**The Department of Physics and Electronics**

**A Report on guest lecture in the area of Animation, Visual Effects and Graphic Design**

**OBJECTIVE OF THE EVENT:** To introduce, educate and guide the students in the field of Visual Effects, Animation and graphic design.

**OUTCOME OF THE EVENT:**

**DATE & TIME** 20<sup>th</sup> October, 12:30 PM

**VENUE:** Jubilee Hall, 3<sup>rd</sup> floor.

**TOTAL NO. OF PARTICIPANTS:** 85

**FACULTY CO-ORDINATOR:** Dr M. Sravan Kumar, Dr D. Padmashri, Mr R. Ashok Kumar.

**STUDENT CO-ORDINATORS:** Students of BSc MPCs (3A)

**TARGET AUDIENCE:** Students of BSc (MPCs and MECs)

**A BRIEF REPORT:**

The event started at around 12:30 PM by felicitating the guest lecturers J. Manoj de Clarence and Swati Saxena with a memento. They were introduced by the student coordinators of the third-year BSc.

J. Manon de clarence, who is a senior marketing professional with more than 16 years of experience in various capabilities, and Swati Saxena, who is academic head in arena animation since 2019, were very friendly, energetic and interactive with the students and they both motivated the interested students to work hard in the field to achieve greater heights.

A few key things they discussed in the seminar include the world of animation, SITES philosophy, the Animation industry, MESC/the animation visual effects Gaming and comics (AVGC), 2d animation and Design, 3D animation, Gaming and VFX.

