Name of the Event : MOMATH-Museum of Mathematics

Date : 9th Jan 2023

Time : 10.00 AM onwards

Venue : Joseph's Hall

Target Group : B.Sc students of Twin cities

Faculty Coordinator : Mrs. J. Harika & Mrs. S. Vijayalaxmi

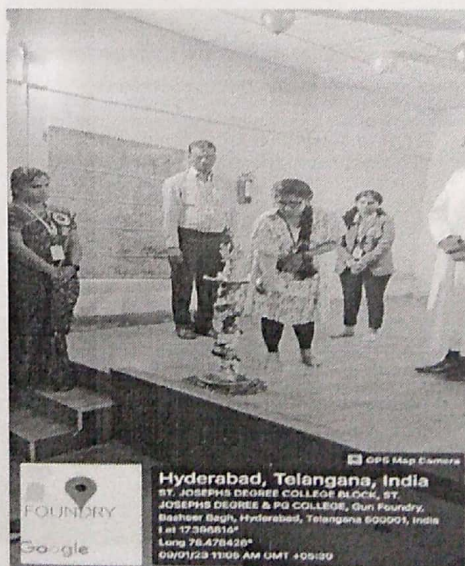

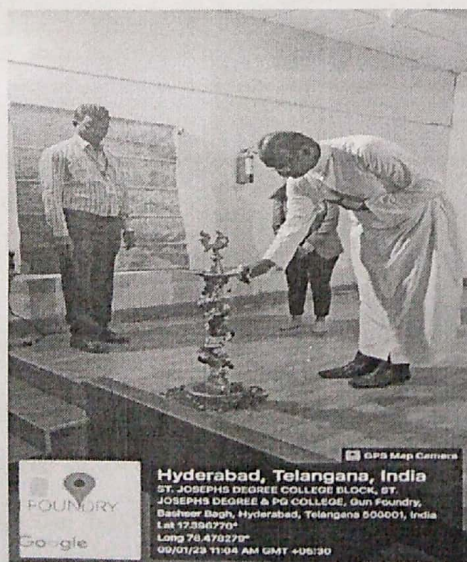

Objective:

The main objective of the programme was to encourage the innovative ideas of the students and to improve their presentation and communication skills with the working models.

Report:

The Department of Mathematics & Statistics organized MOMATH-Museum of Mathematics an Innovative model making on 9th Jan 2023 as a part of Math Club Activity. The programme focuses on the role of Mathematics in our day to day life with the innovative models.

The program was started with a prayer by Principal and followed by lightning of the lamp to enlighten the bright future of the students.

Lighting of the lamp by Principal and the participant from RBVRR college for women

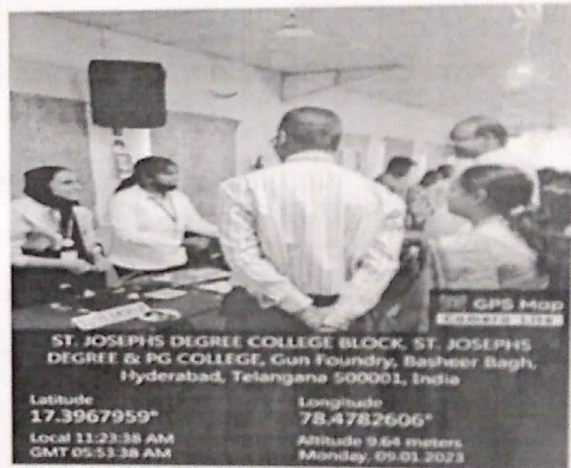

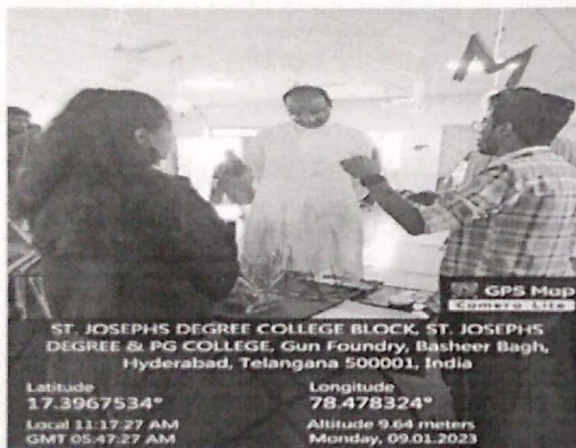

The exhibition started with the inaugural by the Principal Fr. Dr. D. Sunder Reddy, Head of the Department Mr. D. Srinivas Reddy and the faculty of Mathematics & Statistics.

