General Information

Type of the Activity	Orientation on Computer Science subjects course Structure
Title of the Activity	Orientation program for all BBA Ist Year
Date	11th July,2023
Time	11:30 AM to 12:30 PM
Venue	Vianney Hall, Extended campus
Collaboration/Sponsor(if any)	---

Speaker

Name	Mrs M.Kiran Jyothi
Title/Position	HoD ,Department of Computer Science
Organization	St.Joseph's Degree & PG College
Title of the presentation	Mission and Vision of Computer Science Department

Name	Mrs Lavanya Reddy
Title/Position	Asst.Professor, BBA Coordinator
Organization	St.Joseph's Degree & PG College
Title of the presentation	Computer Science program Course Structure

Name	Mr Srikanth
Title/Position	Asst. Professor
Organization	St.Joseph's Degree & PG College
Title of the presentation	Online certificate courses

Participants Profile

Type of Participants	Students
No.of Participants	75

Synopsis of the Activity(Description)	
Highlights of the Activity	Understanding the importance of discipline in the field of computer science is crucial. An overview of the BBA course structure will be provided, highlighting the relevance of computer science in the business administration domain Emerging Technologies Online Certificate Courses Industry Connections
Key Takeaways	➢ Course Structure of BBA, Discipline, vision and mission of the Department, online certificate courses
Summary of the Activity	➢ This orientation program, aim is to provide the students with a solid foundation in computer science, enabling the students to leverage technology effectively in their future careers. Students will gain the necessary knowledge to navigate the digital landscape, make informed decisions, and adapt to the ever-changing technological landscape. ➢ We encourage you to actively participate in all sessions, ask questions, and engage in discussions to make the most of this program. We are confident that the knowledge and skills you gain from this orientation program will prove invaluable throughout your academic and professional journey..
Follow-up plan	****

Report on BBA Students Orientation Program:

The Department of Computer Science is organized an Orientation Program on Computer Science specifically for BBA students to familiarize students with the fundamental concepts and advancements in the field of computer science. This program aims to equip students with the necessary knowledge and skills to leverage technology effectively in their future careers.

This event is organized in St, Joseph's Degree & P.G. College, Extended campus on 11th July 2023 at 11.30 a.m.

The orientation program will cover several important topics that will serve as a foundation for students understanding of computer science. Mrs. Kiran Jyothi, Hod, Department of computer science delivered the information about vision, mission of the Department, understanding the importance of discipline in the field of computer science. she will emphasize the significance of adhering to ethical standards, maintaining professionalism, and adopting a systematic approach to problem-solving.

Mrs. S. Lavanya, BBA Coordinator delivered the information about overview of the BBA course structure will be provided, highlighting the relevance of computer science in the business administration domain. And also explain explore how computer science skills can enhance the student's ability to analyze data, make informed decisions, and improve overall operational efficiency. You will be introduced to various programming languages commonly used in the industry, such as Python, Java, and C++. We will discuss their features, applications, and importance in different domains. Additionally, we will explore popular software packages and frameworks used in data analysis, web development, and other relevant areas.

Mr. Srikanth sir gave the valuable inputs to the students about online certificate courses. These courses can help you acquire specialized skills and demonstrate your expertise in subjects such as data analytics, programming, cybersecurity, and more.

Throughout the orientation program, we will highlight the importance of establishing connections with industry professionals and organizations. Guest speakers from the computer science and business sectors will be invited to share their insights and experiences, providing you with valuable networking opportunities.

By the end of this orientation program, we aim to provide the students with a solid foundation in computer science, enabling you to leverage technology effectively in your future careers. You will gain the necessary knowledge to navigate the digital landscape, make informed decisions, and adapt to the ever-changing technological landscape.

We encourage the students to actively participate in all sessions, ask questions, and engage in discussions to make the most of this program. We are confident that the knowledge and skills you gain from this orientation program will prove invaluable throughout your academic and professional journey.
