Re-accredited by NAAC (3rd Cycle) with B⁺⁺ Grade

King Koti Road, Hyderabad

Department of Physics & Electronics

A Report on SCIENTIA-2023

OBJECTIVE OF THE EVENT: To celebrate National Science Day on the occasion of the birth anniversary of Dr C. V. Raman.

OUTCOME OF THE EVENT: Instilled the significance of Science through a string of fun and exciting events.

NOTICE REFERENCE:

DATE & TIME: 28th February 2023 9:00 am to 4:00 pm

VENUE: Joseph hall.

TOTAL NO. OF PARTICIPANTS: 150.

FACULTY CO-ORDINATOR: Dr M. Sravan Kumar, Johnson Babu & Ashok Kumar

STUDENT CO-ORDINATORS: Mirza Rizwan Ali Baig, Adarsh Krishna, Dinesh Kumar & Richard.

TARGET AUDIENCE: All the science enthusiasts, including all the BSc students and students from different colleges.

A BRIEF REPORT:

On the occasion of Science Day, the Science club celebrated an event named Scientia on 28th February 2023. The event was organized to create awareness about the importance of science and its role in shaping the world we live in. The event was attended by dignitaries, faculty members, and students of the college.

The event began with a prayer sung by the college choir Anno Domini and Vardhan. This was followed by the dignitaries lighting the lamp, which occupied the seats on the dais. The host of the event, Mirza Rizwan Ali Baig and co-host Bhumika shared the importance of Science Day and Science highlighting its contributions to society and the world at large. The next speaker was Sanjuv, who discussed the objectives and agenda of the day. He spoke about the various activities planned for the day, including guest lectures, felicitations, logo launching and all the other activities that were planned and executed by the students of BSc third and second-year students.

The event also marked the felicitation of the father of the college, who was celebrating his birthday on the same day. The father was honored for his contributions to the growth and development of the college, which was followed by cutting a cake. The event also witnessed the felicitation of the guest lecturer, Prof. K Venu Gopal Reddy, who was presented with a sapling, memento, and certificate by the father. Prof. Reddy delivered a lecture on the Emerging trends in Science and Technology.

The event also saw the launching of the logo of the college's science club, which was received with much applause. The guest lecturer, Prof. Reddy, then addressed the gathering, talking about the need to invest in research and development to keep up with the ever-evolving scientific landscape.

The session ended with Jyotsna delivering a vote of thanks, thanking all the dignitaries, faculty, and students for their participation and contributions to the event.

The students were given a half an hour's break to have snacks and settle their models, which were later visited and judged by guest lecturer, prof. K. Venu Gopal Reddy, HOD, Dr M. Sravan Sir, Johnson sir and Ashok sir. Simultaneously other activities were started, which included Escape Room, Article writing and Quiz.

It was followed by a valedictory session where students were appreciated for their valuable inputs and participation. In conclusion, the Scientia event was a great success, creating awareness about the importance of science and its role in shaping the world. The event's various activities, including felicitations, guest lectures, and logo launching, were well received by the audience, making it an enriching experience for all who attended.

EVENTS CONDUCTED:

1) Escape room:

The event was conducted in the physics lab (5th floor). Only a team of 3-5 each were allowed into a room at once. The theme of the event was Chernobyl. Geotag pics of every participating team along with the event coordinators were taken.

Participants have explained the rules of the event and are sent into the dark room. The agenda of the event was to find clues related to the theme, within a given amount of time (20 minutes) and escape the room with the final key.

