With a vibrant campus life, well-maintained infrastructure, and countless opportunities through seminars, cultural events, and clubs, the college truly helps students become well-rounded individuals. Its emphasis on discipline, leadership, and social responsibility makes it more than just an institution—it's a place where potential is nurtured, character is built, and future leaders are shaped."

RUSHIKA UBALE, BBA GENRAL 2022 - 2025

My transformative journey at St. Joseph's Degree and PG College has truly been life-changing. Taking up the role of SQAC President gave me the chance to work closely with both students and faculty and really understand how much thought and effort goes into making a college better every day.

As the Library President, I found so much joy in creating a space where students could actually enjoy reading and explore beyond academics. Leading different clubs and being the Class Representative helped me connect with all kinds of people, and those experiences taught me how to listen, lead, and bring people together.

St. Joseph's has shaped me into someone more confident, more aware, and more driven. I'll always be grateful for that.

V Sai Koteswar, SQAC President, B. Com General, 2022 - 2025

"My journey at St. Joseph's Degree & PG College has been an incredible blend of learning, leadership, and self-discovery. From the moment I stepped onto campus in 2023, I was welcomed into an environment that nurtures ambition, fosters confidence, and encourages transformation.

As a student pursuing my MBA, I've had the privilege of serving as both Class Representative (CR) and Team Leader—roles that have helped me enhance my communication, organization, and leadership skills. Through academic sessions, team projects, and co-curricular engagements, I have grown immensely both professionally and personally."
