I. ABOUT CAREER DEVELOPMENT CELL (CDC)

Training and Placement Cell of St. Joseph's Degree & PG College has established Career Development Cell (CDC) to provide 360 Degree career solutions to the students. Highly Qualified and Motivated Faculty Coordinators of CDC regularly Organise and conduct seminars and workshops on Personality Development, Interpersonal skills, Etiquette and Manners, Career Planning, Effective Communication Skills, Resume building and Interview Techniques etc. CDC facilitates students to decide and pursue their careers in various sectors, which include core Finance, IT, Consulting jobs, Research and Development etc as well as guides the students in terms of Higher Education.

Vision

To capacitate students to identify and pursue a path to a fulfilling career, whereby they can make their own unique mark in the world.

Mission

Recognizing that career development is a life-long process, the mission of Career Development Cell is to equip and support students as they explore and further understand themselves and career options, gain valuable experience, develop as professionals and launch their post-graduation career plans.

Objectives

1. To prepare participants for life time fulfilling careers.
2. CDC assists participants from career profiling till interview assistance this exercise helps to discover opportunities based on their domain background, qualifications and preferences.
3. CDC provides counselling and guidance to those students who wish to pursue higher studies or to crack certain competitive examinations like Civil services, CLAT, IELTS , Bank PO etc