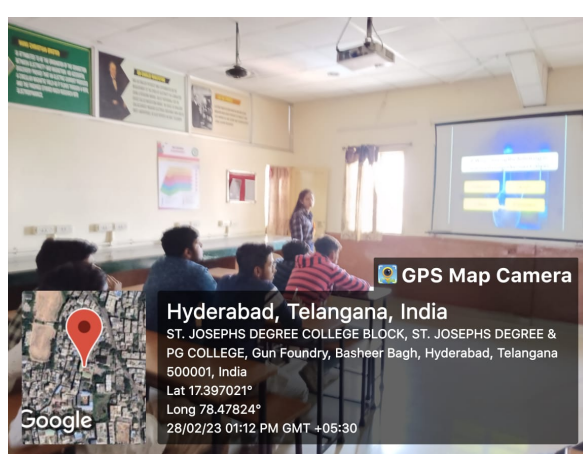

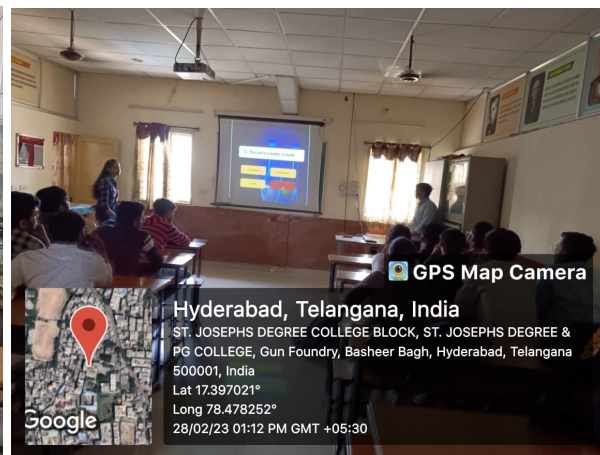

Around __ teams have participated in the evening, among which a few could reach the final stage. At the end stage, __ team has successfully completed the escape and won the first prize.

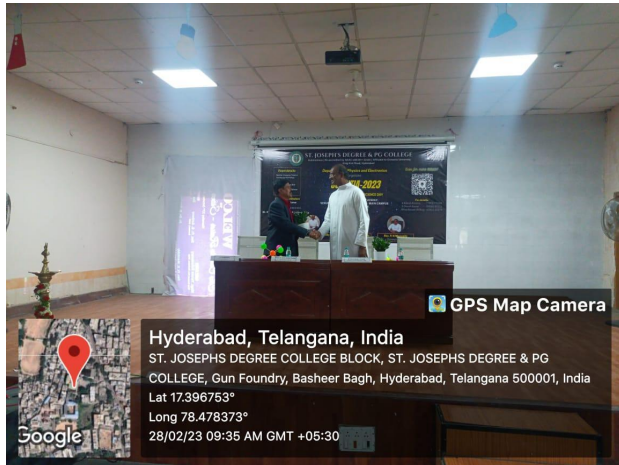

2) WeQYA (Quiz):

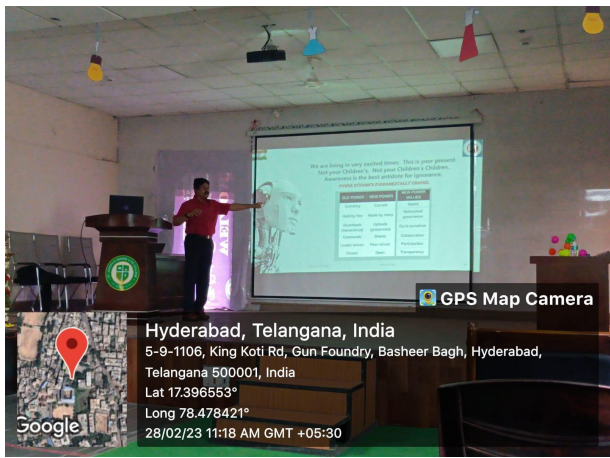

The event WEQYA(Quiz) was held on the occasion of National Science Day i.e., 28 February 2023 was conducted in Room No:504. Two participants are made as one team. Rules and regulations were explained to every team before starting the quiz. The quiz is all about the concept of Science around us. The quiz was divided into 3 Rounds and marks were awarded accordingly. Around 12 teams participated in the event and the first 3 team positions are considered the calculation for the result. In the end, 1 team won the quiz and won the first quiz.
