DEPARTMENT OF MATHEMATICS OF STATISTICS
REPORT ON 1ST INDUSTRY ACADEMIA MEETING

The Department of Mathematics & Statistics has organized the 1st Industry Academia Meeting on 11th March'2022 in the conference hall, St. Joseph's Degree & PG College at 2PM. The main objective of the meeting was to join the hands with Industry, to know the Industry needs for the employability of the students, and ensure that the student's skills are developed by designing the curriculum Industry friendly, also in par with the New Education Policy, NEP.

The resource persons for this meeting were

1. Dr V.V Haragopal
Subject Expert, Former Head Department of Statistics, University College of Science, O.U, Hyd
2. Dr. B. Rajender Kumar
Subject Expert in Mathematics, Principal, Government Degree College, Khairathabad, Hyd
3. Dr. K. Ramesh Babu
Head &BoS, Assistant Professor, Subject Expert in Mathematics, Department of Mathematics, University College of Engineering(A), Osmania University, Hyderabad
4. Dr.SM Subhani
Subject Expert in Statistics, Head, SQC & OR Unit, ISI, Hyderabad
5. Mr. Sridhar Kanumarlapudi, Assistant General Manager, Data Science & BI, Hinduja Global Solutions, Hitech city, Hyd
6. Mr. P.Bhaskar Reddy, Data Scientist, TCS, Hyd

The Meeting began with a Prayer by Mrs. Mary Vinaya Sheela, Dean Academics St. Joseph's Degree & PG College. The Head of the department, Mr.D.Srinivas Reddy & the faculty of the department Mrs.S.Vijayalaxmi, Mrs.Nampally Lakshmi &Mrs.J.Harika welcomed the Guests with a bouquet.

The Principal Fr.Dr. D.Sunder Reddy addressed the meeting and threw light on the objective of the Industry Academia meeting and thanked the resource persons for their presence.

Mr. D.Srinivas Reddy, HoD has presented the B. Sc (MPCs/MECs/MSCs) Course structures. The resource persons have reviewed the syllabus, Dr.V.VHaragopal has strongly recommended to make the student perform problem solving which would help them to improve and develop their skills in analysing the question and various ways to solve it. He also stated that this will help the student to understand the practical approach for any given problem and live projects. This would help the student to get placed in the Industry.

The BSc Statistics (MSCS) course structures were presented by Mrs.S.Vijayalaxmi; thereby the discussion with regards to the syllabus took place. The team suggested no changes in the statistics syllabus.

The resource persons were highly appreciated for their presence and a small token of gratitude (mementos) were offered to each of the resource persons by Mr. D.Srinivas Reddy.

The Meeting ended with the Formal vote of thanks by Mrs. J. Harika
