The meeting also focused on strategies for effective language teaching in classrooms as well as the importance of second languages as a career option and motivating students

**Report:**

The Department of Second Languages organized its first Industry Academia Meet on January 20-2024. The primary focus of the meet was to discuss on the various issues in language learning and Teaching and what more could be done to ensure that the syllabus and courses offered met the industrial requirements. Also in focus was the introduction of specific purpose or need based diploma / certificate courses. A Panel of subject and Academic experts for each Language was invited who shared their valuable insights. The Panel included :

S.NO	Name	Expert in :	Language
1	Dr.Mohammed Fazalullah Shareef	Academic	Arabic
2	Mr. Subramaniam Iyer	Industry	French
3	Dr. Ravi Anand	Industry	Hindi
4.	Mr. Rajshekhar	Academic	Sanskrit

Mrs. Aparna Rajhans, Add'l HoD, Department of Second Languages addressed the gathering which included the Principal, Rev. Fr. This was followed by a brief introduction of the resource persons and individual presentations. The sequence followed was: Arabic, French Hindi, Sanskrit and Telugu. Each resource person gave his/her perspective on the respective language scenario in the education and

industry level and how the gap between both can be reduced. ## Report

Second Languages Department (TELUGU) in collaboration with the Institutions Innovation Cell conducted Elocution Competition to honor APJ Abdul Kalam on his birth anniversary. Students had a short 5-minute session to talk about the "Missile Man of India." They began by recognizing the importance of the day and then shared key aspects of Kalam's life. They spoke about Kalam's early life in Rameswaram and how he became an aeronautical engineer. The focus then shifted to his significant role in India's space and missile programs, especially during the Pokhran-II nuclear tests, which earned him the title "Missile Man." The students discussed Kalam's time as the President of India, emphasizing his unique approach of being friendly and connected with young people. His presidency was seen as a symbol of humility and service to the nation. They also highlighted Kalam's visionary dreams for a technologically advanced India and his encouragement for youth to aim high. The term "Missile Man" was explained, highlighting Kalam's important contributions not only to India's defense but also to its technological strength. As the report concluded, the speakers summarized key points, encouraging fellow students to think about the values Kalam embodied. They stressed the importance of carrying forward his legacy, which emphasized dedication to education, science, and national development. As students dispersed, the lasting message from Kalam's life remained – urging them to dream big and contribute meaningfully to the progress of the nation.

The event was a great success and was concluded on a good note by the faculty coordinator and Yeravelly Vishnu who delivered the vote of thanks.

#### Reports:

The Department of Second Languages organized a Hindi Diwas Celebration event on September 21, 2023, as part of the Nayi Disha Club activities. The primary focus of the program was to

celebrate the importance of the Hindi language among the youth and instill a sense of respect for it.

The event commenced with the inauguration by the esteemed Chief Guest, Prof. M. Mayadevi, who ceremoniously cut the ribbon. It was followed by a melodious prayer song performed by our college Choir group and an engaging welcome dance by Srivallika.

Subsequently, the dignitaries, including the Chief Guest, Special Guest, and other distinguished guests, were invited to the stage. Dr. Sadique Pasha, the Convener of the program, addressed the gathering, highlighting the significance of the event. Prof. M. Mayadevi, in her address, shared insights into the importance of the Hindi language. Mrs. Aparna Rajhans, the Head of the Second Languages department, emphasized the significance of Hindi as a language and dispelled any misconceptions among the students regarding its importance.

The event featured a series of engaging activities. The first activity, "Photo Story Writing," challenged students to create spontaneous stories inspired by given photos, garnering great interest among the participants. This was followed by a Digital Quiz competition, "Hindi Quiz," and an Essay Writing competition, "Hindi Essay," held in rooms 405 and 502, respectively. To underscore the contemporary and future relevance of Hindi, the Nayi Disha Club coordinators performed a thought-provoking skit.

The event continued with a captivating singing performance by students from Sardar Patel College and Gitanjali College. In recognition of their presence and support, Prof. M. Mayadevi and Special Guest Prof. Tellamsetty Usha Kumari were felicitated by Dr. Sadique Pasha, Mrs. Aparna Rajhans, and the entire Second Languages Department.

In conclusion, the Hindi Diwas event served as a platform to celebrate and promote the importance of the Hindi language. The presence of esteemed guests, engaging activities, and performances added value to the occasion, reinforcing the significance of Hindi among the youth.

The Arabic language is a pillar of the cultural diversity of humanity. It is one of the most widely spoken languages in the world, used daily by more than 400 million people. World Arabic Language Day is celebrated every year on 18 December since 2012. The date coincides with the day in 1973 that the General Assembly of the United Nations adopted Arabic as the sixth official language of the Organization.

During its 190th session the UNESCO Executive Board adopted a decision to celebrate 18 December of every year as International Arabic Language Day. The new initiative, proposed by Morocco and Saudi Arabia, seeks to promote multilingual and cultural diversity, as well as celebrate Arabic language's role in and contribution to the safeguarding and dissemination of human civilization and culture. The decision recognizes the need to implement more wide-ranging cooperation between peoples through multilingualism, cultural rapprochement and dialogue among civilizations.

Language is not merely a tool for communication, but rather the bearer of a whole range of cultural expressions and a bridge enabling close relations between societies. The Day creates an occasion to raise awareness about the cultural and social treasure of the Arabic language and gives an opportunity to discover more about the language and its contribution to human civilization.

Arabic is the language of 22 of the Member States of UNESCO and is one of the Organization's official languages. It is one of the most widespread languages spoken by more than 422 million people; most of them live in the Middle East and North Africa.

The Dept. of Second Languages Arabic organized World Arabic Language Day celebrations on 18<sup>th</sup> December, 2023. The Arabic Club also conducted a essay writing competition for the students.
