A BRIEF REPORT:

The workshop was held in two sessions by Dr. Sridhar Raj and Dr.Swathi Mathur .

The first session by Dr.Sridhar Raj on Emotional intelligence was about various life situations and how to handle emotions during such situations, it was an interactive session where the resource person explained about Problem solving skills, Self awareness, Self Regulation, Motivation and Empathy towards others

The second session was by Dr.Swathi Mathur on " Behavioral Competences, for Industry 4.0" precisely designed to address those needs of the students, who could be honed to be a part of the Industry 4.0.The Industry 4.0 has changed the way we work and will need the organizations to reorient themselves to the new realities of Artificial Intelligence coupled with Human Intelligence, both working towards the betterment of the planet. With sustainability of the planet as a prime focus, the need to create more empathetic conditions at workplace is the need of the hour. Given the emergence of hybrid and remote working, there is a need to sensitize the future workforce about the new human dimension of the workplace. The resource person conducted an activity Spaghetti and Marshmallow Activity where students showed enthusiastic performance and displayed team work and leadership skills.
