Suggestions:

- ❖ Conducting more events related to computer science and mathematics can make a student more knowledgeable.
- ❖ Placement need to be improved
- ❖ Live demo workshops should be conducted
- ❖ Practical knowledge should be improved.
- ❖ I request to keep soft skills and analytics skills subjects to the students. Which help them to crack the tests in a company and interviews
- ❖ Giving projects in the programming field which may increase competitive programming spirit
- ❖ Subjects should be more practical and should help us to gain practical knowledge than the theory knowledge. More employment oriented subjects must involve.
- ❖ If we are able to understand the real life applications and perform some real life application on the topics we learn it would be helpful
- ❖ Introduce new practical sessions every week to the respective subject and also try to make workshops for faculty so that they make us to learn better
