**Brief report**

The Day 1 of MBA orientation started by welcoming the new students by reciting verse from Bible and a prayer song. The chief guest Prof. Ramesh Vemuganti and the Principal Rev.Fr. Dr. Sunder Reddy were welcomed on to the dais. After the formalities the program began by the address of Rev. Father emphasizing on the value of time and plan. In his address he stated the plan has to be precise and consistent citing Virat Kohli, the cricketer as an example.

He gave an inspirational speech by mentioning clarity is important stressed on the point don't put your future in somebody's hand. Start by prioritizing activities in life. Remain persistent and visualize the future. One has to organize activities and gain knowledge and undeniably Knowledge is powerful. He concluded with a caution on attendance and discipline.

The chief guest Prof.Vemuganti addressed the gathering by reminiscing about the fact that St.Joseph's has come a long way since 25 years. He commented "think global". Global thinking, digital beginning is the new way to grow. Lay emphasis on learning. During the interactive session he made emphasis on the fact that only learners are the winners. And to be a winner continuous learning is important and only then one can become unstoppable. The more one enjoys learning the more one grows. And laid

emphasis on the fact that one should not major in minor things. Age is not the criteria. Learning is. Don't drift. Learning and knowledge have to go hand in hand. Energy and persistence are powerful than all things. Put in efforts not strength or intelligence. The session finished with a communication activity for the fresher's. Speak with clarity was the takeaway from the activity and he ended with the message never be complacent and giving a tip that having a good body language and eye contact is the essence to communication pointing to the fact that "Today a reader tomorrow a leader."

#### **Report**

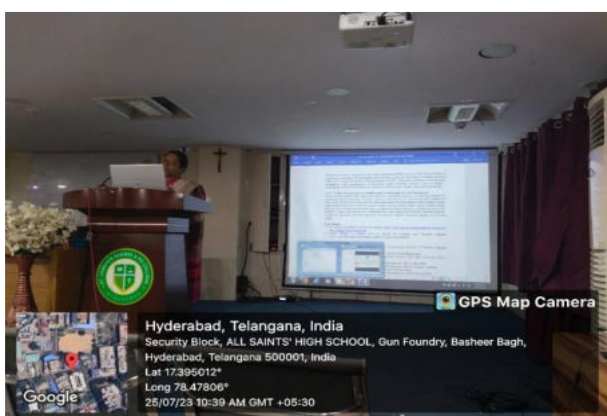

The program started with welcoming the students to the Orientation of Specialization and Project for MBA I year II sem. There was a slight delay in the commencement of the program due to rain. The session was aired live as weather condition entailed few students to attend the session. Mrs. Gowri Pisolkar, MBA program Coordinator welcomed the students and asked them to pay attention to details about the subjects. She also instructed about the specialization choices and the options to opt for two specializations as the college offers dual specialization. The first session was finance session by Mr. Ganesh Anand which began at 10.15.

#### **Finance orientation**

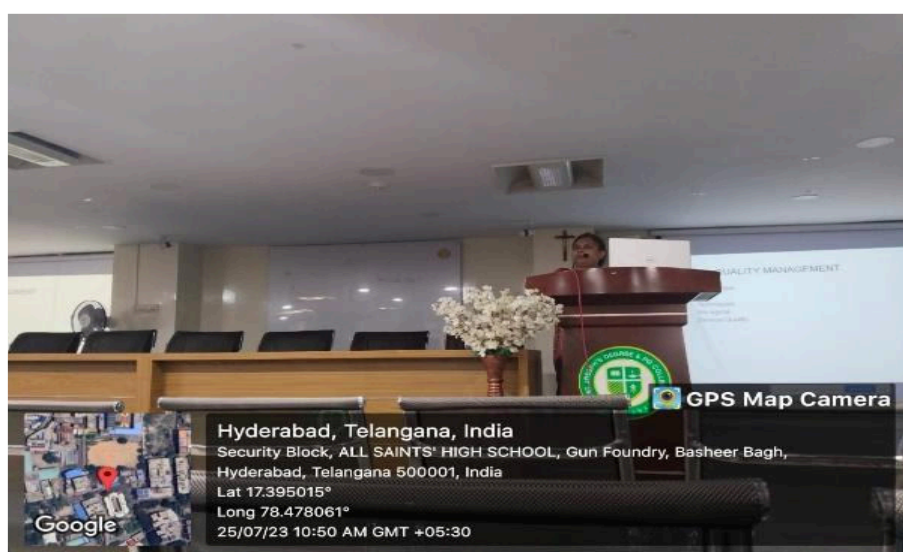

Mr. Ganesh Anand, Assistant Professor, gave a brief on specialization in finance by mentioning that they will have four subjects to deal with two subjects in each semester. He mentioned that selection of specialization should be selected based on the goals and should not be done with friend's influence or other's choice. The