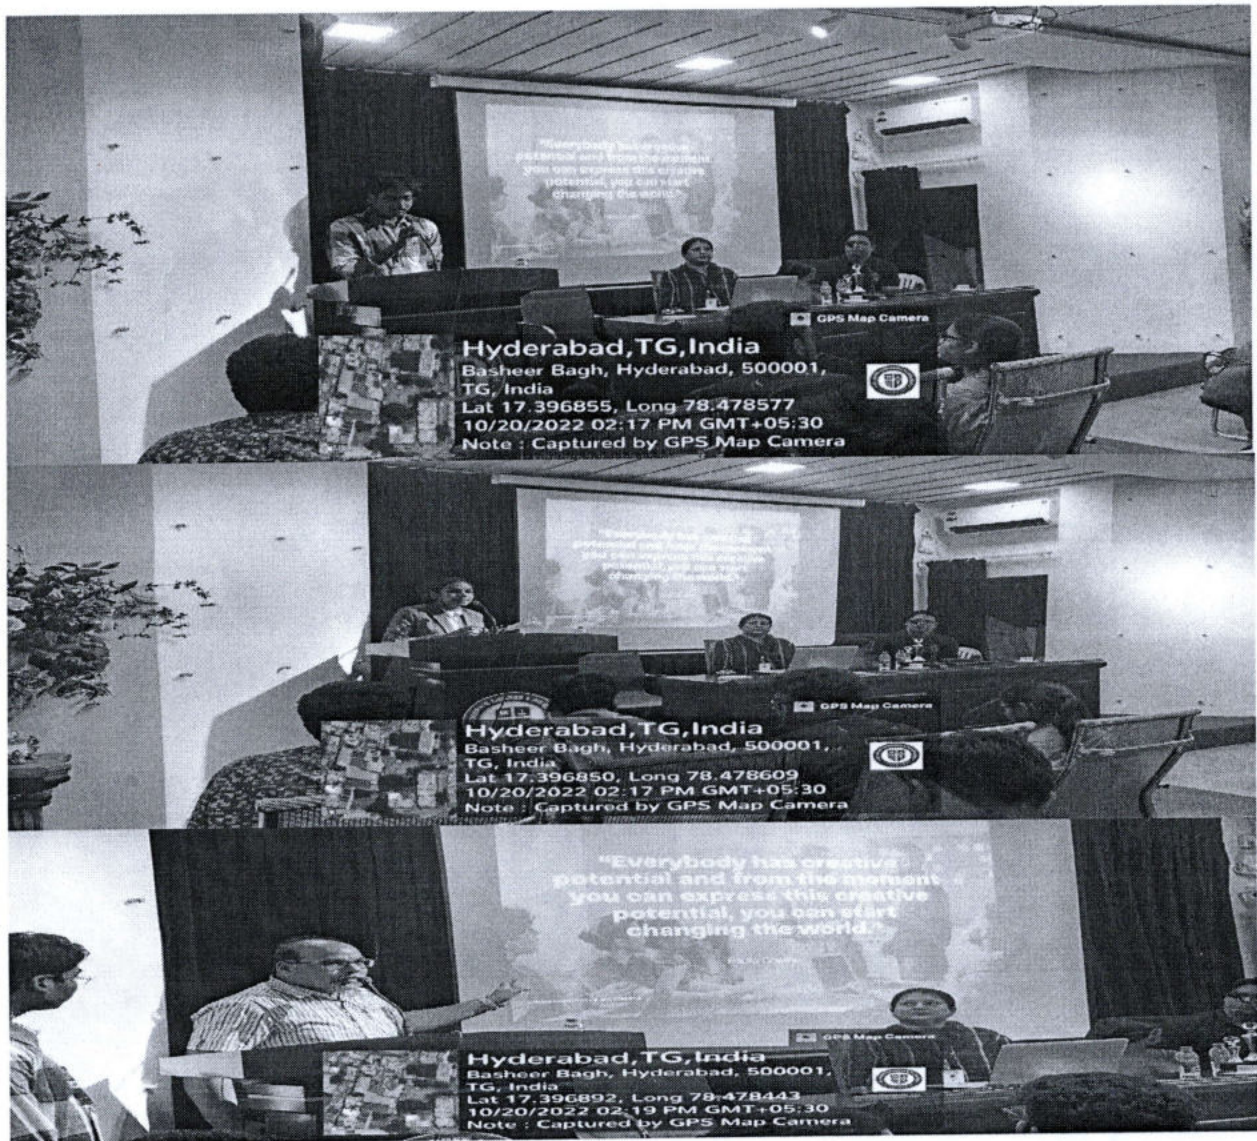

“Animation is a method by which still figures are manipulated to appear as moving images.”, explained the guest lecturer. They gave a brief about the history of animation by mentioning the important years and the name of the movies/cartoon.

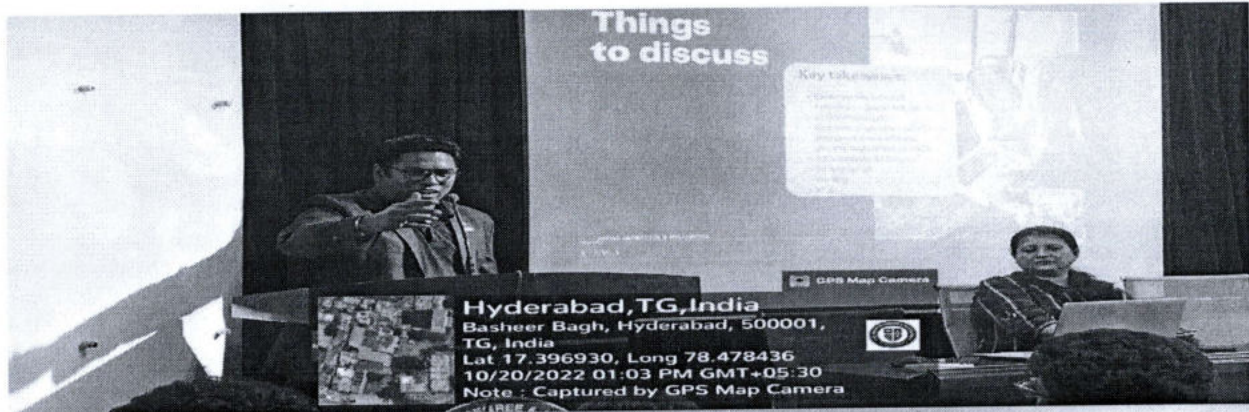

As described by the lecturer,” the animation helps to deepen the visual understanding better than traditional diagrams, omits unnecessary verbiage and visuals, allows to communicate ideas quickly and sharply, educates and engage the audience through entertainment.”

They even guided the students on the steps to use VFX studios by mentioning that, "start with an outline of topics and identify highlights, which can be applied to whatever subjects one plans on discussing, remember to make it easy to read.

Along with guiding the students on animation, visual effects and graphic design, they even helped the students to measure their creativity levels using a site which had different questions to test them and they were marked on the basis of their answers. They were asked to mail the screenshots of their final marks.

The students were given an opportunity to become the campus brand ambassador of Arena animation, which is indeed a great opportunity for interested students as they were given exposure to the industry along with a stipend. Along with that, they introduced a training programme for interested students. And then the seminar was open for Q&A, where students asked questions related to salary package, difficulty in changing the course from BSc to animation, years/months required to complete the course, etc. Marking the end with a vote of thanks and then the students were given feedback forms to fill out.

## National Remote Sensing Center (NRSC) – Industry Visit REPORT

**Date** : 22<sup>nd</sup> October 2022  
**Organized by** : Department of Physics & Electronics  
**Target Group** : B. Sc (MECs) III Year.  
**Faculty Coordinator** : Mr. R. Ashok Kumar.  
**Student Coordinators** : Ms A. Pranathi, Mr. J. Kiran Kumar, Mr. Venkat

**Objective:** To provide an exposure to students about remote sensing and its process with satellites and their operations.

