ABOUT COLLEGE:

St. Joseph's Degree & PG College, established in the year 1997 by the Hyderabad Archdiocese Educational Society, is a Co-education Catholic Christian Minority Institution. The college functions under the patronage of cardinal Poola Anthony Archbishop of Hyderabad. Our holistic approach to education sets our brand equity as a trusted name for value-based education and integrated learning. Discipline which is a non-negotiable factor of students' life on our campus inculcates value of time management and punctuality. Apart from integrating value education into the main curriculum, several motivational talks, leadership programmes, and regular group and personal counseling sessions are conducted by well qualified counsellors to nurture the emotional intelligence of the students making them confident and competitive to take on the challenges of life ahead. The students during the process of education in college emerge as well qualified and socially responsible citizens of India.

ABOUT DEPARTMENT:

Every Journey invariably starts with a single step and the Journey to scale great heights needs unflinching grit and relentless efforts. With the same determination we had embarked on a Journey in 1997 by setting up Commerce Department with two courses of one section each i.e. B.Com (General) and B.Com (Computers), B.Com (Honors) was introduced in the year 2003. The Department expanded from single section to double sections in B.Com (General) in the year 2002 and B.Com (Computers) in the year 2006, B. Com (Professional) Integrated CA and CS was introduced in the year 2012, B.Com (Information Technology) in the year 2015 and B.Com (International Finance & Accounting) in the year 2016. The Commerce department is the largest department of the College with annual average student strength of 1327.

ABOUT SYMPOSIUM:

MAIN THEME - AN ERA OF MULTIDISCIPLINARY DIMENSIONS

The one day symposium focuses on adopting experiential learning process which includes a wide range of perspectives, within a combination of subject areas and an approach to curriculum integration, which focuses primarily on different disciplines and diverse approaches which brings to illustrate a topic, theme or issue.

The present symposium aims at preparing the faculty of Commerce and Management on highlighting Human capital which consists of knowledge, intelligence, social status, Fame, creativity, problem solving, personal resilience and critical thinking etc.

It also highlights on emotional intelligence which helps in building stronger relationships, being successful at work, achieve career and personal goals and on sustainable development which encompasses the achievement of three inter connected objectives like economic development, social inclusion and environmental sustainability which are necessary for the well being of individuals and societies.

OBJECTIVE

To establish multidisciplinary approaches which primarily focuses on Human capital, Emotional intelligence and sustainable development.
