Good faculty

Good studies

Placement

Overall development

...

Degree

High

I am currently undergoing coaching for C.A. Intermediate, hence, I can't afford to miss any more classes than I'll be missing during the internals/externals exams. I'll be very grateful to the college if I, and other similar students, get an exemption from the clubs and committees.

Give me a degree

Good college with good teachers and good studies

Satisfy students' needs and highly paid placements after graduation

Good foundation for my future career

Amity University

To grow my network and overall to become a nice person.

Fests

Good campus experience, good teaching and good memories

Parking space

Change uniform code to t shirts for boys

Except to remain the same as it is ...and be the and effective to the coming student's

My expectations are that it should help me in all ways like in academics , increasing my participating skills

-

My expectations of the college is to enhance my speaking by communication and my talents and to excel my studies and become a better person on a whole

College should give us exposure to new things as they do and just help us graduate with a wonderful grade .

To keep events to students

Apart from the studies the college should encourage students in extra curricular activities such as sports and field trips, etc,.

I Personally Don't Have Any Expectations, Causes, The College Has All Facilities Which I Needed, But I Expected That The College May Have Football Sport Committee

High Expectations

College has to provide Scholarships to the Economically backward students

Please look into improving the infrastructure

More internships and practical projects

Providing good education

Good percentage in studies and full participation in co curricular activities

Differential methodologies in lectures delivery
Notes and resources for subjects

Cooperative faculty, compelling opportunities for job placements, unbiasedness in allotment of marks.

Quality education, more placement opportunities

To provide placement

Better internships and career opportunities

To make a bright future for us

To get better graduation

KNOWLEDGE AND CAREER

To be a supporting hand in this process of discovering my interests and developing them

To have a happy learning with all the faculty members

Hopes for best studies

Guide me through the right path

Enjoyable environment where we can study and enjoy our college life. Supportive teacher and faculty. Better placements.

Quality education and guidance and to act as a catalyst for overall personality development

to bring the best of my course

I just hope for the best education and knowledge

That I would be given the opportunity to learn creative skills like, editing videography, photography by joining in the mass communication departmental clubs, and build my portfolio for the years to come and also to be actively participate in the co curricular activities and showcase my talents of singing and music.

Gaining professional knowledge in Financial Accounting

MA mass communications and journalism

Smooth and easy going college

Good education and placements

My expectations from St. Josephs Degree & PG College is that it should maintain excellent standards of education and mentorship as it has been doing over the past years, thus equipping its students with the necessary knowledge, skills and confidence to take on the various challenges that they will encounter in life, be it professional, personal or social, thereby becoming more successful and responsible citizens.

Academic excellence

Professional College and Good Teaching Methodology

I expect the stuff to be similar to the prestigious colleges of our country

An good job

This is the right path

Placements.

Good education, overall development and good placements.

Expectations makes you disappointer

Good amplitude

degree

good internships and placements