subjects namely IAPM deals with portfolio investment, where to invest, create portfolio. He explained the syllabus in brief. Financial Risk management & derivatives in the IV semester which is the continuation of IAPM and the syllabus covers how to manage risk in business. The syllabus covers derivatives, options, swaps. How to manage credit risk? He also gave brief on career options in finance like – Investment banking, Asset management, Equity Research, Risk management, Corporate Finance, etc. Ms.Smriti also explained about the other finance subjects namely Financial systems & services and International Finance. FSS subject gives insights into funds, classification on finance. IF deals with foreign exchange, risk management in International arena. The session ended by clearance of doubt.

### Operations Orientation

The next orientation at about 10.40 am was on Operations by Prof. Anita mam. After inviting her on the dais by Ms. Ritu, MBA Sem- II student, she began by introducing herself and gave operation subject introduction. She mentioned that this elective is useful for manufacturing & engineering operations and also covers logistics. She gave an overview on the subject TQM, LSCM, Project management. She emphasized on pursuing courses like six sigmas which would enhance their chances of recruitment. She mentioned the importance of operation and stated that it is an extension of statistics, OM, OR, etc. She also highlighted about the opportunities that are available in FMCG, Consultancy & IT, etc. She also mentioned about internship, CRT, Certificate courses & backlogs. The session ended by thanking mam by Ms.Ritu, MBA student.

### HR Orientation

The orientation on HR began at 11.00 am. The resource person for the session were Prof.Danam Tressa and Dr.Gracy sailasree. had started by inviting Prof.Danam Tressa and Dr.Gracy sailasree on to the dais. After the formal introduction, Prof.Danam started the session by presentation about why and what is HR? why HR as a career needs to be chosen? She posed questions to the students, which made them introspect if they possess the requisite skills and attitude to be an HR in future. She gave details of the core areas of HR and spoke the worth of studying HR. She hit the psyche of students by narrating an anecdote – Star throwerby Loren Eiseley a poet and story writer. Emphasizing on being unique and not being the audience as action is very important in HR world. She briefly mentioned about the subjects in HR namely OD, IRL, Performance Management, Compensation Management, giving the idea about course objective and course outcome. She then handed over the session to Dr.Gracy who elaborated on the importance of HR and gave the detailed description of what HR needs to do. They should hire, train, solve dispute etc. Prof.Danam concluded the session by briefing about the projects that can be undertaken and certificates that can add value while studying HR. The session ended by a motivational thought” Great vision without great people is irrelevant” followed by a thank you by Ms. Ritu.

