Industry Academia Meet 2022-2023

Agenda:

1. To discuss on revision of the BA JPE Semester V & VI Practical Syllabus.
2. To introduce new diploma courses or PG Diploma courses.
3. To Introduce new Value-Added Courses.

Report:

The Department of Psychology conducted its 2nd Industry Academia Meet on 17th March 2023. The meeting started with Prayer led by Ms ShravyaSaneev, Asst Professor Department of Psychology. The HoD Mrs AmthulFathima welcomed the guests and presented Syllabus Structure.

Dr NandiniSanyal, HoD, Psychology, St Francis Degree & PG College for Women and Mrs Ashwini, HoD Psychology, Nizam College, suggested to include High School Personality Questionnaire, Imposter Phenomenon Scale, David's Battery of Differential Ability, Attachment Tests, Social Network Addiction Scale, Attitude towards Parents & Peer, & Peer Pressure Scale in Semester V as the theory paper includes all the social and behavioural issues of adolescents. As these above topics are very important to understand by college students from their age perspective and they may better understand themselves when they do the assessments on them.

Dr Kiran Rathore, clinical Psychologist suggested to introduce P G Diploma in Rehabilitation Psychology, as there is a high demand of Rehabilitation sciences in the field and students can immediately get recruitment as the course is highly beneficial after finishing their graduation. She also suggested to include, Career Interest Questionnaire, environmental

scale, social competence scale family environment scale in semester VI as few of this practical's will help the students to identify their career interests and they can accordingly choose their career by end of their graduation.

All the Industry and Academic experts suggested to introduce few values added courses based on mindfulness and importance of mental health as this is the important factor to build their personality and other career interest areas.

They also suggested to start 6-month Diploma courses in Learning Disability Developmental Psychology and PG Diploma Courses in Child Psychology, Rehabilitation Psychology and Organizational Psychology. As these courses are high in demand in industry, they suggested that if these courses are introduced in college students will get immediate recruitment in repute companies and hospitals.
