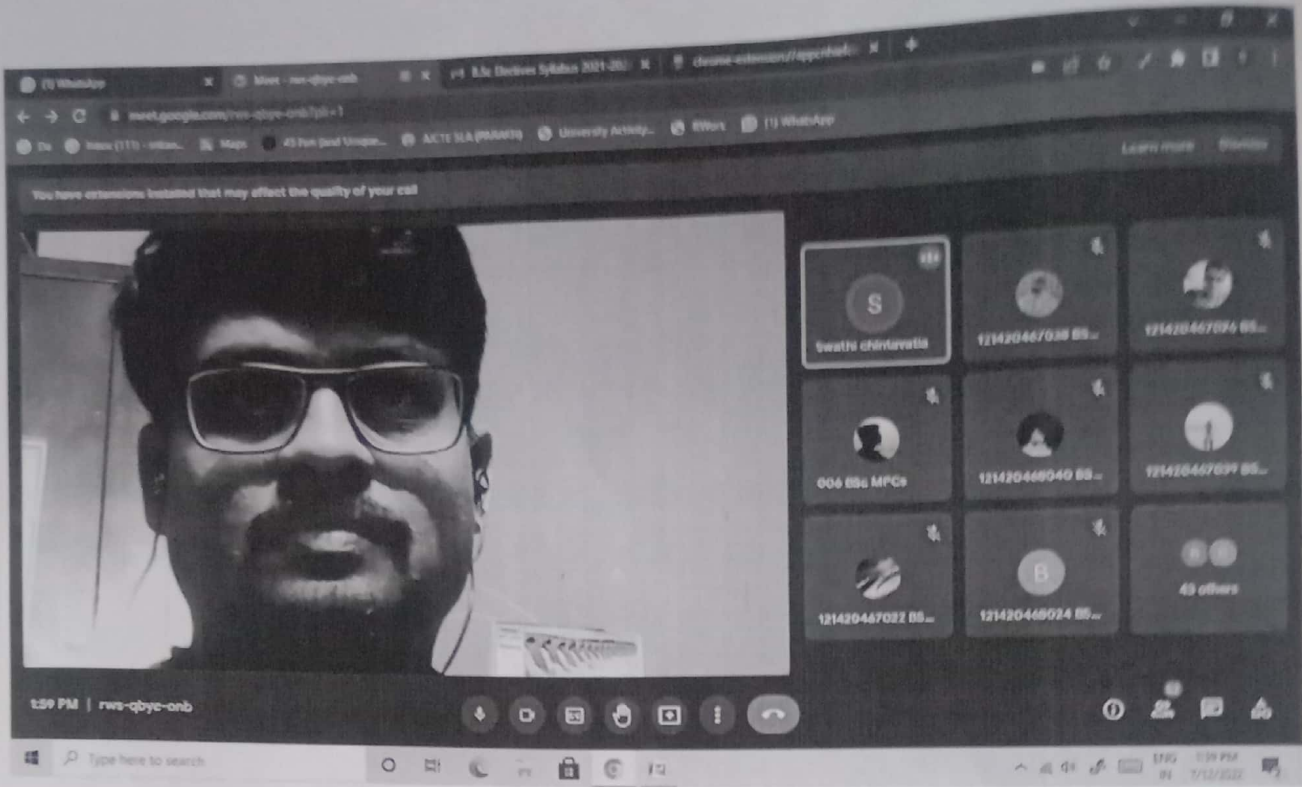

**Academic Year: 2022-23**

<b>Date</b>	:	12 <sup>th</sup> July, 2022
<b>Venue</b>	:	Online Mode, Google meet
<b>Target Group</b>	:	B.Sc [MPCs/MECs/MSCs]. -III Year.
<b>Organized by</b>	:	Department of Computer Science
<b>Resource Persons</b>	:	Mr. Srikanth S Mrs. Swathi C

#### Report:

On July 12, 2022, the Department of Computer Science hosted an orientation programme for B.Sc. III year students about the electives they will be taking in the fifth and sixth semesters. Mr. Srikanth S, Assistant Professor, Department of Computer Science, instructed students on the structure of the Python Programming course as well as on the most recent Python-based applications. Sir also oriented students on Data analytics Using R which they are going to learn in sixth semester. The operating system course structure was explained to students by Mrs. Swathi C, Assistant Professor, Department of Computer Science, who emphasized the value of understanding the Operating System's functionalities. Students were also given an introduction to Web Technologies, an elective they would study in sixth semester.

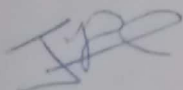

**Outcomes:**

- Students have gained the foundational understanding of electives and their course plans.
- Students gained knowledge of the current apps created in Python, as well as their importance.
- Students were aware of the value of operating systems and the distinct sorts available today.