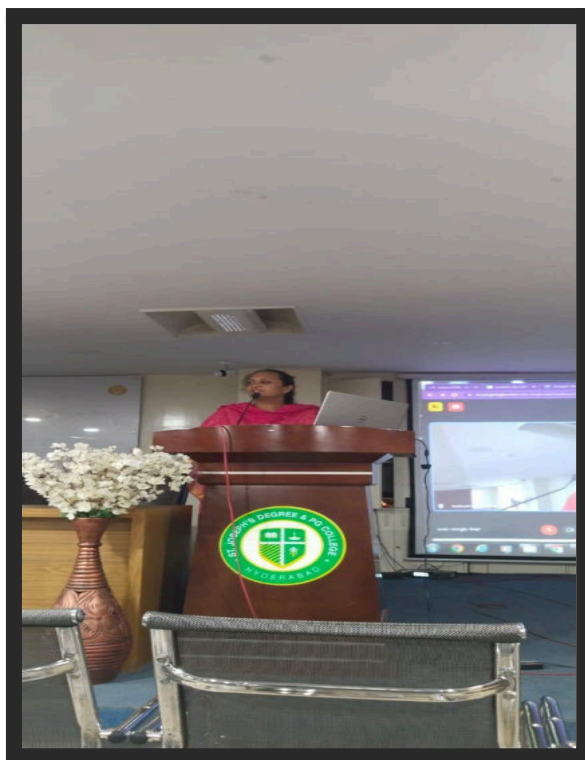

## Marketing Orientation

Marketing orientation began by welcoming the HoD by Ms. Ritu (MBA student) at about 11.30 am. He started the presentation with Why Marketing? He mentioned it helps networking skills, helps build relationship. Marketing has the highest package and a person needs to have data on his fingertips. Students need to be updated with the latest happenings and compulsorily browse through Newspaper, Magazines, latest trends. They need to have an updated marketing knowledge. He also gave an overall view on Consumer Behavior, Service marketing and other subjects that are dealt within the marketing purview. He strictly asked the students to select the specialization options within two days of the orientation. He also was thanked by Ms.Ritu on behalf of the students for the orientation.

### **Placement orientation.**

At about 11.50 Ms. Ritu called on to the dais Ms. Sweta (Placement Officer) by welcoming her. Ms. Sweta gave a brief on companies which come to visit the campus. The highest placements come for marketing and asked the students to be prepared and be ready for the placement season.

### **Project orientation**

After a small break project orientation was continued at about 12.00 pm by Mrs. Neeraja, Project Coordinator, MBA. She started by mentioning that projects are allotted 100 marks, 40 marks are for internal evaluation and 60 marks are for external evaluation. According to the specialization opted the project needs to have various chapters like – Introduction, Review of literature, Company profile, Data analysis, Findings, Suggestions and conclusion which remains same for all specialization. A topic has to be selected according to the specialization chosen and study has to be conducted. The internal marks are calculated in two phase, 1<sup>st</sup> phase in semester three and the 2<sup>nd</sup> phase in semester four. Marks are allotted for log book, meeting the guide, presentation/viva by external members. Plagiarism check is done for all projects. Guides will be allotted for each student and final evaluation is done by external panel members through final viva. She also cleared doubts on project by students and the session came to an end at 12.30 pm. Finally, the session on orientation on specialization and project ended by vote of thanks by Mrs. Gowri Pisolkar, Program coordinator, MBA thanking each and every faculty for taking them through the detailed orientation on subject specialization and the students for attending the session despite the bad weather conditions. She also thanked Mr.Kiran , lab assistant for his help in making all the technical assistance and setting the session live.

**Outcome:** The students were satisfied with the orientation and were able to take decision on selection of specialization.

### FEEDBACK & SUGGESTIONS:

The Parent Teacher Meeting was conducted to collect the feedback of the parents along with the students. The teacher gave the updates to the parents of the students regarding

attendances, marks and other related issues. The parent gave a very good feedback for the programme as well as about the participation of faculty staff in all the academic as well as co-curricular activities and also appreciated teacher ward system. Parents wants some relaxation in the morning times as students are facing problem for parking the vehicles.

#### FEEDBACK & SUGGESTIONS:

It was an interactive meeting with parents to share about students performance, attendance % , areas of improvement and suggestions for future courses to be undertaken. The parents agreed with class teacher's opinion about the child and assured that they will help their child to improve and perform better not only in academics but in extracurricular activities too. In the parent feedback form, majority of the parents opined the particulars given with grades ranging from A,B and C . Most of them opined that curriculum offered, Quality Teaching, certificate course offered, examination system and discipline is excellent. Parents felt happy that college provides a good learning platform and expressed that their children received a lot of encouragement and support from faculty in all aspects. Small suggestion was given by parent to provide better lab facilities with good internet connection and organize industrial visit.

