1. INTRODUCTION – OVERVIEW OF THE INSTITUTION

St. Joseph's Degree & PG College has completed 22 years of Academic Excellence providing quality education and making a remarkable contribution in the field of Education as one of the most sought-after colleges in the twin cities and the state of Telangana. The college has kept pace with the demanding needs and dynamics for moulding students to be global citizens thus acquiring a well-deserved reputation in academics, sports and co-curricular activities.

ABOUT THE COLLEGE

St. Joseph's Degree & PG College, a Catholic Minority Institution, established by HAES (Hyderabad Archdiocese Educational Society) in the year 1997. The Institution is situated in the heart of the city of pearls Hyderabad synonymous for "Distinct Environment of Excellence in Education" which is envisioned and endorsed through the exemplary motto of "Knowledge, Love and Service".

The Academic and Extension activities of the college are drawn from the well defined Mission statement which integrates the core values of the college with the modern objectives and goals of higher education, to promote globally competent knowledge citizens who are not only skilled and employable but also morally upright and spiritually inspired with "Humane Values and Social Commitment".

The College achieved permanent affiliation from the Osmania University in 2007. However owing to the constant dynamics of globalization, technological revolution, knowledge explosion and fast-growing needs of industry, the purpose and scope of higher education has been redefined to include components of employability, research, innovation and social relevance, whereby 'academic flexibility' has come to be an integral part of the quality education. Hence St. Joseph's sought Autonomy in the year 2010 and was conferred the status in March 2011. While we celebrate the Grant of Autonomy by University Grants Commission (UGC) from the year 2011 onwards, it elaborates still a greater vision for the future of St. Joseph's College, which has remained a mainstay in education. We are proud to state that this is the first of its kind among the classical unaided colleges (self-financed) under the jurisdiction of Osmania University. In the year 2017, autonomous status was renewed for the next 5 years.

It was something exciting and rewarding, long-awaited by all the stakeholders of the institution after tasting the success of accreditation by National Assessment Accreditation Council (NAAC) in 2008 with CGPA 3.51. The wings of academic freedom under autonomy are further strengthened by the 2(f) issued to St. Joseph's College by UGC on 25, July 2006 and 12 B issued on 27 June 2011 by UGC. PG Autonomy was conferred by the University in June 2014. The Quality enhancement & Sustenance of St. Joseph's is envisaged through its Re-accreditation by NAAC with A Grade in September 2014 (second cycle) and B++ in 2021 (third cycle). Another milestone in the history of the college is the introduction of CBCS from the academic year 2015-2016.

The college as an 'Autonomous College' of Osmania University has engaged itself in the process of curriculum enrichment and enhancement. Reaping the benefits of Autonomy, the college offers a wide range of academic programmes including several value added courses and inter-disciplinary papers to make education more relevant and job-oriented. The college has completed two decades with a focus to march with academic excellence on one hand and to drive towards techno-savvy societal transformation on the other hand.
