BRIEF REPORT: The session was held on 15 th December 2021 under the auspices of our Principal Fr Sunder Reddy and the staff. On 15 th The event started at 1:30pm with the arrival of the resource person and it continued till 2:30pm. He started off with a brief introduction of what energy conservation is and explained it with the help of a ppt presentation which included real life examples which made the session more interesting and interactive. We took a mini step to conserve energy by turning off few lights and fans in the hall by believing big visions are realized through small steps. Overall it was a successful session.