**Objective of the event/program: To obtain knowledge on Various Schemes under Small and Medium Enterprises**

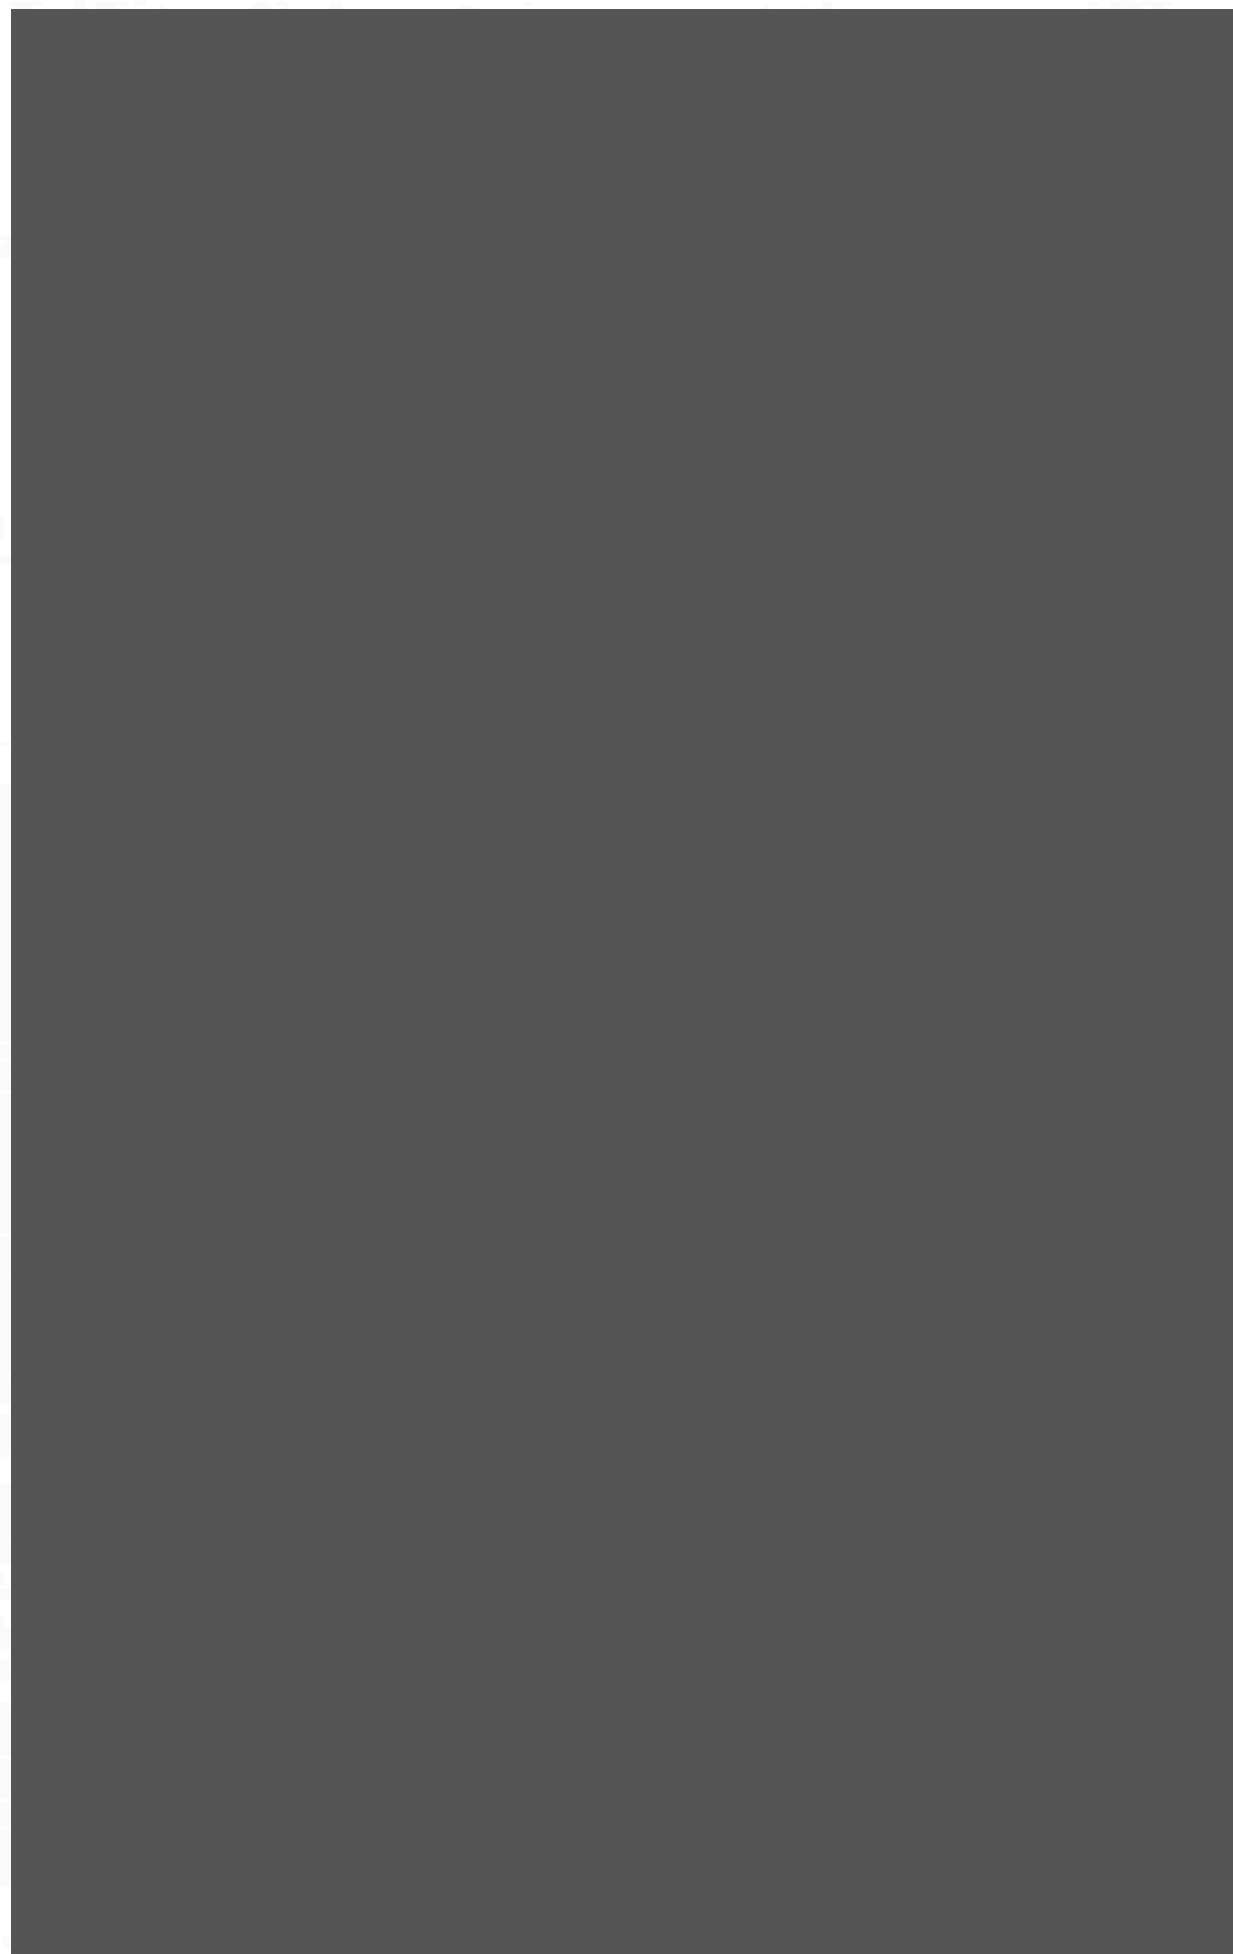

I take this opportunity to encapsulate the **Management Development Programme on SME – Financing Approaches Strategies**, a 5 Day Programme being organized by the Department of Business Management in collaboration with National Institute for Micro, Small and Medium Enterprises (NI-MSME), Hyderabad.

The objective of the program is to impart the knowledge on various Government Schemes that are available for Small and Medium Entrepreneurs and expose the faculty to some real time scenarios as experienced by line managers and consultants who are actually the resource persons of the MDP.

This MDP is the brain child of our Dynamic and Visionary Principal Fr. Dr. D. Sunder Reddy and is aptly executed by our able Head of the Department Prof. Vandana Samba and supported by ever resourceful Prof. Srinivas Nagunuri so that the faculty of Business Management can learn greater insights and know about day to day situations being encountered by the budding entrepreneurs.

I herewith summarize day wise sessions in a very concise manner

**Day – 1 (12<sup>th</sup> Dec, 2022). Theme: Government Schemes**

entrepreneurs. He was explaining why the appraisals need to be taken up rationally while funding a project. Mr. Mahesh explained Financial and Marketing appraisals in greater detail. While explaining Marketing Appraisal he was explaining the need on why Demand and Market Analysis are required for better understanding.

Day - 3 (14th Dec, 2022) perspective

The resource person of the day was Mrs. BAL Kameshwari, AGM with Union Bank of India, Hyderabad. She has explained the process of a project evaluation. She took time to explain on certain critical ratios and, etc. Maam speaking on the occasion said why various financial statements are required to know the capability of the firm to repay the instalments and capacity to bring new capital. Kameshwari Maam has created a sort of awareness on how NPV, Cash Flow Analysis and how to read between the lines.