The Principal Fr. Dr. D. Sunder Reddy addressed the gathering, appreciated the students for doing wonderful exhibits and he also mentioned that this type of experimental learning will help the students to think innovatively and groom the students with a better career.

Address by the Principal to the participants

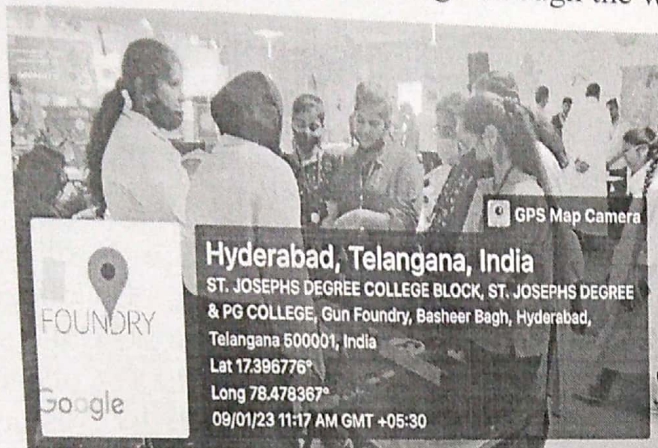

The Principal our guests of honor Fr. Dr. D. Sunder Reddy opened the exhibit and visited all the student exhibits with great enthusiasm and appreciated the efforts of individual students.

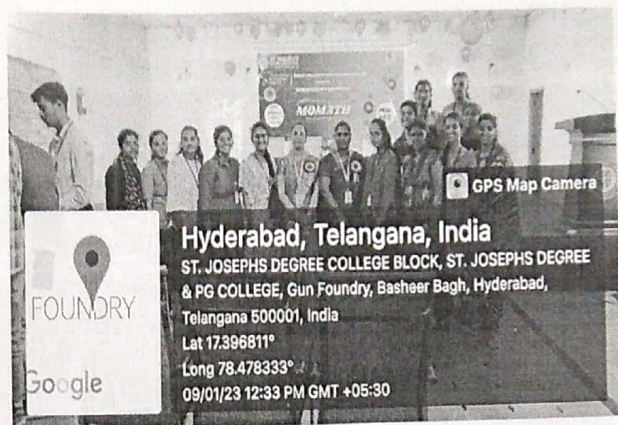

Students presenting their working models

The students of B.Sc I, II & III years of St. Joseph's Degree & PG College and outside colleges in the twin cities enthusiastically exhibited various Mathematical and Statistical models. A total of 15 working models were presented by the students.

A total of 14 students from RBVRR, Narayanaguda one of the cluster colleges, visited the exhibit and appreciated the participants by their feedback. The students were very happy for gaining the practical knowledge through the working models.

Students from RBVRR college

The students of Govt. High School, Hyderguda were invited to visit the exhibit. All the students were very enthusiastically visited the exhibit and they are happy to see the practical orientation of the mathematical models and different concepts of Mathematics.

Students from Govt. High School, Hyderguda

Prof. R. Anitha, controller of Examinations was the judge for the event. Madam visited all the models with zeal and enthusiasm and given feedback to all the working models and also appreciated all the participants for such an innovative ideas.

The Feedback:

The feedback about the models was collected from the judge, faculty, and the student invitees of Govt. High School, Hyderguda & RBVRR College, Narayanaguda. They were also asked to nominate the best teams for the prizes. The nominations, feedback & suggestions were taken into consideration and the winners were declared. As our institution has an MoU with St. Francis college for women, Begumpet, the students from that college participated in the exhibit and won 3rd prize.

Valedictory:

The valedictory began at 2.30 PM by announcing the winners for the event and the cash prizes, mementos and certificates were distributed to the winners and participants. The event coordinators are also appreciated by presenting the certificates.
