Report:

The Power Bytes group of the Department of Computer Science held a technical quiz on November 7, 2022, for all interested parties in technology. The event had up to 60 students from various streams. In the first round of the quiz, participants were evaluated on the fundamentals of Computer Science, and in the second, they had to provide an answer to a logical question. The students felt that

the quiz was interesting and gave them a worthwhile learning experience. Students Safia, Manzoor, and Sri vatsav from BBA (IT) III yr organized the event.

Outcome:

- Students were significantly educated about the interview's technical questions.
- Students were skilled in answering logical programming language questions.

Winners List

- **First Prize : – NAMAN JAIN BBA IT 1ST YR, MOHD AFIF UR RAHMAN BBA IT**
- **Second Prize : - KRISHNA SRIVASTAVA BBA IT**
- **Third Prize : – B APEKSHA BBA IT**

Feedback:

.
Need more competitions to be conducted like this one after college hours. These quizzes will help us in brushing up our knowledge.
..
We want seminars on this topic
.
I need practice

The questions were logical and Interesting.
Happy to be a part of the quiz and learned a few important things
It was good only
Hlooo
It was a nice experience. As we were not aware of the programming language the exposure was a little low, should've chosen a language of which we are aware.
Nothing
Need some guidance to go through
I'm not familiar with c language as much as I'm with c++....the quiz was a bit tough..and it was interesting..
Nice experience
It's a good initiative to develop our skills and enhance our carrier. I like all the things about our computer science department.
quiz was hard
Very well organized event The questions were informative and learned a lot today! Thanks
it is a good way of answering the questions and it is innovative... thank you
Need some technical classes to clear out the technical round for the interview.
Well made event
none
Need to improve
Cloud computing
I think we need more concepts in c also
I have a lot to study.. but the event was fun and enlightening.. I will definitely use this as a lesson.