#### Day - 4 (15<sup>th</sup> Dec, 2022) Theme: Risk Assessment and Credit Rating

Today our resource person of the day is Mr. Sandeep who shared his experience as an employee, consultant and advisor to better financial operations of the client. He explained on various Risk Assessment and Credit Rating methods. Mr. Sandeep session was so unique in the sense that it was highly interactive.

## OBJECTIVE OF VISIT

To inculcate the feeling of satisfaction among students and let them be aware about their responsibilities towards the society.

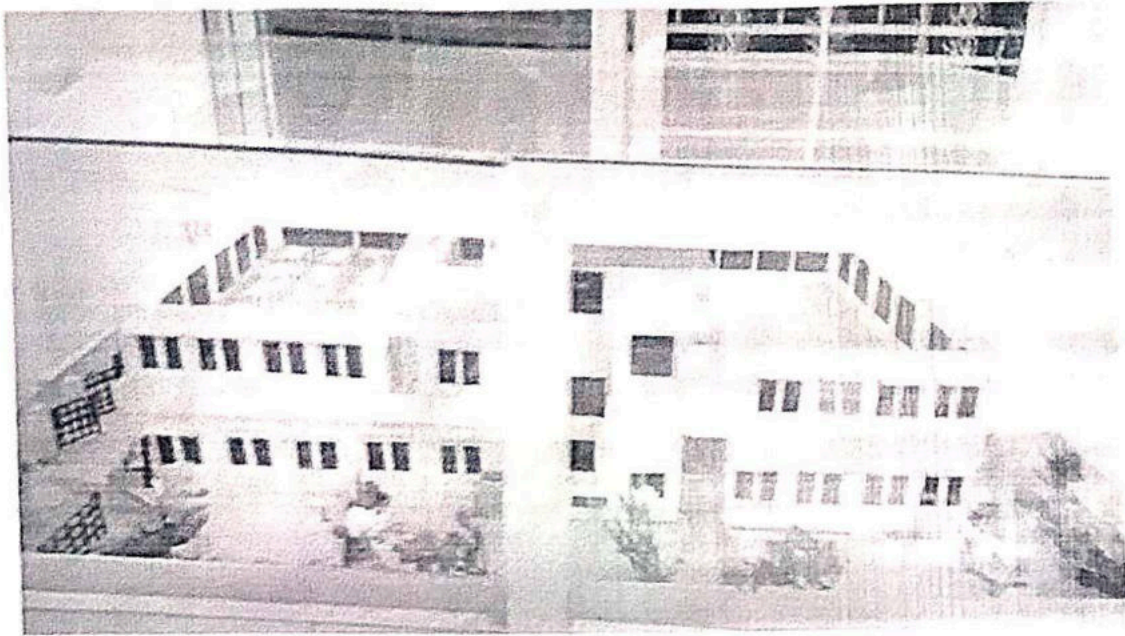

## ABOUT ORPHANAGE

AVG (Anaadha Vidyarthi Griha) is striving to rehabilitate the orphans and poor students to give a helping hand to study so long they want and to become the responsible citizens of our society.

## BRIEF HISTORY

Anaadha Vidyarthi Griha, located on the outskirts of the city in putting up a valiant fight to regain its lost glory. The orphanage was established in 1919 by Ambadas Mukhedkar, an advocate. This institution was registered under the Societies Act in 1952 with the Nizam's Government and later Accorded Recognition as Charitable institution by the State Government. housed at Sunder Bhavan in Jambagh area in the heart of the city, it functioned successfully till Ambadas died in 1974. His death came as a big blow to the inmates and they were left orphaned for second time. Driven to the wall, they sought the intervention of the court and the struggle for survival lasted nearly Seven Years. Finally, in 1982, they lost the legal battle and the building worth about Rs. 5 crores was demolished.

### ABOUT THE PROGRAM

Saturday, 4th Feb 2023 Students of BBA BA 1-A visited an orphanage Anaadha vidyarthi Griha Orphanage, L.B Nagar, Hyderabad. 30 students along with the student coordinator, class representatives and club members (Alif, Akshat, Ayush, Ayushi, Ishika, Tanvi) accompanied by faculty Incharge Mrs. Ganta Archana visited the place.

JSR was an opportunity to do something for the society or to give back to the society. Class 1A chose to do their bit by visiting an Orphanage and donate whatever is possible from their end. The class visited an orphanage named Anaadha vidyarthi Griha Orphanage on march 4, 2023.