The department of Physics & Electronics organized a field visit to National Remote Sensing Center (NRSC) at Jeedimetla, Hyderabad on 22<sup>nd</sup> October 2022. A total of 38 students from B. Sc (MECs) III year along with faculty coordinator Mr. R. Ashok Kumar were visited.

National Remote Sensing Centre (NRSC) has the mandate for establishment of ground stations for receiving satellite data, generation of data products, dissemination to the users, and development of techniques for remote sensing applications including disaster management support, geospatial services for good governance and capacity building for professionals, faculty and students.

Students interacted with In-charge Training & Outreach after power point presentation about Indian Space Programme, basics of remote sensing and major application projects at NRSC apart from showing different launch videos of ISRO. Later students visited exhibition showcasing models of satellites, launch vehicles, various remote sensing processed images. The different electronic devices systems used in satellite and space communication were explained. The students had an interactive session with the scientists to clarify various doubts about the launching of satellites, remote sensing etc.

**Outcome:** The students gained experiential knowledge on applications of Remote Sensing in the area of soils, forests, Geosciences, Agriculture, water, Environment and oceans and also acquainted with disaster management system with pictures taken by satellites.

Sub: Student industry visit to NRSC, Req - Regd.

Respected father,

Department of Physics & Electronics has field visit to **National Remote Sensing Centre (NRSC)**, at **Jeedimetla, Hyderabad** on **October 21<sup>st</sup>, 2022**, Friday. Hence we want to visit NRSC center along with B.Sc. (MECs) **III year** students on **October 21<sup>st</sup>, 2022** from **10.:00AM** onwards. Kindly permit us to visit the industry. I am here by attaching the received confirmation mail for your kind reference.

Thanking you.

Faculty Coordinator

Mr. R. Ashok Kumar

Respected Father,

**Subject:** Request to sanction amount towards Industrial Visit Bus rent and Snacks reg.,

We Department of Physics & Electronics conducting industrial visit to **National Remote Sensing Center (NRSC)**, Jeedimetla, Hyderabad, for B. Sc MECs III year on 21-10-2022 from 10:00 onwards. In this regard I request you to kindly sanction the amount of **Rs. 9,500/- (Rupees Nine Thousand and five hundred only)** towards bus rent and snacks for students.

The following are the amount required to be spend for industrial visit.

1. Bus rent – Rs. 7,500/-
2. Snacks - Rs 2,000/-
- Total - Rs 9,500/-

Dear Rev. Fr. Sunder Reddy  
Can we consider some  
amount -

Thanking you

Yours sincerely

  
R. Ashok Kumar

## Report on Parent teacher meeting

Date : 22<sup>nd</sup> October 2022  
Class Incharge : Dr.D.Padmashri  
Target Group : All B.Sc(MECs) 1<sup>st</sup> Year students parent.  
Time : 09:00 A.M- 02:30 P.M  
Venue : Electronics Lab

The college has organized a Parent-teacher meeting on Saturday, 22-10-22 in college at 09:00 A.M to 02:00 P.M. Total 10 parents of 1<sup>st</sup> year B.Sc (MECs) were report for the meet. The main purpose of meet was to create a common platform, where teacher and parents come together to enrich the student's educational experiences and discuss variety of issues, regarding all round development of students.

### THE PURPOSE/OBJECTIVE OF PARENT TEACHER MEETING WAS AIMED AT:

1. Building a Partnership where a Teacher often introduces parents to their teaching style, discipline methods and classroom policies.
2. Expressing their commitment to your child's education, such as their organizational skills & positive attitude.
3. Gathering Information where teachers & parents can exchange information about ward's academic progress like his attendance marks in and internal examinations.
4. Developing a Plan where the Teacher – Parent together can address a plan to help the student to work through his difficulties or find ways to ensure his continued success.

## Report on "Science club activity-QUIZZLE"

**Date** : 17<sup>th</sup> October 2022  
**Organized by** : Dr.D.Padmashri  
**Target Group** : All registered students.  
**Time** : 01:00 P.M- 02:30 P.M  
**Venue** : Josephs Hall

The Quiz is computer based which is organized in 6 Teams. Each team consists of 11 members. The first question asked to 1<sup>st</sup> team, if the team is failed to answer the question the it passes to next team and it has 5 marks. The time is given to answer the question is 30 seconds. 6 groups participated in the quiz program.

Students participated enthusiastically and displayed their knowledge in various groups.