The Group Of students Reached the orphanage around 1:00 pm. the children of AVG were very pleasantly excited to receive the students. The students greeted them with great enthusiasm. There were huge smiles on the faces of orphanage children. The students distributed snacks and refreshments to the children after they were made to stand in lines.

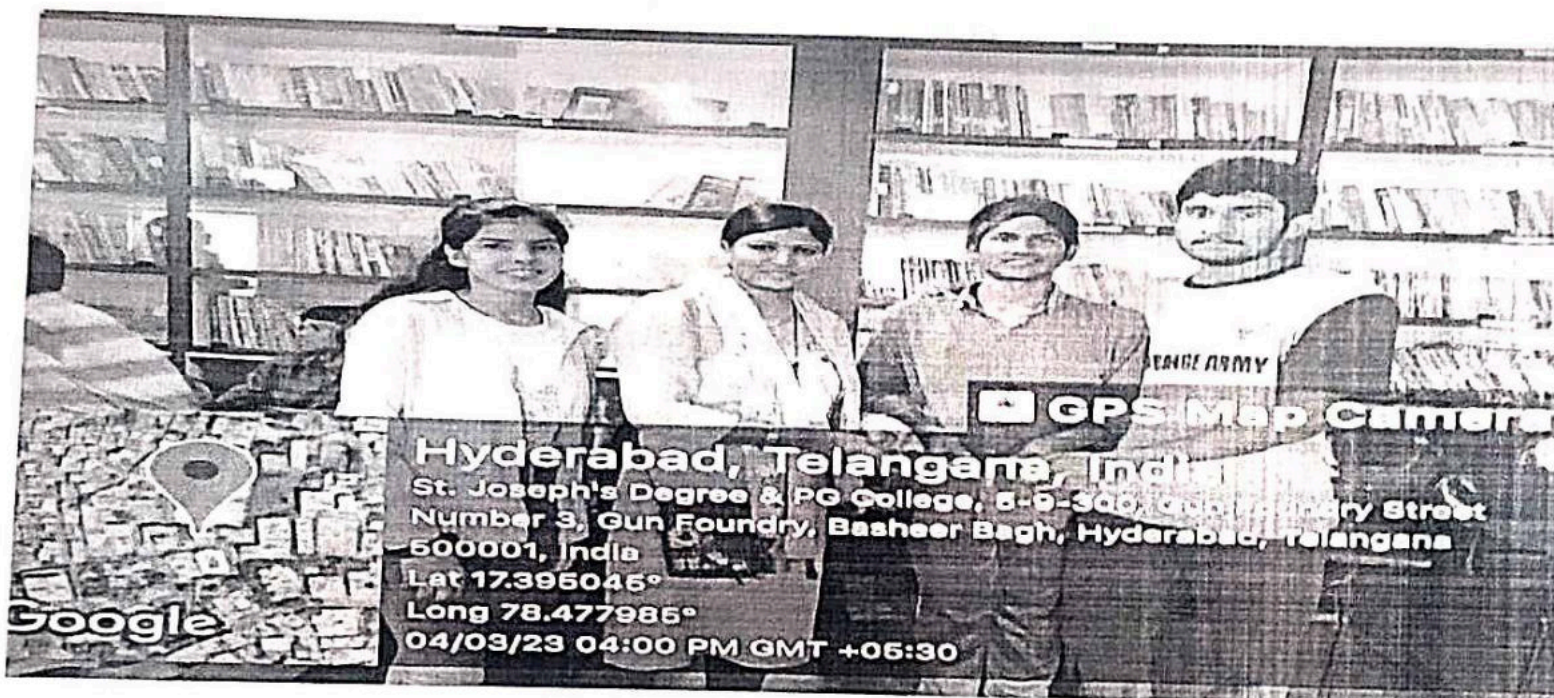

There were around 80 children with 4 care-takers and in charges. The day at the orphanage started with a prayer, followed by interaction with the children. We had fun by playing indoor games with them and enjoyed by Dancing and Entertaining the kids, finally we distributed the gifts and necessities taken which includes chocolates, stationery kits, food items, etc.

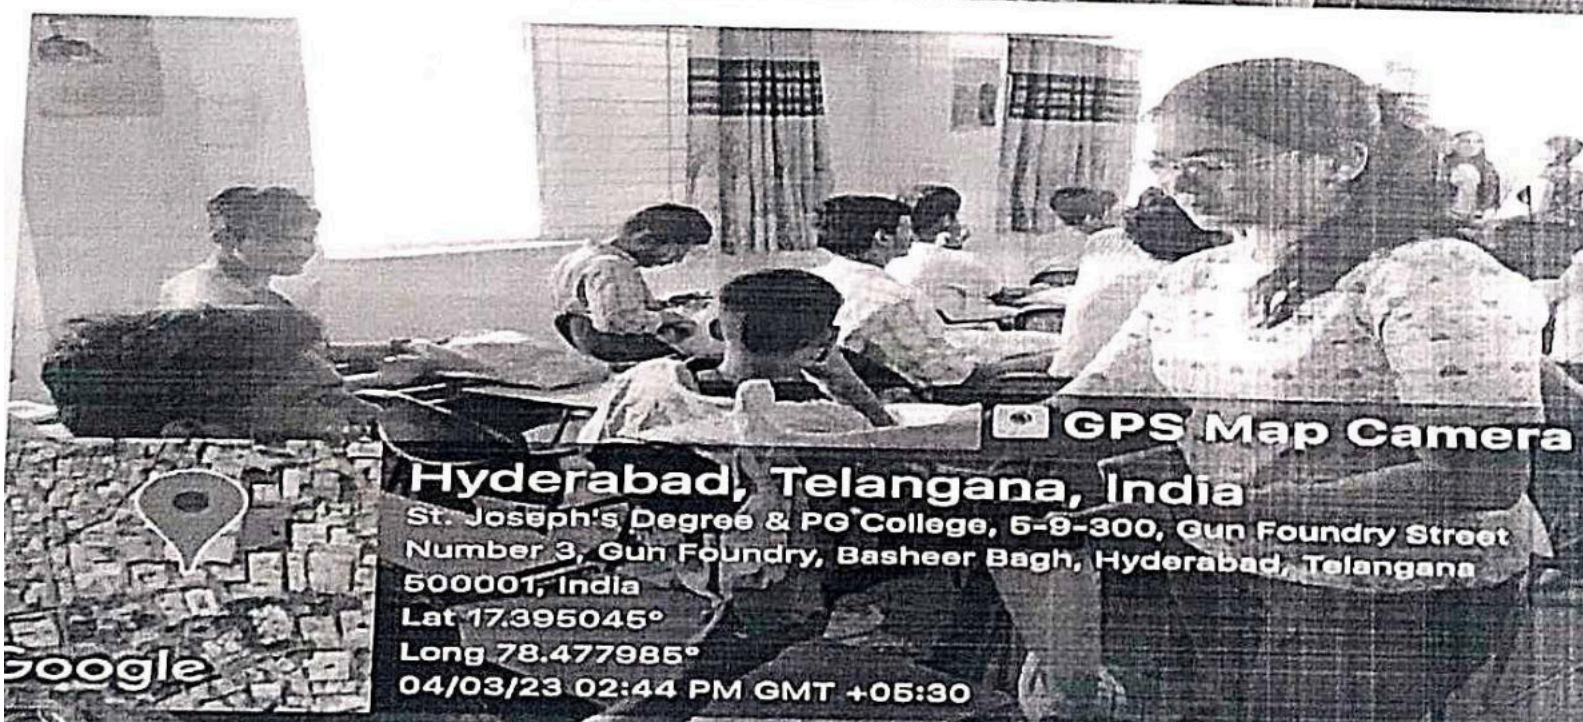

The kids at the orphanage were very happy with this small gesture shown by us by conducting various activities like singing ,dancing and entertaining kids etc...

The group spent a little over four hours with the children of Anaadha vidyarti Griha before saying goodbye to them. It was indeed a very satisfying experience for the students as they were able to bring smiles on children's faces however for a brief period.They realised that one must contribute and understand his/her social responsibilities towards society.

### Outcome Feedback (Students / Faculty / At Venue):

It was a blissful experience to spend time with the children, distribute goodies and give gifts. The children were cheerful all through the program, very supportive and loving. It was a remarkable day to all the students of Josephites. The care taker and In-charge of orphanage was delighted by our visit and he invited the college once again for conducting such activities which bring in confidence among children.

The children of the orphanage were very happy and they interacted with our students in various activities energetically. They obliged and appreciated college to initiate such activity. This responsibility was executed successfully.
